Racismwork Among The Lords People:

The Truth About Racism Dr. Philip G. Asante, 2014-02-27 Dr Asante uncovers the truth about racism in this revealing and compelling book He explains where racist ideology has come from and the reasons why some people are racist by exploring the contributions from both Christianity and the theory of Evolution Learn how the Bible was deliberately misinterpreted and abused in order to justify slavery segregation colonialism and apartheid Better understand what legacy these institutions have left on people Discover how Darwins theory of evolution led to the construction of the concept of different races and the resultant development of racial superiority and inferiority based solely on skin coloration This is a well written and well researched book that truly dissects the distressing and often uncomfortable subject of racism It tugs at the heart strings of humanity and cries out for unity Some will find the book controversial and uncomfortable while others will find it liberating and supportive It will challenge your very conscience and offer a revealing look into the development of racism

[Malay Ideas on Development: From Feudal Lord to Capitalist](#) Shaharuddin Maaruf, 2022-12-06 Formally speaking the New Economy Policy had been replaced by the New Economic Order which had been promulgated in the name of liberalism Thus it may seem that the issues and concerns addressed by the book had been rendered irrelevant by the shift in policy Against such proposition I must say that my book addresses itself to the question of ideas principles and weltanschauung beyond mere policies and formality It is therefore too early in the day to conclude that the new liberalism has definitively replaced the New Economic Policy NEP as an era and ethos throwing into question the relevance of this book It may well turn out to be that the issues and concerns of the book transcend superficial policy changes in a more fundamental way Shaharuddin Maaruf University of Malaya 15 April 2014 The sweep through the history of Malay political ideas which is to be encountered in Malay Ideas on Development from Feudal Lord to Capitalist a sweep achieved with analytic skill and clarity will stimulate new readers to seek more detailed examination of one targeted writer or another Creating such desire is an indication of the book s effectiveness Juxtaposing one thinker with another setting modern

debate in the context of traditional political thought proposing categories or streams of political thinking capitalistic nationalism traditionalistic nationalism and so forth is the best possible way of promoting a greater interest in the history of Malay political thinking and not just as an academic enterprise Shaharuddin Maaruf is one of a small handful of scholarly pioneers whose work has the capacity to enrich the quality of political debate in Malaysia Anthony Milner Basham Professor for Asian History Australian National University History of the Protestant Church in Hungary János György Bauhofer, 1854 *History of the Protestant Church from the Beginning of the Reformation to 1850*, 1856 History of the Protestant Church in Hungary from the Beginning of the Reformation to 1859, 1854 **History of the Protestant Church in Hungary, from the Beginning of the Reformation to 1850; with Reference Also to Transylvania** Protestant Church (Hungary), 1854 *To Save My Race from Abuse* Edward J. Robinson, 2007-03-18 The story of a fascinating and important figure in black American religious history Samuel Robert Cassius was born to a slave mother and a white father in Virginia in 1853 and became a member of the Restorationist Movement Disciples of Christ while a coal miner in Indiana For the rest of his long life he died in 1931 at age 78 Cassius was an active evangelist prolific publicist dedicated leader of black Disciples and an outspoken and uncompromising opponent of racism in religion and society An indefatigable preacher Cassius ranged throughout the Midwest California and the southwestern states founding and encouraging black Stone Campbell Restorationist congregations After entering the Oklahoma Territory in 1891 he worked for three decades as an educator newspaper editor social activist postmaster and Justice of the Peace Because he consistently incorporated social and racial issues into his religious writings Cassius often found himself at odds with whites in the Stone Campbell Movement the very people he relied on for monetary support He advocated a Booker T Washington style self help ethos while at the same time firmly resisting racism wherever he encountered it Largely invisible in a world dominated by such towering figures as Washington Frederick Douglass Ida B Wells and W E B DuBois Cassius lived a life of virtual obscurity beyond the circle of the Stone Campbell Movement His story is important because as a racial militant and separatist he presaged the schism that would engulf and fracture the Churches of Christ in the 1960s when blacks and whites went their separate ways and formed two distinct groups in one religious fellowship By combing through a plethora of primary sources that Cassius left behind in both religious and nonreligious journals Edward J Robinson has successfully reconstructed and recaptured the essence of Cassius complex and extraordinary life This book offers the first full length study of a man of remarkable attainment despite daily obstacles and resistance
