O. Costa, K. Jørgensen

Regime Consequences Methodological Challenges And Research Strategies:

Regime Consequences A. Underdal, Oran R. Young, 2013-06-05 This volume has a long and distinguished pedigree It is the product of an effort to devise clear and unambiguous methods for demonstrating that international regimes make a difference stretching back at least to the early 1990s What has transpired in the meantime is the development of a suite of useful techniques of analysis rather than the creation of a single correct methodology for use in this field of study Our assumption is that we can be relatively confident regarding assessments of the consequences of individual regimes when those employing a variety of methods converge on the same conclusions When different methods yield divergent conclusions on the other hand we can take this as a signal that more work is needed to arrive at convincing judgments regarding the consequences of the regimes in question Along the way we came to understand that there is an important distinction between what we describe in this book as simple effectiveness and broader consequences Most analyses of the effectiveness of international regimes focus on individual cases and seek to assess the performance of regimes on a case by case basis This is entirely understandable Yet it is now clear that individual regimes not only interact with one another but also operate in and affect broader settings The study of these broader consequences is less mature than research on the effectiveness of individual regimes

Disaggregating International Regimes Olav Schram Stokke, 2012 Evaluating the effectiveness of international regimes presents challenges that are both general and specific What are the best methodologies for assessment within a governance area and do they enable comparison across areas In this book Olav Schram Stokke connects the general to the specific developing new tools for assessing international regime effectiveness and then applying them to a particular case governance of the Barents Sea fisheries Stokke's innovative disaggregate methodology makes cross comparison possible by breaking down the problem and the relevant empirical evidence Provided by publisher

Regime Interaction and Climate Change Beatriz Martinez Romera, 2017-12-06 The regulation of greenhouse gas emissions from international aviation and maritime transport has proved to be a difficult task for international climate negotiations such as the Paris Agreement in 2015 Almost two decades prior Article 2.2 of the Kyoto Protocol excluded emissions from international aviation and maritime transport from its targets delegating the negotiation of sector specific regulations to the International Civil Aviation Organization ICAO and the International Maritime Organization IMO respectively However progress at these venues has also been limited Regime Interaction and Climate Change maps out the legal frameworks in the Climate ICAO and IMO regimes and explores the law making process for the regulation of international aviation and maritime transport through the lenses of fragmentation of international law and regime interaction The book sheds light on how interaction between these three regimes occurs what the consequences of such interaction are and how they can be managed to resolve conflicts and promote synergies This book will be of great interest to scholars of international environmental law and governance climate change policy and climate change law

The Influence of International Institutions on the EU O. Costa, K.

Jørgensen,2012-04-05 An exploration of how the EU is influenced by multilateral institutions There has recently been a dramatic increase in interaction between the EU and multilateral institutions This book shows that international institutions shape EU policies as well as acting as a source of preferences and strategies for EU stances internationally *Regimes in Southeast Asia* Henriette Litta,2011-11-01 In the context of massive environmental problems in Southeast Asia the countries in the region have decided at least in some instances to create regimes to solve these problems jointly This empirical observation is surprising given the Southeast Asian countries general reluctance to regional cooperation the governance and budgetary constraints that are typical for developing countries and the huge heterogeneity of the involved countries in terms of environmental vulnerability economic capacity and hegemonic power This book analyzes the creation and effectiveness of two environmental regimes one on transboundary haze pollution and a second on resource management of the Mekong It will be shown that regime creation is extremely problematic and strategies to overcome conflicting actor constellations are mostly lacking Institutional Interaction in Global Environmental Governance Sebastian Oberthür,Thomas Gehring,2006 The first large scale systematic investigation of how interaction among international institutions affects global environmental governance with a conceptual framework and ten case studies Managing Institutional Complexity Sebastian Oberthür,Olav Schram Stokke,2011-08-19 Experts investigate how states and other actors can improve inter institutional synergy and examine the complexity of overlapping environmental governance structures Institutional interaction and complexity are crucial to environmental governance and are quickly becoming dominant themes in the international relations and environmental politics literatures This book examines international institutional interplay and its consequences focusing on two important issues how states and other actors can manage institutional interaction to improve synergy and avoid disruption and what forces drive the emergence and evolution of institutional complexes sets of institutions that cogovern particular issue areas The book a product of the Institutional Dimensions of Global Environmental Change research project IDGEC offers both theoretical and empirical perspectives Chapters range from analytical overviews to case studies of institutional interaction interplay management and regime complexes in areas including climate change fisheries management and conservation of biodiversity Contributors discuss such issues as the complicated management of fragmented multilateral institutions addressing climate change the possible chilling effect on environmental standards from existing commitments governance niches in Arctic resource protection the relationships among treaties on conservation and use of plant genetic resources causal factors in cross case variation of regime prevalence and the difficult relationship between the World Trade Organization and multilateral environmental agreements The book offers a broad overview of research on interplay management and institutional complexes that provides important insights across the field of global environmental governance Environmental Regime Effectiveness Edward L. Miles,Steinar Andresen,Elaine M. Carlin,Jon Birger Skjaereth,Arild Underdal,2001-11-09 This book examines why some international environmental regimes succeed

while others fail Confronting theory with evidence and combining qualitative and quantitative analysis it compares fourteen case studies of international regimes It considers what effectiveness in a regime would look like what factors might contribute to effectiveness and how to measure the variables It determines that environmental regimes actually do better than the collective model of the book predicts The effective regimes examined involve the End of Dumping in the North Sea Sea Dumping of Low Level Radioactive Waste Management of Tuna Fisheries in the Pacific and the Vienna Convention and Montreal Protocol on Ozone Layer Depletion Mixed performance regimes include Land Based Pollution Control in the North Sea the Convention on Long Range Transboundary Air Pollution Satellite Telecommunication and Management of High Seas Salmon in the North Pacific Ineffective regimes are the Mediterranean Action Plan Oil Pollution from Ships at Sea International Trade in Endangered Species the International Whaling Commission and the Convention for the Conservation of Antarctic Marine Living Resources *The Handbook of Global Climate and Environment Policy* Robert Falkner,2016-09-26

The Handbook of Global Climate and Environment Policy presents an authoritative and comprehensive overview of global policy on climate and the environment It combines the strengths of an interdisciplinary team of experts from around the world to explore current debates and the latest thinking in the search for global environmental solutions Explores the environmental challenges we currently face and the concepts and approaches to solving these Questions the role of global actors institutions and processes and considers the links between global climate and environment policy and that of the global economy Highlights the connections between social science research and global policy Brings together authoritative coverage of recent research by internationally renowned experts from around the world including from North America Europe and Asia Provides an essential resource guide for students and researchers from across a wide range of related disciplines from politics and international relations to environmental sciences and sociology and for global policy practitioners

Indian Ocean Region Manoj Gupta,2010-08-09 It is a privilege to introduce the reader to this book as I believe that it will make a significant contribution to given the difficulties in the knowledge of the Indian Ocean developing cooperation in the Indian Ocean region There have been numerous failed efforts at regional cooperation in different fora in the Indian Ocean As a result of the land based orientation of the people in the region the importance for countries to develop the power to govern the sea has largely been ignored The maritime approach taken by Manoj Gupta to the Indian Ocean as a region in international relations offers a timely and critical assessment of the potential for regional cooperation and ocean governance The political leadership in the region can no longer ignore the need for cooperation in maritime affairs in the Indian Ocean This book enriches the literature on Indian Ocean issues as it argues convincingly that the security of nations economic well being of the people and health of the Indian Ocean cannot be divested from one another All are fundamentally dependant on the ability of the countries in the region to individually and collectively exert the power to govern the sea

The Politics of Climate Change Paul G. Harris,2013-09-13 Climate change is now a mainstream part of the international

political agenda It has become clear that it is not solely a technical issue to be resolved by scientists but a political issue with political implications at all levels of global governance Indeed some may argue that few long term problems in international affairs are more important than this one The purpose of this book is to reveal and apply some of the latest thinking on the implications of climate change for international affairs and to explore how various proposals for tackling climate change will affect interstate relations in coming years Chapters by scholars of international relations international political economy and international law contribute to current discussions of climate change doing so in way that is accessible to students stakeholders government officials and informed laypersons Some questions considered in the book include the following How has the discussion of climate change affected interstate relations How does this problem and how do environmental issues more generally challenge international relations theory How do international climate politics influence domestic politics and vice versa How would climate change or action taken to tackle it affect the balance of power or balance of influence Is climate change a matter of international security or international justice or both and how does the answer to this question affect policy responses of governments Which states are likely to benefit or suffer from the various proposals to address climate change What are the legal ethical and political implications of the uneven distribution of the impacts of climate change This book was previously published as a special issue of the Cambridge Review of International Affairs

Architectures of Earth System Governance Frank Biermann, Rakhun E. Kim, 2020-05-07 An authoritative analysis of a decade of research on institutional architectures in earth system governance covering key elements structures and policy options *The Oxford Handbook of International Environmental Law* Lavanya Rajamani, Jacqueline Peel, 2021 Taking stock of all the major developments in the field of international environmental law this text explores core assumptions and concepts basic analytical tools and key challenges **Migration Statecraft** Kristof Tamas, 2024-06-05 Applying realist constructivist theory this innovative book investigates the migration development nexus in the European Union's approach to cooperation with its external partner countries It explores the reasons why action in this field appears to be irrational and counterproductive and surveys contemporary political dialogues and funding Routledge Handbook on the European Union and International Institutions Knud Erik Jørgensen, Katie Verlin Laatikainen, 2013 This Handbook addresses the increasingly contested issue of profound political importance Europe's presence in multilateral institutions It assesses both the evolving role of Europe in international institutions and the transformations in international institutions themselves

International Cooperation and Arctic Governance Olav Schram Stokke, Geir Hønneland, 2006-12-05 A new exploration of the impacts of Arctic regimes in such vital areas as pollution biodiversity indigenous affairs health and climate change The post Cold War era has seen an upsurge in interest in Arctic affairs With new international regimes targeting Arctic issues at both the global and regional levels the Northern areas seem set to play an increasingly prominent role in the domestic and foreign policies of the Arctic states and actors not least Russia the USA and the EU This volume clearly

distinguishes between three key kinds of impact effectiveness defined as mitigation or removal of specific problems addressed by a regime political mobilization highlighting changes in the pattern of involvement and influence in decision making on Arctic affairs region building understood as contributions by Arctic institutions to denser interactive or discursive connectedness among the inhabitants of the region Empirically the main focus is on three institutions the Arctic Council the Barents Euro Arctic Region and the Council of the Baltic Sea States International Cooperation and Arctic Governance is essential reading for all students with an interest in Arctic affairs and their impact on global society

Analytic Induction for Social Research Charles C. Ragin, 2023-08-01 A free ebook version of this title is available through Luminos University of California Press's Open Access publishing program Visit www.luminosoa.org to learn more This book explores analytic induction an approach to the analysis of cross case evidence on qualitative outcomes that has deep roots in sociology A popular research technique in the early decades of empirical sociology analytic induction differs fundamentally as a method of social research from conventional variation based approaches In Analytic Induction for Social Research Charles C Ragin demonstrates that much is gained from systematizing analytic induction The approach he introduces here offers a new template for conducting cross case analysis and provides a new set of tools for answering common research questions that existing methods cannot address

Governing through Goals Norichika Kanie, Frank Biermann, 2017-05-12 A detailed examination of the UN's Sustainable Development Goals and the shift in governance strategy they represent In September 2015 the United Nations General Assembly adopted the Sustainable Development Goals as part of the 2030 Agenda for Sustainable Development The Sustainable Development Goals built on and broadened the earlier Millennium Development Goals but they also signaled a larger shift in governance strategies The seventeen goals add detailed content to the concept of sustainable development identify specific targets for each goal and help frame a broader more coherent and transformative 2030 agenda The Sustainable Development Goals aim to build a universal integrated framework for action that reflects the economic social and planetary complexities of the twenty first century This book examines in detail the core characteristics of goal setting asking when it is an appropriate governance strategy and how it differs from other approaches analyzes the conditions under which a goal oriented agenda can enable progress toward desired ends and considers the practical challenges in implementation Contributors Dora Almassy Steinar Andresen Noura Bakkour Steven Bernstein Frank Biermann Thierry Giordano Aarti Gupta Joyeeta Gupta Peter M Haas Masahiko Iguchi Norichika Kanie Rakhyun E Kim Marcel Kok Kanako Morita M ns Nilsson L szl Pint r Michelle Scobie Noriko Shimizu Casey Stevens Arild Underdal Tancr de Voiturez Takahiro Yamada Oran R Young

International Norms and Decision Making Gary Goertz, 2003 This book presents a punctuated equilibrium framework for understanding the nature of policy decision making by governments as well as a theory of the creation functioning and evolution of international norms and institutions

Qualitative Methods in International Relations A. Klotz, D. Prakash, 2008-02-27 We still lack practical answers to one of the most basic questions in

empirical research How should researchers interpret meanings The contributors take seriously the goals of both post modernist and positivist researchers as they offer detailed guidance on how to apply specific tools of analysis and how to circumvent their inherent limitations

Reviewing **Regime Consequences Methodological Challenges And Research Strategies**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "**Regime Consequences Methodological Challenges And Research Strategies**," an enthralling opus penned by a highly acclaimed wordsmith, readers embark on an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve to the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

Regime Consequences Methodological Challenges And Research Strategies Introduction

Regime Consequences Methodological Challenges And Research Strategies Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Regime Consequences Methodological Challenges And Research Strategies Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Regime Consequences Methodological Challenges And Research Strategies : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Regime Consequences Methodological Challenges And Research Strategies : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Regime Consequences Methodological Challenges And Research Strategies Offers a diverse range of free eBooks across various genres. Regime Consequences Methodological Challenges And Research Strategies Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Regime Consequences Methodological Challenges And Research Strategies Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Regime Consequences Methodological Challenges And Research Strategies, especially related to Regime Consequences Methodological Challenges And Research Strategies, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Regime Consequences Methodological Challenges And Research Strategies, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Regime Consequences Methodological Challenges And Research Strategies books or magazines might include. Look for these in online stores or libraries. Remember that while Regime Consequences Methodological Challenges And Research Strategies, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from

legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Regime Consequences Methodological Challenges And Research Strategies eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Regime Consequences Methodological Challenges And Research Strategies full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Regime Consequences Methodological Challenges And Research Strategies eBooks, including some popular titles.

FAQs About Regime Consequences Methodological Challenges And Research Strategies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Regime Consequences Methodological Challenges And Research Strategies is one of the best book in our library for free trial. We provide copy of Regime Consequences Methodological Challenges And Research Strategies in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Regime Consequences Methodological Challenges And Research Strategies. Where to download Regime Consequences Methodological Challenges And Research Strategies online for free? Are you looking for Regime Consequences Methodological Challenges And Research Strategies PDF? This is definitely going to save you time and cash in something you should think about.
