Going Home Jeff Lund, 2015-07-13 It doesn't matter if you're in the woods every other weekend or every other day Outdoorsman or angler are broad terms and applies to a large population However the title does not encapsulate someone who frequently engages in either Ultimately anglers hunters hikers etc are ordinary people whose lives move from anecdote to anecdote until life gets serious An outdoorsman is not immune to failure complex life decisions nor are things simpler Being on the water with a fly rod or in the alpine with a rifle does not provide answers because neither a mountain or a fish can talk However when life brings trauma a fly rod can be the best weapon with which to keep fighting Going Home is a memoir about fishing without being just about fishing It's about a man contemplating direction and his sense of home after he is jerked from his linear journey of a life spent chasing fish
