Rachels Choice:

Jesus the Radical Raymond Angelo Belliotti, 2013-10-22 Jesus the Radical The Parables and Modern Morality connects the lessons of six parables of the New Testament with philosophical issues structured around contemporary morality and the art of leading a good human life In this manner Raymond Angelo Belliotti highlights just how radical was the historical Jesus moral message and how enormous a challenge he raised to the conventional wisdom of his time More important this book demonstrates how deeply opposed is Jesus moral message to the dominant moral understandings of our time Although our conventional morality is generally profoundly influenced by Judeo Christianity several of Jesus revolutionary insights have been marginalized By imagining how our world would appear if those insights were highlighted we can perceive more clearly the people we are and the people we might become Belliotti s analysis of the parables will be of keen interest to professional philosophers theologians and educated lay people interested in the connections between religion and philosophy Rachel's Tears: 10th Anniversary Edition Beth Nimmo, Darrell Scott, Steve Rabey, 2009-02-16 I am not going to apologize for speaking the name of Jesus If I have to sacrifice everything I will Rachel Scott The Columbine tragedy in April 1999 pierced the heart of our country We later learned that the teenage killers specifically targeted Rachel Scott and mocked her Christian faith on their chilling homemade videotapes Rachel Scott died for her faith Now her parents talk about Rachel s life and how they have found meaning in their daughter s martyrdom in the aftermath of the school shooting Rachel s Tears comes from a heartfelt need to celebrate this young girl s life to work through the grief and the questions of a nation and to comfort those who have been touched by violence in our schools today Using excerpts and drawings from Rachel s own journals her parents offer a spiritual perspective on the Columbine tragedy and provide a vision of hope for preventing youth violence across the nation Meets national education standards *Rachel's Choice* Judith French, 2011-11-09 Widowed pregnant and with acres of crops to plant Rachel Irons is determined to save her farm When fate sends her an extra pair of hands in the form of a handsome rebel soldier she s willing to risk the danger of harboring the enemy And William Chancellor is willing to work her fields in return for her silence But it will take every ounce of Rachel s tenacity to remember that this gentlemanly man with the warm honey Virginia drawl is the enemy and her heart loses the battle as soon as it begins Though this man she calls Chance finds himself both moved and aroused by Rachel s strength and simple beauty his honor demands that he uphold a blood vow he made long before he ever set eyes on her But Rachel is a fighter too and giving up Chance is a surrender she vows never to make even as his presence puts her own life in peril From the Paperback edition **Too Small** Craig Biehl, 2025-03-25 In Too Small Craig Biehl tackles the claims of atheism with a blend of humour and penetrating insight exposing the overconfidence of those who claim to disprove God Biehl scrutinises their arguments demonstrating that the finite human mind cannot fathom the infinite God Through respectful yet incisive critique he reveals the inconsistencies and blind faith inherent in atheistic assertions This compelling book not only defends the Christian faith but also challenges

readers to embrace intellectual humility and the grandeur of divine revelation *Choice*, 2006 Rachel's Valentine Crush Angela Darling, 2013-12-03 When a crush goes both ways it's the sweetest thing Rachel has had a secret crush on Brody the cute sweet guy from her church choir for a while now But when Brody becomes a famous pop star and leaves school to go on tour he becomes the object of every girl's crush Rachel is happy for Brody but she's also a little heartbroken that things between them might never be the same But when Brody releases a new song about his own secret crush some of the lyrics make Rachel think that maybe just maybe Brody is singing about her Could it be Rachel is about to find out along with every other girl at school when Brody returns home on Valentine's Day to give a concert and reveal the identity of his secret crush

Values and Vaccine Refusal
Mark Navin, 2015-09-16 Parents in the US and other societies are increasingly refusing to vaccinate their children even though popular anti vaccine myths e.g. vaccines cause autism have been debunked This book explains the epistemic and moral failures that lead some parents to refuse to vaccinate their children First some parents have good reasons not to defer to the expertise of physicians and to rely instead upon their own judgments about how to care for their children Unfortunately epistemic self reliance systematically distorts beliefs in areas of inquiry in which expertise is required like vaccine immunology Second vaccine refusers and mainstream medical authorities are often committed to different values surrounding health and safety For example while vaccine advocates stress that vaccines have low rates of serious complications vaccine refusers often resist vaccination because it is unnatural and because they view vaccine preventable diseases as a natural part of childhood Finally parents who refuse vaccines rightly resist the utilitarian moral arguments for the greater good that vaccine advocates sometimes make Unfortunately vaccine refusers also sometimes embrace a pernicious hyper individualism that sanctions free riding on herd immunity and that cultivates indifference to the interpersonal and social harms that unvaccinated persons may cause

Trolleyology in Medicine Gabriel Andrade,2024-09-30 This book provides an overview of how the intricacies of the Trolley Problem shed light on various aspects of medical ethics It shows how trolley dilemmas have become useful to ethicists to the extent that they activate intuitions and provide guidance about what the relevant moral principle ought to be in judging specific actions Issues are covered at length such as euthanasia where it is important to determine a relevant difference between killing and letting die and abortion where it is necessary to establish if harms can be used as a means to an end While specialists in medical ethics have argued about these topics at length few have established connections with the complexities of trolley cases The Trolley Problem has now become a staple of pop culture and yet outside philosophy few people understand its implications Consequently this book is of interest to those with a general interest in philosophy students researchers as well as those in the healthcare industry where many of the difficult moral decisions encountered are better informed by framing them around the intricacies of the Trolley Problem
