Quran Visual Presentation Of The Miracle:

Quran Rashad Khalifa,1982 *Quran, Hadith and Islam* Dr. Rashad Khalifa,2010-12-31 After more than 12 years of computerized research of Quran PHYSICAL EVIDENCE was discovered proving that Quran is indeed the infallible word of God This discovery became very popular among the Muslim masses throughout the world and summaries of the work were printed and distributed by the millions My personal popularity soared along with this most exciting and most humbling discovery The continued research then unveiled a startling fact that the extremely popular Hadith Sunna have nothing to do with the prophet Muhammad and that adherence thereto represents flagrant disobedience of God and His final prophet Quran 6 112 25 31 This finding contradicts the beliefs of Muslim masses everywhere Consequently my personal popularity and even the popularity of the Quran s miracle plunged to the point of endangering my life and reputation As it turned out telling the Muslims that Hadith Sunna are Satanic inventions is the same as telling the Christians that Jesus is not the son of God Since the recognition of Hadith Sunna as Satanic innovations is supported by PHYSICAL EVIDENCE all freethinking people will accept the findings reported in this book For such people the results include a totally new sense of salvation and full awareness that the Muslim masses have fallen victim to Satan s schemes **The Truth** Dr. Rashid Khalifa, The book covers the extracts of the book Quran the Visual Presentation of the Miracle the result of a 15 year research by Dr Rashid Khalifa Scientist cum scholar and Imam of Tuscan mosque USA Employing the ultimate in scientific proof namely mathematics the evidence comes in the form of an extremely intricate code Thus every word indeed every letter in Quran is placed in accordance with a mathematical design that is clearly beyond human ability A few pages have been added like Preface about revelation of Quran English translation of Surah Al Mudathir its explanation about Quran and its preservation has been added by the compiler **Answering Islam** Norman L. Geisler,Abdul Saleeb,2002-08 Apologetic guide compares the major tenets of Islam with Christianity **The Qur'ân and Hadîth** Sayyid Saeed Akhtar Rizvi, This text is an extensive examination that starts off by explaining what revelations mean how they happened at the time of the Prophet s a w w and how they happened at the time of the Jewish and the Christian The book continues by describing the authenticity of the Old and New Testaments and talks about the Injil Jesus s a s book After the study of the previous revealed book we can dive in the explanation on the authenticity of the Holy Qur n how to interpret the verses what ahadith are and how to prove their authenticity The book also provides lots of examples and is a wonderfully way to learn about our Holy Book and the ah dith

Name of Elijah Muhammad Mattias Gardell, 1996-10-07 In the Name of Elijah Muhammad tells the story of the Nation of Islam its rise in northern inner city ghettos during the Great Depression through its decline following the death of Elijah Muhammad in 1975 to its rejuvenation under the leadership of Louis Farrakhan Mattias Gardell sets this story within the context of African American social history the legacy of black nationalism and the long but hidden Islamic presence in North America He presents with insight and balance a detailed view of one of the most controversial yet least explored organizations in the United States and its current leader Beginning with Master Farad Muhammad believed to be God in Person Gardell examines the origins of the Nation His research on the period of Elijah Muhammad s long leadership draws on previously unreleased FBI files that reveal a clear picture of the bureau s attempts to neutralize the Nation of Islam In addition they shed new light on the circumstances surrounding the murder of Malcolm X With the main part of the book focused on the fortunes of the Nation after Elijah Muhammad s death Gardell then turns to the figure of Minister Farrakhan From his emergence as the dominant voice of the radical black Islamic community to his leadership of the Million Man March Farrakhan has often been portrayed as a demagogue bigot racist and anti Semite Gardell balances the media s view of the Nation and Farrakhan with the Nation s own views and with the perspectives of the black community in which the organization actively works His investigation based on field research taped lectures and interviews leads to the fullest account yet of the Nation of Islam s ideology and theology and its complicated relations with mainstream Islam the black church the Jewish community extremist white nationalists and the urban culture of black American youth particularly the hip hop movement and gangs

Qur'ān Translation as a Modern Phenomenon El-Hussein A.Y. Aly, 2023-09-25 It is a well established fact nowadays that modernity impacts Islam but there has not been much focus on how modernity impacts the Qur n the foundational text of Islam and the verbatim word of God This book argues that the early Muslim Qur n translations into English are attempts to reconcile the Qur n with modernity by producing translations that encompass modern concepts and interpretations of the Qur n Are these modern concepts and interpretations valid or they alter the word of God This is the main question that the book attempts to answer particularly that these early translations have affected and still affect Qur n translation

Routledge Handbook on Early Islam Herbert Berg, 2017-08-10 The formative period of Islam remains highly contested From the beginning of modern scholarship on this formative period scholars have questioned traditional Muslim accounts on early Islam The scholarly fixation is mirrored by sectarian groups and movements within Islam most of which trace their origins to this period Moreover contemporary movements from Salafists to modernists continue to point to Islam s origins to justify their positions This Handbook provides a definitive overview of early Islam and how this period was understood and deployed by later Muslims It is split into four main parts the first of which explores the debates and positions on the critical texts and figures of early Islam The second part turns to the communities that identified their origins with the Qur n and Mu ammad In addition to the development of Muslim identities and politics of particular focus is the relationship

with groups outside or movements inside of the umma the collective community of Muslims The third part looks beyond what happened from the 7th to the 9th centuries CE and explores what that period the events figures and texts have meant for Muslims in the past and what they mean for Muslims today Not all Muslims or scholars are willing to merely reinterpret early Islam and its sources though some are willing to jettison parts or even all of the edifice that has been constructed over almost a millennium and a half The Handbook therefore concludes with discussions of re imaginations and revisions of early Islam and its sources Almost every major debate in the study of Islam and among Muslims looks to the formative period of Islam The wide range of contributions from many of the leading academic experts on the subject therefore means that this book will be a valuable resource for all students and scholars of Islamic studies as well as for anyone with an interest in early Islam

Quran - The Final Testament - Authorised English Version Dr. Rashad Khalifa Ph.D.,2010-12-16 Proclaiming One unifying religion for all the people The Book is without a doubt a revelation from the Lord of the Universe The Final Testament comes with built in physical evidence that it is God s message to you it is mathematically composed beyond human capability This proves that God is the Truth and that He revives the dead and that He is Omnipotent Our Salvation in the hereafter lies on upholding The Quran The Quran is God s Final Testament to the world Unlike any other book the Quran is taught by God 55 1 2 He teaches us what we need at the time we need it This is why we read the Quran hundreds of times without getting bored We can read a novel for example only once But the Quran can be read an infinite number of times and we derive new and valuable information from it every time Since the Quran is God s message to all the people regardless of their language the Quran is accessible to the believers regardless of their language 41 44 This explains a profound phenomenon the believers who do not know Arabic know the Quran better than the Arabic speaking unbelievers Because of the invisible forces serving the Quran it is readily and enjoyably accessible to the sincere believers and utterly inaccessible to the unbelievers 17 45 18 57 56 79
