The Legal Status and Perspectives of Ethnic Minorities in European States Magdalena Butrymowicz, 2022-03-02 The way we exist in society defines our place in its social structures and reaffirms our belonging identity and dignity Europe is a continent characterized by many internal conflicts and ongoing struggles inside societies The battlefield is society itself where state law clashes with ethnic law over the very identity of society Exploring debates from Scandinavia to Spain about the religious and political autonomy and freedom this book explains that the violation of the rights of ethnic minorities and indigenous peoples such as the Sami and Basque peoples remains a problem in Europe In addition to these political conflicts Magdalena Butrymowicz analyzes the legal and religious culture within minority ethnic structures themselves Ultimately this book raises timely questions about the balance between state control and legal autonomy for ethnic minorities across Europe advocating for a new definition of ethnic law as the right of ethnic minorities creating their legal and ethnic identity The book will interest anyone exploring the dynamic between European states and the ethnic minorities that live in them

**Windrush (1948) and Rivers of Blood (1968)** Trevor Harris, 2019-10-18 This volume looks at Britain since 1948 the year when the Empire Windrush brought a group of 492 hopeful Caribbean immigrants to the United Kingdom Post war Britain may still be the most common label attached to studies in contemporary British history but the contributors to this book believe that post Windrush Britain has an explanatory power which is equally useful The objective is to study the Windrush generation and Enoch Powell s now infamous speech not only in their original historical context but also as a key element in the political social and cultural make up of today s Britain Contributions to the book use a diversity of approaches from the lucid forward looking assessment by Trevor Phillips which opens the volume through Patrick Vernon s account of the legacy of Powell s speech in Birmingham and how it inspired him to launch a national campaign for Windrush Day to the plea from novelist and playwright Chris Hannan for a fully inclusive national conversation to help overturn deeply ingrained prejudice in all parts of our society

**The Race Controversy in American Education** Lillian Dowdell Drakeford Ph.D., 2015-07-28 In this unique two volume work expert scholars and practitioners examine race and racism in public education tackling controversial educational issues such as the school to prison pipeline charter schools school funding affirmative action and racialized curricula This work is built on the premise that recent efforts to advance color blind race neutral educational policies and reforms have not only proven ineffective in achieving racial equity and equality of educational opportunities and outcomes in America s public schools but also exacerbated existing inequalities That point is made through a collection of essays that examine the consequences of racial inequality on the school experience and success of students of color and other historically marginalized populations Addressing K 12 education and higher education in historically black as well as predominantly white institutions the work probes the impact of race and racism on education policies and reforms to determine the role schools school processes and school structures play in the perpetuation of racial

inequality in American education Each volume validates the impact of race on teaching and learning and exposes the ways in which racism manifests itself in U S schools In addition practical recommendations are presented that may be used to confront and eradicate racism in education By exposing what happens when issues of race and racism are marginalized or ignored this collection will prepare readers to resist and perhaps finally overcome the racial inequality that plagues America's schools

The Nurture Versus Biosocial Debate in Criminology Kevin M. Beaver, J.C. Barnes, Brian B. Boutwell, 2014-01-31 The Nurture Versus Biosocial Debate in Criminology On the Origins of Criminal Behavior and Criminality takes a contemporary approach to address the sociological and the biological positions of human behavior by allowing preeminent scholars in criminology to speak to the effects of each on a range of topics Kevin M Beaver J C Barnes and Brian B Boutwell aim to facilitate an open and honest debate between the more traditional criminologists who focus primarily on environmental factors and contemporary biosocial criminologists who examine the interplay between biology genetics and environmental factors

[Controversies in Minority Voting](#) Bernard N. Grofman, Chandler Davidson, 2011-01-01 Widely regarded as one of the most successful pieces of modern legislation the Voting Rights Act of 1965 has transformed the nature of minority participation and representation in the United States But with success came controversy as some scholars claim the Act has outlived its usefulness or been subverted in its aim This volume brings together leading scholars to offer a twenty five year perspective on the consequences of this landmark act The Fifteenth Amendment ratified in 1870 stated that the right of U S citizens to vote shall not be denied or abridged by the United States or by any State on account of race color or condition of previous servitude The South however virtually ignored this right disfranchising blacks through violence intimidation literacy tests and poll taxes The primary purpose of the Voting Rights Act of 1965 was to break down these barriers to minority voting Beginning with chapters covering the key provisions of the Act the book discusses the way the Act has transformed American politics and looks at the role played by major civil rights groups in lobbying for extensions and amendments to it and in insuring that its provisions would be enforced

*Promoting Risk* Robert A. Stallings, 1995-01-01 According to Stallings the earthquake threat has failed to achieve the status of a fully constructed social problem owing to the nature of the resources available to risk promoters and the strategy and tactics they have used to promote the risk of earthquakes The results of his examination of a partially constructed social problem will prove useful not only to those exploring the dynamics of the social problems process but also to those who study risk public policy making and environmental issues where risk is involved
