Heritage and Hope Kenneth Murray Knuttila,2004 *Regina Mingotti: Diva and Impresario at the King's Theatre, London* Michael Burden,2017-07-05 Regina Mingotti was the first female impresario to run London s opera house Born in Naples in 1722 she was the daughter of an Austrian diplomat and had worked at Dresden under Hasse from 1747 Mingotti left Germany in 1752 and travelled to Madrid to sing at the Spanish court where the opera was directed by the great castrato Farinelli It is not known quite how Francesco Vanneschi the opera promoter came to hire Mingotti but in 1754 travelling to England via Paris she was announced as being engaged for the opera in London having been admired at Naples and other parts of Italy by all the Connoisseurs as much for the elegance of her voice as that of her features Michael Burden offers the first considered survey of Mingotti s London years including material on Mingotti s publication activities and the identification of the characters in the key satirical print *The Idol* Burden makes a significant contribution to the knowledge and understanding of eighteenth century singers careers and status and discusses the management the finance the choice of repertory and the pasticcio practice at The King s Theatre Haymarket during the middle of the eighteenth century Burden also argues that Mingotti s years with Farinelli influenced her understanding of drama fed her appreciation of Metastasio and were partly responsible for London labelling her a female Garrick The book includes the important publication of the complete texts of both of Mingotti s Appeals to the Publick accounts of the squabble between Mingotti and Vanneschi which

California. Court of Appeal (2nd Appellate District). Records and Briefs California (State)., **Dear Regina** Monica Carol Miller, 2022-07-15 Dear Regina offers a remarkable window into the early years of one of America's best known literary figures While at the University of Iowa Writer's Workshop from 1945 to 1948 Flannery O'Connor wrote to her mother Regina Cline O'Connor who she addressed by her first name nearly every day and sometimes more than once a day The complete correspondence of more than six hundred letters is housed at the Stuart A Rose Manuscript Archives and Rare Book Library at Emory University From that number Miller selects 486 letters to show us a young adult learning to adjust to life on her own for the first time In these letters O'Connor shares details about living in a boardinghouse and subsisting on canned food and hot plate dinners and she asks for advice about a wide range of topics including how to assuage her relatives concerns about her well being and how to buy whiskey to use for cough medicine These letters which are being published for the first time with the unprecedented permission of the Mary Flannery O'Connor Charitable Trust also offer readers important insights into O'Connor's intellectually formative years when her ideas about writing race class and interpersonal relationships were developing and changing Her preoccupation with money employment and other practical matters reveals a side of O'Connor that we do not often see in her previously published letters Most importantly the letters show us her relationship with her mother in a much more intimate positive light than we have seen before The importance of this aspect of the letters cannot be overstated given that so much literary analysis conflates her and Regina with the sour deformed daughters and self-righteous mothers that critic Louise Westling sees so often in O'Connor's work **The Cape Law Journal**, 1889 **South African Law Journal**, 1889 **"We Were the Salt of the Earth!"** Victor Howard, 1985 The Regina Riot which erupted in that city's Market Square on July 1 1935 was the climax of a strike by relief camp workers which had begun in British Columbia on April 4 After lingering two months in Vancouver the participants struck out east by freight train on to Ottawa where they intended to tell the Government of Canada that the situation of the unemployed had become intolerable The origins of the Strike the Trek and the Riot the character of those events are what this book is all about It is a narrative composed from federal provincial and municipal records from news reports from interviews with participants from sworn testimony from photographs from maps from sawn off baseball bats It is the story of an event which figured prominently at the same instant in the history of the Canadian worker in the history of the Canadian radical in the histories of two Canadian cities and in the history of R B Bennett's Depression years government **Records & Briefs New York State Appellate Division**, **As One Who Serves** James M. Pitsula, 2006-04-04 Pitsula's history also takes student culture into account He argues that the youth of the sixties created the citizen student who participates fully in the life of the
