Institutional Failures Howard M. Wasserman,2016-05-23 The authors of this new collection argue that the many features of the now infamous Duke University men s lacrosse controversy are best understood in the context of the three major socio legal institutions in which the drama played out The legal system Duke University and the news media all struggled to respond to and handle the case tinged as the events were with race sex violence class privilege and notions and perceptions about sports The problems missteps mistakes and injustice in the case resulted from each institution s failure to operate properly from the incentives built into each institution that affected individual behavior and from the inability of each institution to communicate and cooperate with the others To understand the Duke lacrosse controversy is to study these institutions and to answer questions about the performance of each to learn

what each did right and wrong and why and to consider how each can improve in the future By examining the actions of these institutions and the individuals within them these essays consider the role each played in the case how each contributed to the crisis and to its resolution the ways in which they interacted with one another and the lessons this case teaches about the appropriate functioning of each institution

American Liberalism John McGowan, 2007-10-22 Americans live in a liberal democracy Yet although democracy is widely touted today liberalism is scorned by both the right and the left The United States stands poised between its liberal democratic tradition and the illiberal alternatives of liberalism s critics John McGowan argues that Americans should think twice before jettisoning the liberalism that guided American politics from James Madison to the New Deal and the Great Society In an engaging and informative discussion McGowan offers a ringing endorsement of American liberalism s basic principles values and commitments He identifies five tenets of liberalism a commitment to liberty and equality trust in a constitutionally established rule of law a conviction that modern societies are irreducibly plural the promotion of a diverse civil society and a reliance on public debate and deliberation to influence others opinions and actions McGowan explains how America s founders rejected the simplistic notion that government or society is necessarily oppressive They were however acutely aware of the danger of tyranny The liberalism of the founders distributed power widely in order to limit the power any one entity could exercise over others Their aim was to provide for all an effective freedom that combined the right to self determination with the ability to achieve one s self chosen goals In tracing this history McGowan offers a clear vision of liberalism s foundational values as America s best guarantee today of liberty and the peace in which to exercise it

Racism without Racists Eduardo Bonilla-Silva, 2021-12-09 Eduardo Bonilla Silva s acclaimed Racism without Racists examines in detail how Whites talk think and account for the existence of racial inequality and makes clear that color blind racism is as insidious now as ever The sixth edition of this provocative book includes new

material on systemic racism and how color blind racism framed many issues during the COVID 19 pandemic A revised conclusion addresses what readers can do to confront racism both personally and on a larger structural level New to this edition New Chapter 2 What is Systemic Racism Coming to Terms with How Racism Shapes All Whites and Non Whites explains how all members of society participate in structural racism New Chapter 10 Color Blind Racism in Pandemic Times provides coverage of racial disparities in mortality the role of essential workers and hunger during the pandemic particularly how public discourse did not reflect how these problems are worse for communities of color Updated discussion of police surveillance and violence reflects the current salience of police brutality in the U S and enhances the conversation on suave racial discrimination Chapter 3 Addresses the question What is to be done and offers White people ideas on what they can do to change themselves Chapter 11
