Translated Into English Rhyming Verse with Introductions by*

Lacy Lockert Jean Racine, Charles Lacy LOCKERT, 1958 **More Plays by Rivals of Corneille and Racine** Lacy Lockert, 1968 The book contains then eleven plays from the great age of French drama in the seventeenth century one play from the prolific pen of Alexandra Hardy who proceeded the great age and on from the eighteenth century the aftermath of that age *Racine's Iphigénie* Russell Pfohl, 1974 *Job* René Girard, 1987 What do we know about the Book of Job Not very much The hero complains endlessly He has just lost his children all his livestock He scratches his ulcers The misfortunes of which he complains are all duly enumerated in the prologue They are misfortunes brought on him by Satan with God's permission We think we know but are we sure Not once in the Dialogues does Job mention either Satan or anything about his misdeeds Could it be that they are too much on his mind for him to mention them Possibly yet Job mentions everything else and does much more than mention He dwells heavily on the cause of his misfortune which is none of those mentioned in the prologue The cause is not divine satanic nor physical but merely human **Catalog of Copyright Entries. Studies in Modern French Literature Percy Mansell Jones, 1961 *The Reader's Adviser*, 1986 **Studies in French-classical Tragedy** Lacy Lockert, 1958 This unique volume contains studies not only of Corneille's and Racine's tragedies but also of the best work of the lesser French classical tragic dramatists too generally neglected to whom more than half of the book is devoted Its author brings to his tasks of presentation criticism and appraisal a wider acquaintance perhaps with the drama of many lands and times than anyone who has previously written at any considerable length on the subject of French classical tragedy To the desirable perspective thus obtained he joins an appreciation of good plays of every type without prejudice either for or against any type of drama Numerous often lengthy quoted passages with an English verse translation accompanying the French in every case exemplify the achievement and exhibit the qualities of the dramas and dramatists discussed That portion of the author's critical work in this field which has already appeared as introductions

in his volumes of translated plays has been much appreciated as witness the following brief excerpts from reviews of those books The plays are discussed with insight and enthusiasm London Notes and Queries Refreshingly original and yet free from specious pleading or naive enthusiasm Chattanooga Times Thoughtful discerning appraisals Seventeenth Century News An excellent critical introduction The Library Journal A judicious introduction Arthur Knodel in The Personalist The very best interpretative treatment of Corneille that has appeared C Maxwell Lancaster **Tragic Passages** Roland Racevskis,2008 Presents a theoretically informed reading of Racine's nine secular tragedies from La Thebaide 1664 to Phedre 1677 This study focuses on literary theatrical constructions of space time and identity *The Arizona Quarterly* ,1968 **The Tragic Middle** Richard E. Goodkin,1991 This is an extraordinary book brilliantly conceived and beautifully written Its approach to the well worn subject of tragic drama is quite fresh While Goodkin draws on the best of traditional scholarship in philosophy classical philology and literary criticism he argues with an intellectual style that is entirely his own Every reader will be stimulated in his own particular way so great is the range and power of this book to extend the book's argument toward or from his own area of interest William Levitan Princeton University *Books in Print* ,1982 **Teaching French Neoclassical Tragedy** Hélène E. Bilis, Ellen McClure, 2021-06-19 Offers pedagogical techniques for teaching French neoclassical tragedy mainly from the reign of Louis XVI in undergraduate classes Topics include tragic themes fate freedom political subtexts postcolonial adaptations and productions performance rhetoric and performance practices Includes syllabus suggestions and information on editions reference works biographies film adaptations and online resources **The British Library General Catalogue of Printed Books to 1975** British Library,1985 *English Journal* ,1958
