**Complete Plays** Ronald Firbank,1994 Complementing Dalkey Archive s edition of Firbank s Complete Short Stories published in 1990 Complete Plays makes available for the first time in one volume this inimitable British writer s three excursions into drama The Mauve Tower 1904 a dream play reminiscent in language and setting of Oscar Wilde s Salome and the writings of the French symbolists A Disciple from the Country 1907 a one act comedy about a debutante who flirts with religion and sainthood in order to catch a husband and The Princess Zoubaroff 1920 a three act comedy about marriage religion and homosexual separatism The latter which has been produced in England occasionally since the 1950s is considered to be among Firbank s major works and yet it like the other two plays has not been generally available in this country until now The plays are filled with the wit and satire for which Firbank s novels are relished indeed Firbank s novels relied so heavily on dialogue that the distinction between them and his plays is minimal Consequently those who enjoy his novels and stories as well as those who enjoy the comic British theater tradition of Pinero Wilde and Coward should welcome

this collection Steven Moore who edited the Complete Short Stories has written an introduction placing the plays in the context of Firbank's life
