Racial Theories in Fascist Italy Aaron Gillette, 2003-08-29 *Racial Theories in Fascist Italy* examines the role played by race and racism in the development of Italian identity during the fascist period The book examines the struggle between Mussolini the fascist hierarchy scientists and others in formulating a racial persona that would gain wide acceptance in Italy This book will be of interest to historians political scientists concerned with the development of fascism and scholars of race and racism [Theories of Race and Racism](#) Les Back, John Solomos, 2020-08-14 *Theories of Race and Racism A Reader* is an important and innovative collection that brings together extracts from the work of scholars both established and up and coming who have helped to shape the study of race and racism as an historical and contemporary phenomenon This second edition incorporates new contributions and editorial material and allows readers to explore the changing terms of debates about the nature of race and racism in contemporary societies All six parts are organized around the contributions made by theorists whose work has been influential in shaping theoretical debates The various contributions have been chosen to reflect different theoretical perspectives and to help readers gain a feel for the changing terms of theoretical debate over time As well as covering the main concerns of past and recent theoretical debates it provides a glimpse of relatively new areas of interest that are likely to

attract more attention in years to come Theories of Race and Ethnicity Karim Murji, John Solomos, 2015-01-08 An authoritative and cutting edge collection of theoretically grounded and empirically informed essays exploring the contemporary terrain of race and racism **Theories of Race and Ethnicity** Karim Murji, John Solomos, 2014-12-31 How have research agendas on race and ethnic relations changed over the past two decades and what new developments have emerged Theories of Race and Ethnicity provides a comprehensive and cutting edge collection of theoretically grounded and empirically informed essays It covers a range of key issues in race and ethnicity studies such as genetics and race post race debates racial eliminativism and the legacy of Barack Obama and mixed race identities The contributions are by leading writers on a range of perspectives employed in studying ethnicity and race including critical race feminism critical rationalism psychoanalysis performativity whiteness studies and sexuality Written in an authoritative yet accessible style this volume is suitable for researchers and advanced students offering scholars a survey of the state of the art in the literature and students an overview of the field **Race and Racism in Theory and Practice** Berel Lang, 2000 This collection of original essays by scholars from a diverse range of fields examines issues of race in a variety of historical and geographical settings ranging from classical Greece to the contemporary Americas Europe and Asia The authors provide an important perspective on race both in its theoretical origins and in its actual appearances while paying close attention to the ways in which the study of race itself has been carried on or ignored by various disciplines *Routledge International Handbook of Contemporary Social and Political Theory* Gerard Delanty, Stephen P. Turner, 2011-03-23 The Handbook will address a range of issues that have emerged out of recent social and political theory It will focus on key themes as opposed to schools of thought or major theorists Each chapter is an emerging cutting edge topic that is of interest both to social theory and to political theory Most topics will have a clear and substantive focus on social or political problems **Critical Theories for School Psychology and Counseling** Sherrie Proctor, David P. Rivera, 2021-11-29 Critical Theories for School Psychology and Counseling introduces school psychologists and counselors to five critical theories that inform more equitable inclusive work with marginalized and underserved student populations Offering accessible conceptualizations of each theory and explicit links to application in practice and supervision the book speaks to common professional functions and issues such as cognitive assessment school based counseling discipline disproportionality and more This innovative collection offers graduate students university faculty and practicum and internship supervisors an insightful new direction for serving learners across diverse identities cultures and abilities *Race, Ethnicity and Social Theory* John Solomos, 2022-07-01 Race Ethnicity and Social Theory provides a critical analysis of the main areas of scholarly research and debate about racial and ethnic relations over the past few decades The book covers substantive areas of scholarly debate in this fast changing field including race and social relations identities and the construction of the racial other feminism and race the relationship between race and nationalism antisemitism the evolution of new forms of racism race and political representation and more

generally the changing debates about race and ethnicity in our global environment The book argues that there is a need for more dialogue across national and conceptual boundaries about how to develop the theoretical tools needed to understand both the historical roots of contemporary forms of racialised social and political relations and the contemporary forms through which race is made and re made A key argument that runs through the book is the need to develop conceptual frameworks that can help us to make sense of the changing forms of racial and ethnic relations in contemporary societies This means developing more dialogue across national research cultures as well as empirical research that seeks to engage with the key issues raised by contemporary theoretical debates The book will be of interest to both students wanting to develop a deeper understanding of this area of scholarship and to researchers of race ethnicity and migration working in various national and disciplinary environments
