**Lies, Israel's Secret Service, and the Rabin Murder** David Morrison, 2000 The history of confessed lies from Israel's Secret Service and

its impact on the continued cover up of Prime Minister Rabin's murder Here we are blaming Yigal Amir but it is not that simple It's much deeper and more complicated Dalia Rabin Philosof Olam Ha Isha Women's World November 1999 There is nothing sacred not in the verdict nor in the findings of investigation committees Tom Segev Ha aretz October 1999 **Who Murdered Yitzhak Rabin?** Barry Chamish, 2000 Chamish has carefully reviewed both the official government position on the Rabin assassination and collected a huge amount of information connected to the event and carefully cross checked it The Israeli government's official position supported by a special government commission is that a lone gunman Amir assassinated Rabin Now learn the truth behind Prime Minister Yitzhak Rabin's assassination Read about ballistics reports and an amateur film of the assassination which was doctored to hide the truth but helps reveal it Conflicting testimonies by over a dozen witnesses including trained police personnel and bodyguards is presented on how many shots were fired and where exactly the shots came from cries that the bullets fired by Amir were blanks hence harmless came from these police and bodyguards There was little attempt to contain the shooter Amir before or after the shots were fired the chain of evidence to the guns and the bullets that reportedly killed Rabin is broken Rabin's wife was taken to secret service headquarters rather than to the hospital to her husband Autopsy reports that first indicated the fatal wound was to Rabin's chest were later changed so the bullets came from the back where Amir the convicted murderer was standing The strong possibility is that the fatal shot was administered in the car going to the hospital or in the hospital Read testimonies that changed over time from the event to the trial of Amir Chamish reviews the evidence relating to all these details and more surrounding the assassination A far more sinister truth than the official version unfolds This newly expanded edition reveals the conclusive evidence that dramatically changes one's views of the assassination **Rabin** Lea Rabin, 1997 Beginning with the brutal murder of her husband before her eyes Leah Rabin recounts in clear sighted detail the events of her forty eight years with Rabin from their dramatic courtship during service in the Palmach the elite strike force of the underground Jewish army to their marriage during the 1948 War of Independence from his ascent as a brilliant military tactician and his role as chief of staff of Israel's armed forces during the breathtaking victories of the 1967 Six Day War to his entry into political life first as Israeli ambassador to the United States then as cabinet minister to Golda Meir after the Yom Kippur War and later as Israel's sixth and then youngest prime minister in 1974 **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved *Rabin of Israel* Robert Slater, 1996 Based on years of research and extensive interviews this book explores Rabin the man statesman and the soldier It also delivers an up to the minute account of his assassination and its aftermath This balanced portrait covers Rabin's varied and controversial political career *The Last Days of Israel* Barry Chamish, 2000 Barry Chamish is changing Israel's perspective as no other journalist in his field His previous books *Who Murdered Yitzhak Rabin* *Traitors and Carpetbaggers in the Promised Land* and *Israel Betrayed* have documented Israeli leadership controlled by dangerous secretive European and American power brokers using murder to push peace down an

unwilling Israeli public's throat His research has been accepted in Israel and worldwide Chamish's Hebrew work has climbed to the top of the Israeli bestsellers lists while his editions in English Spanish French Russian and German are impacting readers on 3 continents In *The Last Days of Israel* Chamish goes farther than ever before He names names He identifies Israel's hidden enemies and shows readers who really murdered Rabin This book puts all of his previous research into highly focused perspective When widely understood this perspective has the potential of saving Israel This book is a powerful tool for Israel's defense from the cover

**WHO MURDERED YITZHAK RABIN [black and white version]** Barry Chamish,2011

The Political Psychology of Israeli Prime Ministers Yael S. Aronoff,2014-05-29 This book examines leaders of the seemingly intractable conflict between Israel and its Palestinian neighbors It takes as an intellectual target of opportunity six Israeli prime ministers asking why some of them have persisted in some hard line positions but others have opted to become peacemakers This book argues that some leaders do change and above all it explains why and how such changes come about This book goes beyond arguing simply that leaders matter by analyzing how their particular belief systems and personalities can ultimately make a difference to their country's foreign

policy especially toward a long standing enemy Although no hard liner can stand completely still in the face of important changes only those with ideologies that have specific components that act as obstacles to change and who have an orientation toward the past may need to be replaced for dramatic policy changes to take place Murder in the Name of God Michael Karpin, Ina Friedman, 1998-11-04 The first book to tell the complete explosive story of the assassination of Israeli Prime Minister Yitzhak Rabin A dramatic tale of treachery and betrayal Murder in the Name of God investigates and recreates the historic events of November 4 1995 On that night a twenty five year old student named Yigal Amir assassinated Israeli Prime Minister Yitzhak Rabin an act that abruptly changed the course of Israeli politics Based on exhaustive research including an exclusive interview with the assassin Murder in the Name of God is the first book to give the full story of the people whose words and actions made Rabin s assassination inevitable the nationalist rabbis who condemned Rabin by invoking an arcane talmudic ruling the militant settlers and right wing politicians who launched a sophisticated campaign of incitement against him and the security experts who saw what was coming but failed to act In a series of shocking revelations the book ranges beyond Israel to expose the extent of American support financial and ideological for the movement that produced Rabin s killer Far more than the tale of an assassination Murder in the Name of God is a powerful indictment of a society s failure to examine itself honestly and to bring its own worst enemies to justice The Triumph of Israel's Radical Right Ami Pedahzur, 2012-12-06 Two decades ago the idea that a radical right could capture and drive Israeli politics seemed highly improbable While it was a boisterous faction and received heavy media coverage it constituted a fringe element Yet by 2009 Israel s radical right had not only entrenched itself in mainstream Israeli politics it was dictating policy in a wide range of areas The government has essentially caved to the settlers on the West Bank and restrictions on non Jews in Israel have increased in the past few years Members of the radical right have assumed prominent positions in Israel s elite security forces The possibility of a two state solution seems more remote than ever and the emergence of ethnonationalist politician Avigdor Lieberman suggests that its power is increasing Quite simply if we want to understand the seemingly intractable situation in Israel today we need a comprehensive account of the radical right In The Triumph of Israel s Radical Right acclaimed scholar Ami Pedahzur provides an invaluable and authoritative analysis of its ascendance to the heights of Israeli politics After analyzing what exactly they believe in he explains how mainstream Israeli policies like the right of return have served as unexpected foundations for their nativism and authoritarian tendencies He then traces the right s steady rise from the first intifada to the Greater Israel movement that is so prominent today Throughout he focuses on the radical right s institutional networks and how the movement has been able to expand its constituency His closing chapter is grim yet realistic he contends that a two state solution is no longer viable and that the vision of the radical rabbi Meir Kahane who was a fringe figure while alive has triumphed The Palestine-Israeli Conflict Dan Cohn-Sherbok, Dawoud El-Alami, 2015-02-19 An updated edition of this best selling introduction to the conflict With coverage of all the recent events

the new edition of this best selling book gives a thorough and accessible account of the history behind the Palestine Israeli conflict its roots and the possibilities for the future New material outlines recent developments while an updated conclusion consists of a direct debate between the two authors which raises many issues yet offers real solutions to which future peace talks may aspire

*The ^ATriumph of Israel's Radical Right* Ami Pedahzur, 2012-10-15
