Racial Erotic Peculiarities And Love Arts:

Racial Erotic Peculiarities and Love Arts Iwan Bloch, Keene Wallis, 2005-12 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work.

Anthropological Studies on the Strange Sexual Practices of All Races and All Ages Iwan Bloch, 2001-06 The celebrated compendium of sexual oddities, a no-holds-barred treatment of sexual practices throughout the world and throughout time. The work makes excellent reading, though it may be criticized for lacking any substantial synthesis of its components and for being unsympathetic to homosexuals and masturbators. Iwan Bloch (1872-1922), the father of sexual science, took his medical degree from Würzburg in 1896 and soon published his *Ursprung der Syphilis* (1901), which made him the foremost exponent of the so-called *Morbus Americanus* theory that syphilis originated in America. His *Beiträge zur Ätiologie der Psychopathia Sexualis* was an important follow-up of Krafft-Ebing, and several other works brought him recognition as a pioneer sexologist. Book jacket

Eroticism, Spirituality, and Resistance in Black Women's Writings Donna Aza Weir-Soley, 2017-06-13 Provocative articulates the importance of embodied erotic spirituality to black female subjectivity and empowerment. *Tulsa Studies in Women's Literature* Sets out to reclaim the right of black women to their sexual and erotic expression untainted by the stereotypes and disparagements that have historically confined them. *African American Review* Captures one of the most challenging concerns of scholars who engage black women's literature, culture, and theory: the ongoing quest to locate a form of black female sexual agency that neither withers in the chilly lake of sexual repression nor explodes in the heat of hypersexual stereotypes. *MELUS Journal of the Society for the Study of the Multi-Ethnic Literature of the United States* Successfully undertakes an analysis of how black women writers have used overlapping narrative depictions of sexuality and spirituality to recast the denigrated black female body and rewrite an empowered and fully actualized black female subject. Candice M. Jenkins, author of *Private Lives: Proper Relations, Regulating Black Intimacy*. Weir-Soley speaks with an authority that comes from real knowledge of investment in and attention to the details of the African cosmologies and textual complexities she unearths. Carine Mardorossian, SUNY Buffalo. The most original and significant contributions are the often brilliant readings of Morrison, Adisa, and Danticat. The work is riveting both methodologically and critically. Leslie Sanders, York University. Western European mythology and history tend to view spirituality and sexuality as opposite extremes. But sex can be more than a function of the body and religion more than a function of the mind, as exemplified in the works and characters of such writers as Zora Neale Hurston, Toni Morrison, Opal Palmer Adisa, and Edwidge Danticat. Donna Weir-Soley builds on the work of previous scholars who have identified the ways that black women's narratives often contain a form of spirituality rooted in African cosmology, which consistently grounds

their characters self empowerment and quest for autonomy What she adds to the discussion is an emphasis on the importance of sexuality in the development of black female subjectivity beginning with Hurston s *Their Eyes Were Watching God* and continuing into contemporary black women s writings Writing in a clear lucid and straightforward style Weir Soley supports her thesis with close readings of various texts including Hurston s *Their Eyes Were Watching God* and Morrison s *Beloved* She reveals how these writers highlight the interplay between the spiritual and the sexual through religious symbols found in Voudoun Santeria Condomble Kumina and Hoodoo Her arguments are particularly persuasive in proposing an alternative model for black female subjectivity

La Chicana Alfredo Mirandé, Evangelina Enríquez, 1981-03-15 *La Chicana* is the story of a marginal group in society neither fully Mexican or fully American who suffer under triple oppression as women as members of a colonized culture and as victims of a cultural heritage dominated by the cult of machismo Tracing the role of Chicanas from pre Columbian society to the present the authors reveal the antecedents and roots of contemporary cultural expectations in Aztec colonial and revolutionary Mexican historical periods A discussion of the contribution of modern Chicanas to their community and to feminism and a look at literary stereotypes and the emergence of Chicana literature to counter them round out this perceptive and sympathetic analysis

The Persistence of Race Lara Day, Oliver Haag, 2017-10-01 Race in 20th century German history is an inescapable topic one that has been defined overwhelmingly by the narratives of degeneracy that prefigured the Nuremberg Laws and death camps of the Third Reich As the contributions to this innovative volume show however German society produced a much more complex variety of racial representations over the first part of the century Here historians explore the hateful depictions of the Nazi period alongside idealized images of African Pacific and Australian indigenous peoples demonstrating both the remarkable fixity race had as an object of fascination for German society as well as the conceptual plasticity it exhibited through several historical eras

Race, Manhood, and Modernism in America Mark Whalan, 2007 Narrative gender and history in Winesburg Ohio Sherwood Anderson and primitivism Double dealing in the South Waldo Frank Sherwood Anderson Jean Toomer and the ethnography of region Things are so immediate in Georgia articulating the South in Cane Cane body technologies and genealogy Cane audience and form

Art And The Committed Eye Richard Leppert, 2019-04-05 In *Art and the Committed Eye* Richard Leppert examines Western European and American art from the fifteenth to the twentieth century He studies the complex relation between the look of images and the variety of social and cultural uses to which they are put and demonstrates that the meaning of any image is significantly determined by its function which changes over time In particular he emphasizes the ways in which visual culture is called on to mediate social differences defined by gender class and race In Leppert addresses the nature and task of representation discussing how meaning accrues to images and what role vision and visuality play in the history of modernity Here he explains imagery s power to attract our gaze by triggering desire and focuses on the long history of the use of representation to enact a deception whether in painting or advertising explores art s relation to the

material world to the ways in which images mark our various physical and psychic ties to objects The author analyzes still life paintings whose subject matter is both extraordinarily diverse and deeply paradoxical from flower bouquets to grotesque formal arrangements of human body parts Leppert demonstrates that even in innocent still lifes formal design and technical execution are imbued with cultural conflict and social power is devoted to the representation of the human body as subject to obsessive gazing and as an object of display spectacle and transgression The variety of body representation is enormous pleased or tortured gorgeous or monstrous modest or lascivious powerful or weak in the bloom of life or under the anatomist's knife clothed or naked But it is the sexual body Leppert shows that has provided the West with its richest most complex contradictory conflicted and paradoxical accounts of human identity in relation to social ideals **Wanderers** David Brown

Morris, 2021-12-24 This book introduces the idea and experience of wandering as reflected in cultural texts from popular songs to philosophical analysis providing both a fascinating informal history and a necessary vantage point for understanding in our era the emergence of new wanderers Wanderers offers a fast paced wide ranging and compelling introduction to this significant and recurrent theme in literary history David Brown Morris argues that wandering as a primal and recurrent human experience is basic to the understanding of certain literary texts In turn certain prominent literary and cultural texts from Paradise Lost to pop songs from Wordsworth to the blues from the Wandering Jew to the film Nomadland demonstrate how representations of wandering have changed across cultures times and genres Wanderers provides an initial overview necessary to grasp the importance of wandering both as a perennial human experience and as a changing historical event including contemporary forms such as homelessness and climate migration that make urgent claims upon us Wanderers takes you on a thoroughly enjoyable and informative stroll through a significant concept that will be of interest to those studying or researching literature cultural studies and philosophy **Entertaining Race** Michael Eric Dyson, 2021-11-02

From the New York Times bestselling author of Tears We Cannot Stop Entertaining Race is a splendid way to spend quality time reading one of the most remarkable thinkers in America today Speaker Nancy Pelosi To read Entertaining Race is to encounter the life long vocation of a teacher who preaches a preacher who teaches and an activist who cannot rest until all are set free Senator Reverend Raphael Warnock For more than thirty years Michael Eric Dyson has played a prominent role in the nation as a public intellectual university professor cultural critic social activist and ordained Baptist minister He has presented a rich and resourceful set of ideas about American history and culture Now for the first time he brings together the various components of his multihued identity and eclectic pursuits Entertaining Race is a testament to Dyson's consistent celebration of the outsized impact of African American culture and politics on this country Black people were forced to entertain white people in slavery have been forced to entertain the idea of race from the start and must find entertaining ways to make race an object of national conversation Dyson's career embodies these and other ways of performing Blackness and in these pages ranging from 1991 to the present he entertains race with his pen voice and body and occasionally

alongside luminaries like Cornel West David Blight Ibram X Kendi Master P MC Lyte Ta Nehisi Coates Alicia Garza John McWhorter and Jordan Peterson Most of this work will be new to readers a fresh light for many of his long time fans and an inspiring introduction for newcomers Entertaining Race offers a compelling vision from the mind and heart of one of America's most important and enduring voices

The Rhetoric of English India Sara Suleri Goodyear, 1992 Tracing a genealogy of colonial discourse Suleri focuses on paradigmatic moments in the multiple stories generated by the British colonization of the Indian subcontinent Both the literature of imperialism and its postcolonial aftermath emerge here as a series of guilty transactions between two cultures that are equally evasive and uncertain of their own authority A dense witty and richly allusive book an extremely valuable contribution to postcolonial cultural studies as well as to the whole area of literary criticism Jean Sudrann Choice

"Orientalism, Eroticism and Modern Visuality in Global Cultures " Julie Codell, 2017-07-05 In Orientalism Eroticism and Modern Visuality in Global Cultures scholars look afresh at representations of nineteenth century oriental bodies inquiring deeply into their erotic dimensions tracing their global dissemination at cross cultural intersections of the visual and the political Authors consider the impact of eroticized orientalist representations registered on racial and gendered bodies at historical moments across the globe in the media of photography painting prints and sculpture by contextualizing the visual within social practices ethnography literature travel writing and the dynamics of imperialism Authors examine orientalism's politico erotic import across not only imperial Britain and France but also throughout India and the Middle East initiating cross cultural analyses of orientalism outside of Europe Works studied include Orientalist and homoerotic works by canonic artists such as Ingres G me Delacroix and Girodet and lesser known artists such as sculptor Raffaele Monti and painter Elisabeth Jerichau Baumann Contributors explore Turkish and European writings explorer Richard Burton's self fashioning and popular Orientalist photography in India and the Middle East Authors draw on methods from gender studies semiotics material culture and psychoanalysis to explore art national identity homoerotic subcultures female agency class sexuality and colonialism The book is directed to interdisciplinary scholars and students in art history literature history and postcolonial studies

Zilia Sánchez Vesela Sretenovic,2019-02-19 A beautifully produced comprehensive look at Cuban artist Zilia Sánchez that traces her alluring and evocative paintings and sculpture from the 1950s to today Cuban artist Zilia Sánchez b 1926 often says Soy isla I am an island expressing her desire for solitary uncompromising practice It also serves as a metaphor for her experience as an islander connected to and disconnected from both the mainland and mainstream art currents such as concretism gestural abstraction and minimalism Characterized by reductive forms clean lines and sensuous curves suggestive of the female body Sánchez's work frequently references protagonists from ancient mythology and lunar motifs while embracing ambiguity This groundbreaking volume examines her paintings sculptures works on paper and graphic illustrations together with archival ephemera It traces Sánchez's artistic journey from her early years in Cuba through her travels in Europe and residence in New York in the 1960s to her move to Puerto Rico where she still lives and works With spectacular illustrations of more than 75 artworks insightful essays situating Sánchez within the context of global modernism and a conversation with the artist this is the most comprehensive publication on Sánchez's art to date

With Fists Raised Tru Leverette,2021-05-01 There are deep black nationalist roots for many of the images and ideologies of contemporary racial justice efforts This collection reconsiders the Black Aesthetic and the revolutionary art of the Black Arts Movement BAM forging connections between the recent past and

contemporary social justice activism Focusing on black literary and visual art of the Black Arts Movement this collection highlights artists whose work diverged from narrow definitions of the Black Aesthetic and black nationalism Adding to the reanimation of discourses surrounding BAM this collection comes at a time when today's racial justice efforts are mining earlier eras for their iconography ideology and implementation As numerous contemporary activists ground their work in the legacies of mid twentieth century activism and adopt many of the grassroots techniques it fostered this collection remembers and re envisions the art that both supported and shaped that earlier era It furthers contemporary conversations by exploring BAM's implications for cultural and literary studies and its legacy for current social justice work and the multiple arts that support it Post-Popular Cultures and Digital Capitalism in Latin America Pablo Alabarces,Néstor García

Canclini,2024-03-08 In this book renowned Latin American intellectuals Pablo Alabarces and Néstor García Canclini bring us up to date on the changes in the status and role of the popular classes in Latin American democracies over the past two decades Building on decades long research and experience in the field of cultural studies the authors ask how the digitalization and economization of society are changing the reality of political participation and social inequality in Latin America and beyond leading to new forms of economic and cultural marginalization García Canclini focuses on the rapid digitalization of our society and economies ruminating over the future of political participation and democracy in the coming age of algorithms transnationalization and social precarity for growing swaths of the population By contrast Alabarces focuses on the disintegration and commodification of popular cultures throughout Latin America in the last two decades and discusses the consequences on democratic projects in the region Both pieces approach the question of how democratic projects on a local regional national and transnational level can deal with galloping social disintegration and accelerating political discontent as an increasing number of people within the course of this digital revolution gain voice all this against the authoritarian or technocratic alternatives that have been gaining ground again The introduction by Sarah Corona contextualizes the contributions and their authors in the academic and political debate She connects their focus on popular cultures to broader questions regarding the future of nation states and democracies facing multiple crises in the region and beyond Post Popular Cultures and Digital Capitalism in Latin America will be of interest to researchers and postgraduate students in political science sociology and cultural studies looking to freshen their views as well as develop an understanding of the Global South's perspective on current global issues

Religion, the Body, and Sexuality Nina Hoel,Melissa Wilcox,Liz Wilson,2020-09-10 How does religion relate to bodies and sexualities Many people would answer simply through repression but the relationship is much more complicated than that While many religions draw boundaries between what they consider to be appropriate and inappropriate use of the human body especially in the realm of sexuality the same religions often celebrate human sexuality and even expect sexual partners to provide each other with sexual pleasure Celibacy too is more than just repression and sometimes it is even seen as providing the practitioner with great spiritual power in other settings

the sex act itself is understood to provide this power Religion the Body and Sexuality offers students and general readers a sophisticated and accessible exploration of the connections between religion sexuality and the body through case studies and overviews in the following thematic chapters Celibacy Regulation Controversy Violence Innovation Instrumentalization Ecstasy Each chapter includes suggestions for further reading questions for further thought and a list of relevant media resources This engaging book is an excellent addition to introductory courses on religion or sexuality and is a much needed new volume for advanced courses on the intersections of these areas of human experience
