Regional Policy And Regional Integration:

Regional Policy and Regional Integration Niles M. Hansen, Kenneth John Button, Peter Nijkamp, 1996 Regional Policy and Regional Integration reprints the most important papers on those government policies that have an intentional and formal geographic focus These policies have typically been motivated by equity considerations such as reducing unemployment increasing incomes promoting structural adjustments or realizing development potentials While the main objective of regional policy is to improve conditions in deprived areas public resources must be used in such a way that these objectives are achieved efficiently The topics covered in this important volume include regional integration and urban systems income amenities and welfare infrastructure manufacturing services innovative milieux delineating planning regions and policy instruments

Shaping Policy Reform and Peer Review in Southeast Asia Integrating Economies Amid Diversity OECD, 2008-08-25 This publication examines the possible application of peer reviews to address regional and domestic challenges in Southeast Asia

Regional Policy in the Southern African Development Community J. Ernst Drewes, Mariske van Aswegen, 2024-03-19 This book analyses regional development policy or the lack thereof in the Southern African Development Community SADC which forms a key trading bloc on the African continent as well as the Global South It explores the main attributes relevant to the formulation of regional policy in terms of socio economic policies as well as spatial planning instruments Further it integrates macro and sectoral policy frameworks and applies the goals and objectives thereof practically through the appropriate and timely application of spatial targeting instruments within the SADC as a developing region The focus of the research is to reflect on the social economic environmental and political arguments through a focused analysis of relevant planning instruments policies and barriers in terms of the regional policy goals for the SADC region The book provides insight into the role of the SADC in the context of regional development analyses regional policy on a national regional and continental scale with reference to the SADC and evaluates the inherent potential in the regional economy as well as barriers to regional development It identifies gaps in the existing regional policy framework of the region and its constituent members and makes recommendations for improved regional policy frameworks and their implementation The book is targeted at scholars researchers and students studying international trade as well as regional and economic development and urban and regional planning and policy It will also be a useful resource for policymakers as it provides practical policy guidelines for improved regional planning towards a comprehensive regional policy framework The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Regional Integration - Europe and Asia Compared Woosik Moon, 2017-07-05 This book examines and compares the integration process in both Europe and Asia and draws some possible lessons for East Asia from the European experience The book embraces the political dimension of integration peace and security economic trade and monetary aspects as well as cultural aspects

Regional Governance and Policy-Making in

South America Anne Marie Hoffmann, 2018-10-09 This book analyzes Latin American regional integration with a novel conceptual approach grounded in extensive field research Using the UNASUR Uni n de Naciones Suramericanas as a case study the author investigates the process of policy making in regional public policy fields in South America The project focuses on intergovernmental structures of regional organizations as an institutional framework for a variety of independent processes in regions It also challenges the perspective of democratic states as unitary actors and seeks to analyze the factors which favor or obstruct regional processes in different policy fields This work will appeal to researchers graduate students and anyone interested in Latin American politics and policy making Regional Governance in Post-NAFTA North America

Brian Bow, Greg Anderson, 2014-10-30 Twenty years after NAFTA the consensus seems to be that the regional project in North America is dead The trade agreement was never followed up by new institutions that might cement a more ambitious regional community The Security and Prosperity Partnership SPP launched with some fanfare in 2005 was quietly discontinued in 2009 And new cooperative ventures like the US Canada Beyond the Border talks and the US Mexico Merida Initiative suggest that the three governments have reverted to the familiar pre NAFTA pattern of informal incremental bilateralism One could argue however that NAFTA itself has been buried and yet the region somehow lives on albeit in a form very different from regional integration in other parts of the world A diverse group of contributors from the United States Canada and Mexico with experience in academia government service think tanks and the private sector bring to bear a sophisticated and much needed examination of regional governance in North America its historical origins its connection to the regional distribution of power and the respective governments domestic institutions and the variance of its forms and function across different issue areas The editors begin by surveying the literature on North American regional politics matching up developments there with parallel debates and controversies in the broader literatures on comparative regional integration and international policy coordination more generally Six contributors later explore the mechanisms of policy coordination in specific issue areas each with an emphasis on a particular set of actors and with its own way of characterizing the relevant political and diplomatic dynamics Chapters on the political context for regional policy coordination follow leading to concluding remarks on the future of North America At a time when scholarly interest in North America seems to be waning even while important and interesting political and economic developments are taking place this volume will reinvigorate the study of North America as a region to better understand its past present and future

Regional Competition Peter W.J. Batey, Peter Friedrich, 2013-03-14 Many parts of the world are currently experiencing the outcome of processes of economic integration globalization and transformation Technological advances in telecommunications and in transport facilities have opened up new possibilities for contracts and exchanges among regions External effects among regions have increased in importance As a result competition among regions has intensified Except some pioneering work by regional scientists and scholars of public finance and economics the phenomenon of regional

competition has yet to attract the attention it warrants despite its importance for policy making The present volume is intended to remedy this neglect by providing high level contributions to the three main topics of the book the theory of regional competition methods of analysis of regional competition and policies of regional competition Regional Developmentalism through Law Jonathan Bashi Rudahindwa, 2018-05-20 Offering a study of regionalism in Africa and investigating the ways in which law can be used to address the issues raised by regional processes on the continent this book examines the African Economic Community considering that it has been entrusted to coordinate and to harmonize policies between various Regional Economic Communities RECs across the continent thereby influencing the continent's approach towards regional integration It seeks to identify how law can be used to strengthen the African RECs while ensuring that they achieve their goal of promoting regional development across the continent Drawing upon economic and political theories and using a critical doctrinal analysis of legal texts and norms the book uncovers the legal and economic underpinnings of the model of regional integration followed by the regional schemes operating under the banner of the AEC aiming to contribute to the search for effective methods to ensure the success of these various initiatives Proposing the concept of Regional Developmentalism Through Law as the most suitable conceptual framework to support the effective establishment of an African Economic Community this book will be of interest to researchers academics and policy makers interested in the correlation between law regional integration and development in Africa Self-Determination and Secession in Africa Redie Bereketeab, 2014-08-07 This book provides a unique comparative study of the major secessionist and self determination movements in post colonial Africa examining theory international law charters of the United Nations and the Organisation of African Unity OAU African Union's AU stance on the issue The book explores whether self determination and secessionism lead to peace stability development and democratisation in conflict ridden societies particularly looking at the outcomes in Eritrea and South Sudan The book covers all the major attempts at self determination and secession on the continent extensively analysing the geo political economic security and ideological factors that determine the outcome of the quest for self determination and secession It reveals the lack of inherent clarity in international law social science theories OAU AU Charter UN Charters and international conventions concerning the topic This is a major contribution to the field and highly relevant for researchers and postgraduate students in African Studies Development Studies African Politics and History and Anthropology *The Euro Before the EU?* Altin Ilirjani, 2006 This book argues that a Poisson likelihood regression model is better suited to estimate the impact of common currencies on bilateral trade The author estimates and compares potential effects of euroization on bilateral trade with the Eurozone and national incomes of Albania Serbia and Macedonia using three different gravity estimates **Inequality Beyond Globalization** Christian Suter, 2010 This volume debates the complex nature of the relationships between globalization social and economic transformations and growing inequalities Employing a global world historical and comparative perspective the 16 articles brought together in this volume deal with three central

questions Firstly the question of the spatio temporal evolution and variations of growing inequalities secondly the relative importance of globalization as compared to other factors explaining growing inequalities and thirdly institutional variations of inequality dynamics and globalization impacts Christian Suter is Professor of Economic Sociology at the University of Neuchâtel and President of the World Society Foundation domiciled at the University of Zurich Switzerland **Eurasian**

Politics: Ideas, Institutions and External Relations Mr Tulsiram, Mr Ajay Patnaik, 2013-06-15 The transitional politics of Eurasian space is marked by a constant struggle among three sets of ideas and institutions the 1 is the remarkable resilience of Soviet ideas and institutions 2 an attempt by the regimes of these states to reinvent the historical and cultural traditions of preSoviet periods and third is an attempt by a section of the powerful elite to superimpose Western liberal ideas and institutions There is a strange intertwining of these ideas and institutions This book examines the extent to which the postSoviet politics has departed from the Soviet one What are the new ideational structures emerging in these states and how far have they crystallised into institutions What are the external influences which are shaping the institutions in the Eurasian space And finally what are the various dynamics of geopolitics in this region Experts from various countries will delve into the shifting dynamics of Eurasian politics Macrothesaurus for Information Processing in the Field of Economic and Social Development Fifth Edition OECD, United Nations, 1998-09-06 Presents a common vocabulary to facilitate the indexing retrieval and exchange of development related information *Preferential Trade Agreement Policies for Development* Jean-Pierre Chauffour, Jean-Christophe Maur, 2011-06-22 The Handbook offers an introduction to the key elements of Preferential Trade Agreements PTAs addressing the practical economic and legal aspects of the regulatory policies in PTAs **Open and Distance Learning Initiatives for Sustainable Development** Pandey, Umesh Chandra, Indrakanti, Verlaxmi, 2017-06-27 Education plays a vital role in the positive development of communities at both a local and global level By becoming more informed citizens can make better contributions to society Open and Distance Learning Initiatives for Sustainable Development is a critical reference source for emerging academic perspectives on the role of higher education programs in contemporary society Including a range of pertinent topics such as mobile learning environmental education and community building this book is ideally designed for educators researchers students and professionals interested in the intersection between sustainable development and education *Routledge Dictionary of Economics* Donald Rutherford, 2013-06-26 The Routledge Dictionary of Economics now in its third edition provides the clearest most authoritative definition of economic and financial terms available The book is perfect for students and professionals interested in a broad range of disciplines including Business Economics Finance and Accountancy and all additional subjects where a knowledge of these fields of essential The dictionary has been updated to reflect the economic changes of the new Millennium including the emergence of experimental and behavioural economics new political economy the importance of institutions globalization environmental economics financial crises and the economic emergence of China

and India It s an international dictionary that includes succinctly explained A to Z entries and definitive explanations of the key terms accompanied by a short bibliography and comprising supplementary online definitions In a world where the reader is met with a barrage of conflicting and competing information this book continues to provide a definitive guide to economics

Regional Behaviour Dimitrios C. Christopoulos,2018-02-06 This title was first published in 2001 In the framework of the EU a number of policies have been devised for regions in order to facilitate their balanced economic development The author argues that the focus on regional planners and their actions in academic literature has obscured the importance of regional elites in this process The author compares Western Scotland and the west of Crete focusing on the wider regional political and business elites within these regions and attempting a comparison of elite attitudes within regions and between regions

Finance & Development, December 2001 International Monetary Fund. External Relations Dept.,2001-01-01 This paper examines how Africa can reposition itself to take full advantage of globalization while minimizing the risks in the process to accelerate economic growth and reduce poverty The paper highlights that Africa s share of world trade has dwindled foreign direct investment in most countries has remained at low levels and the income gap relative to advanced countries has widened The paper looks at why Africa has missed out so far on the benefits of globalization and indicates what steps Africa now needs to take to boost economic growth

The Oxford Handbook of the European Union Erik Jones,Anand Menon,2012-08-30 This is an authoritative one volume and independent treatment of the history functioning and nature of the European integration Written by a selection of leading scholars It covers the major institutions policies and events in the history of integration whilst also providing a guide to the major theoretical approaches that have been used to study it over time By bringing together such a distinguished cast covering such a wide array of themes the Handbook is intended as a one stop shop for all those interested in the European Union and its predecessors Written in an accessible style the volume is intended to shape the discipline of EU studies and to establish itself as the essential point of reference for all those interested in European integration both in universities and more broadly It represents a timely guide to an institution that is much discussed but often only imperfectly understood

Rethinking Civil Society Regionalism in Africa Dele Kogbe,2022-10-14 This book interrogates the extent to which regional civil society organisations have evolved as actors in West Africa Examining civil society democratic participation in regional integration and involvement in regionalism of peacebuilding it rethinks how we study civil society in the Economic Community of West African States ECOWAS region Beyond the functional typology of civil society actors as partner legitimiser resistance counter hegemonic and manipulator the book develops a new analytical framework to understand how organisations such as the West African Civil Society Forum WACSOF and West African Network for Peacebuilding WANEP have evolved Offering analytical perspectives of the actorship of specific regional civil society actors the book draws attention to the tendencies in the previous studies of mistaking an action or misdeed that is empirically specific to particular civil society organisations within a region to the generality of the
