Racial Situations:

Racial Situations John Hartigan Jr., 2020-10-06 *Racial Situations* challenges perspectives on race that rely upon oft repeated claims that race is culturally constructed and hence simply false and distorting John Hartigan asserts instead that we need to explain how race is experienced by people as a daily reality His starting point is the lives of white people in Detroit As a distinct minority whites in this city can rarely assume they are racially unmarked and normative privileges generally associated with whiteness Hartigan conveys their attempts to make sense of how race matters in their lives and in Detroit generally Rather than compiling a generic sampling of white views Hartigan develops an ethnographic account of whites in three distinct neighborhoods an inner city underclass area an adjacent debatably gentrifying community and a working class neighborhood bordering one of the city s wealthy suburbs In tracking how racial tensions develop or become defused in each of these sites Hartigan argues that whites do not articulate their racial identity strictly in relation to a symbolic figure of black Otherness He demonstrates instead that intraracial class distinctions are critical in whites determinations of when and how race matters In each community the author charts a series of names hillbilly gentrifier and racist which whites use to make distinctions among themselves He shows how these terms function in everyday discourses that reflect the racial consciousness of the communities and establish boundaries of status and privilege among whites in these areas

Racial Situations John Hartigan Jr., John Hartigan, 1999-10-24 *Racial Situations* challenges perspectives on race that rely upon oft repeated claims that race is culturally constructed and hence simply false and distorting John Hartigan asserts instead that we need to explain how race is experienced by people as a daily reality His starting point is the lives of white people in Detroit As a distinct minority whites in this city can rarely assume they are racially unmarked and normative privileges generally associated with whiteness Hartigan conveys their attempts to make sense of how race matters in their lives and in Detroit generally Rather than compiling a generic sampling of white views Hartigan develops an ethnographic account of whites in three distinct neighborhoods an inner city underclass area an adjacent debatably gentrifying community and a working class neighborhood bordering one of the city s wealthy suburbs In tracking how racial tensions develop or become defused in each of these sites Hartigan argues that whites do not articulate their racial identity strictly in relation to a symbolic figure of black Otherness He demonstrates instead that intraracial class distinctions are critical in whites determinations of when and how race matters In each community the author charts a series of names hillbilly gentrifier and racist which whites use to make distinctions among themselves He shows how these terms function in everyday discourses that reflect the racial consciousness of the communities and establish boundaries of status and privilege among whites in these areas

Racial Situations John Hartigan, 1999 *Racial Situations* challenges perspectives on race that rely upon oft repeated claims that race is culturally constructed and hence simply false and distorting John Hartigan asserts instead that we need to explain how race is experienced by people as a daily reality His starting point is the lives of white

people in Detroit As a distinct minority whites in this city can rarely assume they are racially unmarked and normative privileges generally associated with whiteness Hartigan conveys their attempts to make sense of how race matters in their lives and in Detroit generally Rather than compiling a generic sampling of white views Hartigan develops an ethnographic account of whites in three distinct neighborhoods an inner city underclass area an adjacent debatably gentrifying community and a working class neighborhood bordering one of the city s wealthy suburbs In tracking how racial tensions develop or become defused in each of these sites Hartigan argues that whites do not articulate their racial identity strictly in relation to a symbolic figure of black Otherness He demonstrates instead that intraracial class distinctions are critical in whites determinations of when and how race matters In each community the author charts a series of names hillbilly gentrifier and racist which whites use to make distinctions among themselves He shows how these terms function in everyday discourses that reflect the racial consciousness of the communities and establish boundaries of status and privilege among whites in these areas

Racial Trauma in Black Clients Jennifer R. Jones-Damis,Kelly N. Moore,2025-01-24 Understanding and addressing the impact of racial trauma is vital for providing culturally responsive trauma informed care This book explores how racial stressors affect all aspects of Black clients lives and offers powerful ways to support healing Therapists and counselors will gain tools for approaching rather than avoiding the topic of race in individual therapy and in family school and community contexts The book discusses how to incorporate aspects of racial trauma into assessment and case conceptualization validate clients pain as well as their strengths and adapt evidence based treatments to overcome cultural gaps It presents extensive case examples dos and don ts and self care strategies for therapists of any background Instructive features include end of chapter takeaway points bolded key terms and an end of book glossary *McClure's Magazine ...*

,1922 *Student Engagement in Higher Education* Stephen John Quaye,Shaun R. Harper,2014-08-15 Student Engagement in Higher Education fills a longstanding void in the higher education and student affairs literature In the fully revised and updated edition of this important volume the editors and chapter contributors explore how diverse populations of students experience college differently and encounter group specific barriers to success Informed by relevant theories each chapter focuses on engaging a different student population including low income students students of color international students students with disabilities LGBT students religious minority students student athletes homeless students transfer students commuter and part time students adult learners student veterans and graduate students The forward thinking practical strategies offered throughout the book are based on research and the collected professional wisdom of experienced educators and scholars at two year and four year institutions of higher education Current and future faculty administrators and student affairs staff will undoubtedly find this book complete with fresh ideas to reverse troubling engagement trends among various college student populations

The Impact of Globalization on the United States Michelle Bertho,Beverly Crawford,Edward A. Fogarty,2008-09-30 Over the past decade a virtual cottage industry has arisen to

produce books and articles describing the nature origins and impact of globalization Largely and surprisingly absent from this literature however has been extensive discussion of how globalization is affecting the United States itself Indeed it is rarely even acknowledged that while the United States may be providing a crucial impetus to globalization the process of globalization once set in motion has become a force unto itself Thus globalization has its own logic and demands that are having a profound impact within the United States often in ways that are unanticipated This set offers the first in depth systematic effort at assessing the United States not as a globalizing force but as a nation being transformed by globalization Among the topics studied are globalization in the form of intensified international linkages globalization as a universalizing and or Westernizing force globalization in the form of liberalized flows of trade capital and labor and globalization as a force for the creation of transnational and superterritorial entities and allegiances These volumes examine how each of these facets of globalization affects American government law business economy society and culture *Black World/Negro Digest*, 1972-11 Founded in 1943 Negro Digest later Black World was the publication that launched Johnson Publishing During the most turbulent years of the civil rights movement Negro Digest Black World served as a critical vehicle for political thought for supporters of the movement Below the Surface Deborah Rivas-Drake, Adriana Umaña-Taylor, 2021-06-08 A guide to the latest research on how young people can develop positive ethnic racial identities and strong interracial relations Today s young people are growing up in an increasingly ethnically and racially diverse society How do we help them navigate this world productively given some of the seemingly intractable conflicts we constantly hear about In Below the Surface Deborah Rivas Drake and Adriana Uma a Taylor explore the latest research in ethnic and racial identity and interracial relations among diverse youth in the United States Drawing from multiple disciplines including developmental psychology social psychology education and sociology the authors demonstrate that young people can have a strong ethnic racial identity and still view other groups positively and that in fact possessing a solid ethnic racial identity makes it possible to have a more genuine understanding of other groups During adolescence teens reexamine redefine and consolidate their ethnic racial identities in the context of family schools peers communities and the media The authors explore each of these areas and the ways that ideas of ethnicity and race are implicitly and explicitly taught They provide convincing evidence that all young people ethnic majority and minority alike benefit from engaging in meaningful dialogues about race and ethnicity with caring adults in their lives which help them build a better perspective about their identity and a foundation for engaging in positive relationships with those who are different from them Timely and accessible Below the Surface is an ideal resource for parents teachers educators school administrators clergy and all who want to help young people navigate their growth and development successfully *It'S Not Always Racist ... but Sometimes It Is* Dionne Wright Poulton Ph.D., 2014-04-14 Not all incidents related to race should be considered instances of racism And not all people who make comments about race are racists In *Its Not Always Racist but Sometimes It Is* author Dionne Wright Poulton PhD argues that society misuses these

terms racism and racist and that this misuse of language damages society She advocates engaging in ongoing open and honest dialogue Through this discussion Dr Poulton shows why the United States continues to have problems with race She teaches specific tools and language to help you critically analyze situations that happen in your everyday life and in society affording you the opportunity to insightfully break down each situation into its simplest form and to make sense of it Its Not Always Racist but Sometimes It Is offers solutions and practical advice on how to repair the damage done through racism and prevent further harm It creates a space for genuine dialogue on race racism and racial bias

Political Languages of Race and the Politics of Exclusion Andy R. Brown, 2018-08-16 First published in 1999 Political Languages of Race and the Politics of Exclusion examines the post race signification logic of languages used to promote and achieve the exclusion and stigmatisation of migrant groups within post war Britain Re examining the time of Smethwick and Powellism as well as extensive Parliamentary debates this book develops an original thesis to show how Backbench racism became legitimated as Frontbench commonsense The book argues that the achievement of the success of post war Parliamentary racism has been made possible by the development of a ubiquitously anecdotal narrative of the travails of the Forgotten Englishman awoken to a multi cultural nightmare in Britain s decaying inner cities While the concept of race has remained under erasure the logic of post race signification discourse has allowed the re making of racism in public Britain

Odd Tribes John Hartigan Jr., 2005-11-14 An ethnographic and theoretical account of the construction of whiteness through the study of the lives of white working class Americans

Race and Democracy in the Americas Georgia A. Persons, 2018-12-07

Race and Democracy in the Americas examines dimensions of the comparative dynamics of race and ethnicity with a directed focus on the Americas most particularly Brazil and the United States Brazil and the United States are two countries in the Americas that have been major hosts for the African diaspora Both countries experienced prolonged enslavement of Africans and both now claim to be beacons of democracy for much of the developing world Both Afro Brazilians and African Americans have fielded major liberation movements against racism and oppression yet both groups continue to experience considerable residual racial discrimination and displacement Brazil and the U S remain racialized societies though both officially purport to be otherwise The chapters of this volume illuminate a common search for understanding how race operates in societies generally and how shapes life opportunities for African Americans and Afro Brazilians both oppressed by this most detrimental social construction The project that fueled this volume represented a rare opportunity for collaboration between Afro Brazilian scholars and their African American counterparts This volume offers a passionate conversation between colleagues who have endured common sociopolitical and cultural struggles but who have only belatedly been able to meet and connect as individuals Both groups share identities as scholars and activists for neither identity alone is sufficient to nourish the longings of their hearts nor of their consciences This volume also represents an all too rare opportunity to give

voice and expression to the work of Afro Brazilian scholars Volume 9 of the National Political Science Review also carries a special tribute to Mack Henry Jones a senior black political scientist retiring from Atlanta University and honors Jones s legacy and continues his quest for understanding the nature and intricacies of oppression and possible paths to liberatio

Youths in Challenging Situations Charalambos Tsekeris,Lily Stylianoudi,2018-08-30 This book investigates and explores the complex dynamics of youth in contemporary society especially in troubled and crisis ridden contexts On the one hand teenagers and young adults experience social suffering marginalisation gender and ethnic bias and an increased risk to be radicalised and involved in extremism and related violence On the other hand it is shown that young people are resilient and they have a remarkable ability to adapt and cope with extremely difficult situations This interesting ambivalence is vividly illustrated by a number of studies in countries as varied as Ethiopia Zambia South Africa Botswana Brazil Hong Kong Kuwait India Israel Britain Italy Malta Spain Portugal and Cyprus Each of the 16 chapters throws a different light on the impact of destabilising circumstances and how youths cope with them in order to gain positive self esteem and sense of a meaningful life Overall the experiences of young people are a distillation of the particular traumas and challenges that their society faces Understanding those experiences and how they are coped with helps to make sense of all societies This book was originally published as a special issue of Contemporary Social Science

Critical Han Studies Thomas Mullaney,James Patrick Leibold,Stéphane Gros,Eric Armand Vanden Bussche,2012-02-15 Constituting over ninety percent of China s population Han is not only the largest ethnonational group in that country but also one of the largest categories of human identity in world history In this pathbreaking volume a multidisciplinary group of scholars examine this ambiguous identity one that shares features with but cannot be subsumed under existing notions of ethnicity culture race nationality and civilization

The Sociology of Race Relations Thomas F. Pettigrew,1980-03 These readings chronicle the triumphs and failures of race relations in our nation unfolding the tensions and struggles of racial conflict through the analyses of sociologists writing since the late nineteenth century The forty five articles gathered here are drawn from four of the most respected journals in the field American Journal of Sociology American Sociological Review Social Forces and Social Problems Together they document the problem of the color line providing for various eras the contemporary rationale for the status quo as well as farsighted calls for change Thus the readings reveal how sociological thought reflected racial tensions in this century while simultaneously serving as a force for reform The Sociology of Race Relations covers seven historical periods each introduced by an incisive discussion of the racial

milieu of the time It begins with the era of Jim Crow laws and the great black migration from the South and proceeds to the reappearance of the Ku Klux Klan in the 20s the Depression years the Japanese American internment during the Second World War the deceptively quiet 50s that culminated in the civil rights movement of the 60s It concludes with a look at desegregation in the 70s the aftermath of the policies of the preceding decade Although the majority of selections deal with the problems of black Americans articles on Mexican Americans and Japanese Americans as well as on prejudice in general broaden the scope of the book The editor's introduction places the entire volume in historical and sociological context A time capsule for viewing race relations and the development of sociological understanding of race relations The Sociology of Race Relations illustrates two of the discipline's major contributions to American life its ability to heighten our sensitivity to unnoticed relationships and to debunk simplistic beliefs

Perspectives on Diversity, Equity, and Social Justice in Educational Leadership Ashraf Esmail, Abul Pitre, Antonette Aragon, 2017-03-08 Perspectives on Diversity Equity and Social Justice in Educational Leadership provides educational leaders with practical steps for implementing multicultural education into schools Drawing from multicultural scholars like James Bank's it equips educational leaders with the knowledge skills and dispositions to ensure that schools provide all students with equal educational opportunities Concepts such as culturally responsive leadership transformative leadership and restorative justice are discussed throughout the book

Unveiling the Magic of Words: A Report on "**Racial Situations**"
