Visibly Canadian Karen Stanworth, 2014-11-01 Spectacular scientific and educational cultural practices were used to establish and define public identities in the British colonies of nineteenth century Canada In *Visibly Canadian* Karen Stanworth argues that visual representations were the era's primary mode of expressing identity and shows how the citizenry of Quebec and Ontario was or was not represented in the visual culture of the time

Through nine case studies each representing key moments of identity formation and contestation Stanworth investigates how a broad range of cultural phenomena from fine arts to institutional histories to public spectacles were used to order resist and articulate identities within specific social and economic contexts The negotiation and planning underpinning civic culture are evident in rare moments of compromise such as the surprising proposal from the Saint Jean Baptiste Society to merge their annual parade with the celebration of Queen Victoria s Diamond Jubilee in 1897 Equally astounding is the scale of nineteenth century public spectacles reenactments of Victorian scenes of war often attracted crowds of upwards of 10 000 people Illustrated with over fifty images many unseen for over a century Visibly Canadian establishes the extraordinary significance of artwork and public spectacles in cutting across language religion and class to tell stories of nationhood belonging and difference **The Fourteenth Century** Miklós Boskovits,1984 Museum Diplomacy Sarah E.K.

Smith,Sascha Priewe,2023-09-05 Museum diplomacy has come to new prominence in the contemporary moment Museums have increasingly global agendas advancing diverse international partnerships across the world Moreover they hold the potential to advance cross cultural education and foster mutual understanding at a moment when we are beset by global challenges Acknowledging the troubled histories of these institutions and their contested status Museum Diplomacy How Cultural Institutions Shape Global Engagement recognizes the pivotal contributions of museums global work while also grappling with the significant issues questions and possibilities that these activities raise The collection features examinations of museum diplomacy by fifteen leading scholars and museum practitioners These texts address global case studies that speak to museum practices related to objects collections and people and charting foundational concepts and ideas Taken as a whole the book provides contemporary examples grounded in historic context along with provocations and explorations of best practices providing points for reflection along with guidance for practitioners and scholars alike Through these wide ranging contributions Museum Diplomacy also contributes a new understanding of cultural diplomacy that recognizes the vital diplomatic work of curators museum administrators and other museum professionals as well as how these practitioners exert their own agency in ways that may or may not align with broader government and institutional agendas Ultimately Museum Diplomacy calls on the sector to rethink their perceptions of cultural diplomacy and embrace an expansive understanding of the diplomatic practitioner *Art History* W. McAllister Johnson,1990-01-01 These essays discuss major questions that should arise in courses in bibliography methodology and historiography once the survey courses are left behind **The Art and Pictorial Press in Canada** Karen McKenzie,Mary F. Williamson,Art Gallery of Ontario,1979

The Routledge Companion to Art Deco Bridget Elliott,Michael Windover,2019-06-25 Scholarly interest in Art Deco has grown rapidly over the past fifty years spanning different academic disciplines This volume provides a guide to the current state of the field of Art Deco research by highlighting past accomplishments and promising new directions Chapters are presented in five sections based on key concepts migration public culture fashion politics and Art Deco s afterlife in

heritage restoration and new media The book provides a range of perspectives on and approaches to these issues as well as to the concept of Art Deco itself It highlights the slipperiness of Art Deco yet points to its potential to shed new light on the complexities of modernity *The Practice of Her Profession* Susan Butlin,2009-03 Florence Carlyle 1864 1923 born in Galt Ontario emerged as one of the most successful Canadian artists of her time Trained in Paris she lived and worked in New York City and in Canada cultivating a career as a popular portrait and genre painter Known for her masterful use of colour Carlyle s paintings are nuanced and perceptive portrayals of feminine spaces the female figure and women s domestic work

Taking place Erin Silver,2023-02-07 Taking place examines feminist and queer alternative art spaces across Canada and the United States from the late 1960s to the present It looks at how queer and feminist artists working in the present day engage with respond to and challenge the institutions they have inherited Through a series of regional case studies the book interrogates different understandings of alternative space and the possibilities the term affords for queer and feminist artistic imaginaries
