Rabbit Ears Thumbelina:

Rabbit Ears Treasury of Fairy Tales and Other Stories: Thumbelina, The Talking Eggs, The Fisherman and His Wife, The Emperor and the Nightingale , This collection of fairy tales brings together some wonderful stories Though technically well done however each somehow comes up short Although all the narrators read clearly and with some emotion the overall effect is flat In each story the pacing is almost too slow for listeners especially children who aren't following in a book and though all four narrators have lovely voices they give such modulated readings that they fail to bring their stories to life Additionally because each story is somewhat changed from the original listeners may find themselves feeling let down in fact some of the endings are quite abrupt The musical accompaniment while nicely done seems like the stories to go on and on
