

The background of the book cover is a colorful, abstract illustration. It features a dark brown, textured area at the bottom, possibly representing hair, with two large, light-colored, rounded shapes below it that resemble eyes or glasses. The top half of the cover is filled with vibrant, wavy shapes in shades of red, blue, yellow, and orange, creating a dynamic and artistic background.

Reginas Glasses Invitations To Literacy:

Regina's Glasses Margaret Clyne, 1996 Simple text follows Regina's search for her missing glasses **A Ringing Glass** Donald A. Prater, 1986 Rainer Maria Rilke 1875-1926 is widely regarded as the greatest lyric poet of this century His major achievements the New poems the Sonnets to Orpheus and the incomparable Duino Elegies had a powerful impact on European literature and have been the subject of intense scrutiny and increasing acclaim since the poet's death Only in recent years however with the emergence of key documentary material has it become possible to present the full story of Rilke's life In *A Ringing Glass* Donald Prater's aim is not to add another stone to the mounting edifice of critical interpretation but to provide a portrait of the man himself and to show the background in which Rilke's extraordinary vision developed And it is an extraordinary background Rilke's nomadic existence led him from his birthplace in Prague through Germany Russia Spain Italy France and finally Switzerland He visited Tolstoy at Yasnaya Polyana acted for a time as secretary to Rodin and was friend of Romain Rolland Leonid Pasternak and Walter Rathenau He was the protégé of Princess Marie von Thurn und Taxis and the lover Lou Andreas Salome and Baladine Klossowska of whose son the painter Balthus he was an early patron Financially and emotionally Rilke needed these associations yet he dedicated himself fully to his art and remained single minded in his search for the solitude it required In his correspondence from which Prater draws extensively Rilke reveals the tragic conflict between his needs as a man and his goals as a poet This above all he wrote a younger colleague ask yourself must I write Delve into yourself for a deep answer And if this should be affirmative then build your life according to this necessity With this comprehensive biography readers can themselves delve deeply into the life Rilke built a life as courageous and rare as the poetry it left behind About the Author Donald Prater is the author of *European of Yesterday* a biography of Stefan Zweig and his edition of the Rilke-Zweig correspondence will appear shortly in Germany A major new biography of the century's greatest lyric poet Draws extensively on Rilke's letters to present an intimate portrait
