**Rachel's Valentine Crush** Angela Darling,2013-12-03 When a crush goes both ways it s the sweetest thing Rachel has had a secret crush on Brody the cute sweet guy from her church choir for a while now But when Brody becomes a famous pop star and leaves school to go on tour he becomes the object of every girl s crush Rachel is happy for Brody but she s also a little heartbroken that things between them might never be the same But when Brody releases a new song about his own secret crush some of the lyrics make Rachel think that maybe just maybe Brody is singing about her Could it be Rachel is about to find out along with every other girl at school when Brody returns home on Valentine s Day to give a concert and reveal the identity of his secret crush *Her Lovers Revenge* Samantha Wilson,2011-11-09 This book is a hard to put down book I have had many people read it and they could NOT put it down until it was done There is something for everyone in Her Lovers revenge from killing to torture to baby being born and even a rescue So don t miss out hear what happens to Peter and Rachel in this mind blowing book **Wrappers and Revelation** H. Dale Lloyd,2008-12 'A drug in the market': being some of the songs of Zion that are not wanted Jacobus (pseud.),1884 God Delivered Me From Evil R. Kay,2015-08-07 This book is about the struggles of a young woman trying to find her way thru her parents divorce as a young child and thru her own as a adult **The Female of the Species** J. Bennett-Smith,2023-03-20 Cincinnati 1884 At a young age Rachel Haufmann the headstrong daughter of a riverboat magnate learns the hard way that life isn t fair particularly if you re born female Her father exiles the man she loves She comes to resent the boundaries that society places on her gender Then a charismatic riverboat pilot teaches her the unwelcome lesson that as a woman of means she is little more than prey to ambitious men Rachel flees to England with no intention of ever coming back But five years later when her father is murdered the embittered Rachel returns to Cincinnati to confront those she left behind and to wrestle with the emotionally scarred woman she has become *Rachel's Challenge* Jeff Keuss,Lia Sloth,2006-05 Presents the true story of how one Columbine student led a life of courage generosity and unshakeable faith and teaches young readers the importance of practicing compassion and simple acts of kindness *The Dublin Journal of Temperance, Science, and Literature. ...* ,1843 **Sunshine, conducted by W.M. Whittemore [and others].** William Meynell Whittemore,1875 **Writing and Identity** Roz Ivani?,1998-03-15 Writing is not just about conveying content but also about the representation of self One of the reasons people find writing difficult is that they do not feel comfortable with the me they are portraying in their writing Academic writing in particular often poses a conflict of identity for students in higher education because the self which is inscribed in academic discourse feels alien to them The main claim of this book is that writing is an act of identity in which people align themselves with socio culturally shaped subject positions and thereby play their part in reproducing or challenging dominant practices and discourses and the values beliefs and interests which they embody The first part of the book reviews recent understandings of social identity of the discursal construction of identity of literacy and identity and of

issues of identity in research on academic writing The main part of the book is based on a collaborative research project about writing and identity with mature age students providing a case study of one writer's dilemmas over the presentation of self a discussion of the way in which writers' life histories shape their presentation of self in writing an interview based study of issues of ownership and of accommodation and resistance to conventions for the presentation of self linguistic analysis of the ways in which multiple often contradictory interests values beliefs and practices are inscribed in discourse conventions which set up a range of possibilities for selfhood for writers The book ends with implications of the study for research on writing and identity and for the learning and teaching of academic writing The book will be of interest to students and researchers in the fields of social identity literacy discourse analysis rhetoric and composition studies and to all those concerned to understand what is involved in academic writing in order to provide wider access to higher education

**The Martyrs of Columbine** Justin Watson,2002-11-09 On April 20 1999 Eric Harris and Dylan Klebold killed 12 fellow students and one teacher at Columbine High School in Littleton Colorado Two of the victims of the Columbine massacre Cassie Bernall and Rachel Scott reportedly were asked by the gunmen if they believed in God Both allegedly answered Yes and were killed Within days of their death Cassie and Rachel were hailed as modern day Christian martyrs and became useful symbols for those seeking to advance a conservative political agenda According to police investigators however Cassie and Rachel may never have been asked by their killers about God they simply may have been victims of a senseless crime rather than martyrs to a cause As the religious and political use of Cassie and Rachel continues **The Martyrs of Columbine** provides a careful examination of the available evidence and attempts to discover what really occurred
