Each child in this entertaining and playful story learns that they have a primary love language that when spoken by others makes them feel loved. As the five children in the story interact with Mr Chapman and the unique animals at his special zoo museum theme park birthday party palace they come to understand their own love language. Readers especially children ages 5-8 are sure to recognize their own love language as the story develops and at the end of the book is a fun quiz that will help parents and children identify their own love language. The cast of child characters in this whimsical story include Penny Peyton's twin sister who receives love best when others spend quality time with her. Mr Chapman introduces Penny to Horace a Ragdoll Cat who just wants to be with Penny. Jayla one of Penny's close friends is always saying nice things about people. Her love language is words of affirmation. Jayla's perfect pet pal is Pamela an African Grey Parrot who repeats the nice things Jayla says about others. Kevin one of Peyton's close friends enjoys giving things to people. So does his special pet Chip a Capuchin Monkey. Sofia loves to pet the animals and to show her love for others with special hugs. Physical touch is Sofia's love language. Snuggles.
