Understanding Matthew - Using Semitic Bible Study Methods Michael Harvey Koplitz, This commentary was researched and written using Semitic Bible Study Methods Aramaic the language Yeshua spoke and the culture of Yeshua's day These methods were initially developed by the Sage Hillel over 2000 years ago augmented and the author Semitic Bible study methods are based on asking questions about the Scripture examining the language and culture of that day This is a strange idea for church people because the Church teaches that only the Church can interpret Scripture This is not true God wants us to ask questions because Scripture's meaning is as deep as God and God is infinite **Interpreting the Parables** Craig

L. Blomberg,2012-07-16 Craig Blomberg surveys the contemporary critical approaches to the parables including those that have emerged in the twenty years since the first edition This widely used text has taken a minority perspective and made it mainstream with Blomberg ably defending a limited allegorical approach and offering brief interpretations of all the major parables **Breaking New Ground in John** Ruben Zimmermann ,2025-02-28 **The Ethics of Encounter** Mescher, Marcus,2020-03-18 The author provides an ethical framework for the culture of encounter that Pope Francis calls us to build

All the Parables of Jesus David M. Brown,2012-07 Like yeast parables are explosive stories of Jesus that invade our lives and transform us into citizens of the kingdom of God But they are also cryptic and that s where this book is useful More than an explanation or interpretation of each parable this definitive work is primarily an exercise in hermeneutics In it readers are taken through a process of discovering which sayings of Jesus are parables problematic questions related to counting and categorizing them and Jesus rationale for speaking in parables The work then analyzes four distinct ways that parables are structured and three levels at which they do their work in us The final chapter presents parable related hermeneutical guidelines and the book ends with seven extensive Appendices and two Indexes It is a must read for every biblical scholar

Engaging the Doctrine of Jesus (and Mary) Matthew Levering,2025-03-10 The six chapters of this book focus upon Jesus conception and birth from a virgin his authoritative teaching his miracles his cross his resurrection and his ascension The purpose of the book is to articulate and defend the truth of these salvific mysteries as presented to us in Scripture In addition to conversing extensively with historical critical biblical scholarship the chapters make recourse to the theological tradition from the church fathers onward with Thomas Aquinas as a touchstone Levering seeks to make a case for believing in Jesus At the same time he shows how each of these mysteries is intimately linked with a truth about Mary the Mother of Jesus thus arguing for the integral relationship of Christology and Mariology Mary enacts the reception of the Lord by God s faithful people the New Adam never chooses to be without the New Eve in God s new covenant family The Christology offered in this book is therefore both attuned to historical studies of Jesus and Second Temple Judaism and at the same time deeply traditional in a contemporary Catholic and ecumenical way Our Father, Our Teacher Christopher J. Reeves,2022-09-16 From the beginning God created men and women in his own image as the objects of his love His intention has been to father mankind raising us as his children While the intimacy of this relationship was broken through the fall our Father has never stopped loving us His faithful lovingkindness is unchanged And through Jesus we not only see the intimate relationship of Father and Son as the divine pattern but we find ourselves restored as children in his household Through Jesus we can experientially live in relationship with our Father and through the working of the Holy Spirit within affectionately call him our Abba The greatest opportunity is now afforded to us to walk in loving intimacy with our Father as he raises us teaches us his ways and matures within us his divine nature of other centered love Our Father Our Teacher is a biblical exploration of how God is drawing men and women to himself in an experiential relationship of love and learning

Theosis and Forgiveness in the Gospel of Matthew Kangil Kim, 2023-10-03 In this book Kangil Kim reads the Matthean teaching of forgiveness through the framework of theosis Kim argues that theosis provides a theological lens that brings into sharper focus the meaning of forgiveness especially with respect to the dynamics of heaven and earth and of God and the human in Matthew's Gospel Forgiveness as an embodied way of life is more than following Jesus and imitating what Jesus does but one of theosis the extension of God's own power working itself out through Jesus in our lives

The Gospel According to Mark Jan Wells, 2004-08 This in depth inductive Bible study examines Mark's record of events in Christ's life and ministry and

considers the same events as presented in the other Gospels The twenty two week study looks for eternal principles to lead Christ s followers to a life of obedience and commitment It includes many questions to bring personal application from Christ s teaching through Mark s historical and biographical narrative The lessons also offer reflections in Scripture in the study of the classical spiritual disciplines to challenge students to grow in their faith as mature disciples of Christ The study provides a number of options for completing the lessons When a group is meeting weekly each student will benefit from the review discussion suggested in the accompanying leader s guide **Mimetic Criticism and the Gospel of Mark** Joel L.

Watts,2013-02-01 What if the story of Jesus was meant not just to be told but retold molded and shaped into something new something present by the Evangelist to face each new crisis The Evangelists were not recording a historical report but writing to effect a change in their community Mark was faced with the imminent destruction of his tiny community a community leaderless without Paul and Peter and who witnessed the destruction of the Temple now another messianic figure was claiming the worship rightly due to Jesus The author of the Gospel of Mark takes his stylus in hand and begins to rewrite the story of Jesus to unwrite the present rewrite the past to change the future Joel L Watts moves the Gospel of Mark to just after the destruction of the Temple sets it within Roman educational models and begins to read the ancient work afresh Watts builds upon the historical criticisms of the past but brings out a new way of reading the ancient stories of Jesus and attempts to establish the literary sources of the Evangelist Parables of Parenthood Andrew Taylor-Troutman,2014-01-22

Jesus told simple stories about common items yet his parables profoundly address our hearts and minds We offer an interpretation not only about what we read but also what we think and feel Parables of Parenthood presents modern biblical scholarship in an accessible writing style in order to model how these ancient stories continue to enrich life in the twenty first century Andrew Taylor Troutman closely analyzes each parable with deep appreciation before applying these interpretations to his life because he believes the genius of the parables offers a glimpse of the kingdom of heaven in our everyday experience By interpreting from the author s head and heart Parables of Parenthood gives new luster to well known narrative gems about sowing seeds and lost sheep through personal insights about anxiety and hope Lessons about wise builders and wicked tenants are illustrated with anecdotes about a baby s food and a grandmother s rocking chair Through interpretations of other parables moments as diverse as a beach trip and an ultrasound appointment invite movement from fear to faith Through the combination of his informed Bible study and practical life experience Taylor Troutman empowers readers to connect the teachings of Jesus to our world in comforting and challenging ways **Storied Revelations** Gisela H Kreglinger,2014-08-28 Parables were used by Jesus to reveal to us the kingdom of God and to move us from being bystanders to active recipients of God s work of revelation However parables are constantly at risk of being buried as mummies of prose as George MacDonald puts it We become so familiar with the language of Scripture that Jesus parables no longer work on us in this revelatory and transforming way George MacDonald the Victorian poet and theologian observed this very process at

work in Victorian society It was a culture saturated with Christian jargon but often devoid of a profound understanding of the gospel for its own time and culture The language of Scripture no longer penetrated people s hearts imaginations and attitudes it no longer transformed people s lives MacDonald called to be a pastor turned a story and more specifically the parabolic as a means of spiritual awakening He created fictive worlds in which the language of Jesus would find a new home and regain its revelatory power for his particular Victorian audience
