*Race Against Death: The Greatest POW Rescue of World War II (Scholastic Focus)* Deborah Hopkinson, 2023-04-18 A thrilling account of the most daring World War II rescue mission liberating hundreds of American prisoners of war Scholastic Focus is the premier home of thoroughly researched beautifully written and thoughtfully designed works of narrative nonfiction aimed at middle grade and young adult readers These books help readers learn about the world in which they live and develop their critical thinking skills so that they may become dynamic citizens who are able to analyze and understand our past participate in essential discussions about our present and work to grow and build our future Following the bombing of Pearl Harbor America entered World War II and a new theater of battle opened up in the Pacific But US troops along with thousands of Filipino soldiers who fought alongside them were overtaken in the Philippines by a fiercely determined Japanese navy and many Americans and Filipino fighters were killed or captured These American and Filipino prisoners of war were forced to endure the most horrific conditions on the deadly trek known as the Bataan Death March Then the American servicemen who were held captive by the Japanese military in Cabanatuan Camp and others in the Philippines faced beatings starvation and tropical diseases and lived constantly under the threat of death Unable to forget their comrades fate and concerned that these POWs would be brutally murdered as the tides of war shifted in the Pacific the US Army Rangers undertook one of the most daring and dangerous rescue missions of all time Aided by the Angels of the Underground the Sixth Ranger Battalion and courageous Filipino guerrilla soldiers set out on an uncertain and treacherous assignment Often called the Great Raid this remarkable story remains largely forgotten Sibert Honor author Deborah Hopkinson presents an extraordinary and unflinching look at the heroic servicemen and women who courageously weathered the worst of circumstances and conditions in service to their country as well as those who answered the call to save their fellow soldiers
