Racial Classification And History

Austin Sarat, Thomas R. Kearns

Racial Classification And History:

Racial Classification and History E. Nathaniel Gates, 1997 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors* Miola's edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world In the collection there are five previously unpublished essays The topics covered in these new essays are women in the play the play's debt to contemporary theater its critical and performance histories in Germany and Japan the metrical variety of the play and the distinctly modern perspective on the play as containing dark and disturbing elements To compliment these new essays the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficult accessible journals newspapers and other sources This collection brings together these essays for the first time

White Logic, White Methods Tukufu Zuberi, Eduardo Bonilla-Silva, 2008-05-02 Examines how the racial lenses of the social sciences and the subscription of social scientists to whites' racial common sense have limited their understanding of racial matters and handicapped their capacity to appreciate the significance of the race effect they call it the racial stratification effect With an assemblage of leading scholars *White Logic White Methods* explores the possibilities and necessary dethroning of current social research practices and demands a complete overhaul of current methods towards a multicultural and pluralist approach to what we know think and question Readers in various social sciences will find useful the chapters in the collection but all will agree that the introductory and concluding chapters to the volume *Towards a Definition of White Logic and White Methods* and *Telling the Real Tale of the Hunt Towards a Race Conscious Sociology of Racial Stratification* are likely to become classics in the field of racial and ethnic relations

A Cultural History of Race in the Modern and Genomic Age Tanya Maria Golash-Boza, 2023-06-01 The period from the 1920s to the present is marked by the rise of eugenics the expansion and hardened enforcement of immigration laws legal apartheid the continuance of race pseudoscience and the rise of human and civil rights discourse in response Eugenics programmes in the early 20th century focused on sterilization and evolved into unimaginable horrors with the Nazi regime in Germany Countries in Europe and across the Americas have used immigration policies to shape the racial composition of their territories Legal apartheid has been slowly dismantled in the United States and South Africa yet continues to have enduring consequences Eugenics today persists in various permutations of race science Leaders and activists have drawn from civil and human rights discourses to fight back against the persistence of racial inequalities and racialized discourses in the 21st century We can look back on history and see that the Holocaust was a tragedy of historic proportions yet the tradition of scientific racism that led to the Holocaust continues We can look back and see that the internment of the Japanese during the Second World War was a horrific injustice yet detention camps filled with Central Americans continue to proliferate in the United States and refugee camps around the world are overflowing As this volume makes clear racism is an ideology that is

History, Memory, and the Law Austin

Sarat,Thomas R. Kearns,2009-11-10 Law in the modern era is one of the most important of our society s technologies for preserving memory In helping to construct our memory in certain ways law participates in the writing of our collective history It plays a crucial role in knitting together our past present and future The essays in this volume present grounded

examinations of particular problems places and practices and address the ways in which memory works in and through law the sites of remembrance that law provides the battles against forgetting that are fought in and around those sites and the resultant role law plays in constructing history The writers also inquire about the way history is mobilized in legal decision making the rhetorical techniques for marshalling and for overcoming precedent and the different histories that are written in and through the legal process The contributors are Joan Dayan Soshana Felman Dominic La Capra Reva Siegel Brook Thomas and G Ancient Persia in Western History Sasan Samiei,2014-07-24 Ancient Persia in Western History is a measured rejoinder to the dominant narrative that considers the Graeco Persian Wars to be merely the first round of an oft repeated battle between the despotic East and the broadly enlightened West Sasan Samiei analyses the historiography which has skewed our understanding of this crucial era contrasting the work of Edward Gibbon and Goethe which venerated Classicism and Hellenistic history with later writers such as John Linton Myres Finally Samiei explores the cross cultural encounters which constituted the Achaemenid period itself and repositions it as essential to the history of Europe Asia and the Middle East *A Constitutional History of the U.S. Supreme Court* Richard Regan,2015 The Supreme Court s decisions concerning the first amendment are hotly debated and the controversy shows no signs of abating as additional cases come before the court Adding much needed historical and philosophical background to the discussion Richard J Regan reconsiders some of the most important Supreme Court cases regarding the establishment clause and the free exercise of religion

Ideas of 'Race' in the History of the Humanities Amos Morris-Reich,Dirk Rupnow,2017-04-24 This volume is concerned with the hitherto neglected role of the humanities in the histories of the idea of race Its aim is to begin to fill in this significant lacuna If in the decades following World War II and the Holocaust years that witnessed European decolonization and the African American civil rights movement the concept of race slowly but surely lost its legitimacy as a cultural political and scientific category for much of the nineteenth and the first half of the twentieth century concepts of race enjoyed widespread currency in numerous fields of knowledge such as the history of art history musicology or philosophy Bringing together some of the most distinguished scholars in their respective fields this is the first collective attempt to address the history of notions of race in the humanities as a whole Understanding and Teaching Native American History Kristofer Ray,Brady DeSanti,2022-08-30 Understanding and Teaching Native American History is a timely and urgently needed remedy to a long standing gap in history instruction This book highlights the ongoing integral role of Native peoples via broad coverage in a variety of topics including the historical political and cultural Nearly a decade in the conception and making this is a groundbreaking source for both beginning and veteran instructors American Jewish History Jeffrey S.
