The Political Economy of Regionalism F. Söderbaum, 2004-10-29 The Political Economy of Regionalism The Case of Southern Africa challenges prevailing wisdom showing how ruling political elites and big business join forces with certain external actors in order to promote market integration and economic globalization boost regimes and to satisfy group specific and even personal interests Only rarely do these forms of regionalism contribute to the poor and disadvantaged who instead opt out and survive through informal economic regionalisms or seek to create regionalisms rooted in civil society

Regionalism and Uneven Development in Southern Africa Fredrik Söderbaum, Ian Taylor, 2003

Towards a New Map of Africa Camilla Toulmin, Ben Wisner, 2012-05-23 The big era defining questions and at last the subtle tenable answers teased out without cliché or compromise A vital volume at a critical moment Dr Augustus Casely Hayford Director Africa 05 This book dispels the myth of a uniformly hopeless hungry continent It shows just how extraordinarily diverse Africa is and how much it has changed in the last 20 years Full of fresh thinking on problems that face Africa and new African approaches to development Richard Dowden

Director Royal African Society This ground breaking book with a foreword by former President of Ireland 1997 and UN Human Rights Commissioner 1997-2002 Mary Robinson uniquely distils the complex issues surrounding Africa at the beginning of the 21st century African and Western scholars provide a fascinating map for the reader to navigate between issues such as urban and rural livelihoods the potential of fresh water fishing health the HIV AIDS crisis conflict and efforts at peacemaking Also included are critical assessments of Africa's role in the global economy the growth of regional economic cooperation within Africa the influence of ethnicity on the continent's politics the evolution of its political institutions and the impact of Africa's legal systems on its development A substantial introductory essay by the editors measures the distance Africa has travelled and the lessons it has learned since Africa in Crisis the classic Earthscan book was published in 1985 Ben Wisner is visiting research fellow at DESTIN London School of Economics and at Benfield Hazard Research Centre University College London and visiting professor of environmental studies Oberlin College USA Camilla Toulmin is Director of the International Institute for Environment and Development Rutendo Chitiga is a freelance writer and editor and has a postgraduate degree in environment and development

The New Politics of Regionalism Ulf Engel, Heidrun Zinecker, Frank Mattheis, Antje Dietze, Thomas Plötze, 2016-10-04 This edited volume approaches regionalism as one potential pattern in a changing global order Since the end of the Cold War different forms of territorialization have emerged and we are confronted with an increasing number and variety of actors that are establishing regional projects This volume offers an innovative contribution to the study of this new complexity by exploring constellations of regional actors spatial scales and imaginations beyond state centred perspectives as well as on multiple often overlapping levels The chapters analyse the emergence trajectories and outcomes of regionalisms from the perspective of the Global South specifically concentrating on regional projects in Latin America and Africa but also in the Asia Pacific They attempt to identify the specific conditions and junctures of different forms of region making in their external global and internal local national dimensions The volume also places special emphasis on interactions spatial entanglements and comparisons between regionalisms in different parts of the world By expanding beyond the perspective of North South transfers this book seeks to better understand the dynamics and diversity of interregional interactions This volume will appeal to scholars of global studies international political economy international relations human geography and development studies as well as area studies specialists who focus on Latin America and Africa

Contemporary Regional Development in Africa Kobena T. Hanson, 2016-03-09 Contemporary Regional Development in Africa interrogates well known concerns in the areas of regionalism and economic integration in contemporary Africa while offering an added uniqueness by highlighting the capacity imperatives of the issues and proposing critical policy guideposts The volume juxtaposes a set of dynamic entanglements new and micro regionalism informal cross border trade intra African and African FDI plus cross border investments infrastructure development science and technology regional value chains conflict management and regional security with fluid interpretations of regional development The

chapters provide snapshots of the several emerging and complex regionalisms and highlight a set of relevant and often overlapping analyses drawing on authors nuanced and granular understanding of the African landscape The varied yet interlinked nature of issues covered in this study make the book valuable and attractive to academics researchers policymakers and development practitioners

European Union and New Regionalism Mario Telò, 2016-04-22 Stemming from an international and multidisciplinary network of leading specialists this best selling text is fully updated with new chapter additions With the first edition prepared at the end of the last century and the second edition adding inter regional relations this new edition focuses on competing models of regional cooperation within a multipolar world and the role of European Union This new edition offers A comparative analysis of regional cooperation and of both US centred and EU centred interregionalism A fresh exploration of key issues of regionalism versus globalization and the potential for world economic and political governance through regional cooperation notably in hard times A vigorous response to conventional wisdom on the controversial EU international identity An appendix on regional and interregional organizations A key resource for postgraduate or undergraduate study and research of international relations European integration studies comparative politics and international political economy Taking into account both the expanded European Union and regional cooperation in every continent this multidisciplinary volume comprises contributions from established scholars in the field A Gamble P Padoan G Joff G Therborn Th Meyer R Higgott B Hettne F Ponjaert F Soederbaum Ch Deblock K Eliassen A Arnottir S Keukeleire I Petrova S Santander and M Tel editor

Transnational Activities of Women-Focused Civil Society Actors in Southern Africa Cecilia Lwiindi Nedziwe, Oluwaseun Tella, 2023-06-30 This book focuses on southern Africa by engaging with norms from various perspectives and how they have proliferated within a neo liberalising context since the 1990s It particularly examines gender norms in relation to agency influence and their impact Despite growing transnational activities regional studies analyses have so far maintained a primarily linear logic not incorporative of the increasing interface between state and non state regionalism in a transnational context since the advent of liberalisation and democratisation Increasing non state activities and their connection to state processes involved in norm creation adaptation diffusion and implementation around broad questions of security including gender security amount to regional thickening The book s analytical approach is informed by alternatives to mainstream approaches emphasising processes rather than linearity inherent in regional international relations studies The research reveals that transnational activities and regionalisation of gender and women focused civil society actors are critical for advocacy and diverse representation within intergovernmental policymaking structures at the regional scale

The Ashgate Research Companion to Regionalisms J. Andrew Grant, 2016-03-23 EU studies increasingly recognize the salience of new regional insights Hence this collection of original essays provides a broad overview of regionalism together with detailed analyses on the construction activities and implications of both established and emerging examples of formal political and economic organizations as well as informal

regional entities and networks Aimed at scholars and students interested in the continuing growth of regionalism The Ashgate Research Companion to Regionalisms is a key resource to understanding the major debates in the field Organized into three main sections this volume deals with a wide range of issues covering the following important research areas Section one covers theoretical and methodological approaches to the study of established and formal regionalism emerging and informal regionalism inter regionalism and levels of regionalism Section two provides detailed case studies of established and formal regionalisms EU NAFTA ASEAN SAARC OAS MERCOSUR AU ECOWAS and SADC Section three offers case studies that investigate emerging and informal regionalisms in Oceania the Arab League BRICSAM and the Commonwealth s as well as thought provoking chapters on micro regional processes evident in spatial development initiatives transnational gangs transfrontier conservation areas and the migration conflict nexus in natural resource sectors With the study of regionalism becoming an increasingly important part of politics international relations development and global studies courses this comprehensive volume is a valuable addition for classroom use

Africa Rising? Ian Taylor, 2014 Africa is said to be rising turning a definitive page in its history heralding new and exciting possibilities for the continent This discourse maintains that with upsurge in economic growth comes improved governance and endogenous dynamics that the emerging economies and especially the BRICS Brazil Russia India China South Africa have been instrumental in diversifying Africa s international relations perhaps leading to a radical change in the global order favourable to the developing world But to what extent is this true and how deep and how broad has been the impact on society at large This book takes a critical look at the prevalent Africa Rising discourse and explores the nature and implications of Africa s rise and the role that the BRICS have played in it The author argues that Africa has still to undergo any structural transformation that there is strong evidence that deindustrialisation and jobless growth have accompanied the upsurge of interest in the continent and that far from making a radical turn in its developmental trajectory Africa is being pushed into the resource corner as commodity exporters to the North and now the BRICS with little scope for industrial progress or skills advancement Hope that the BRICS might offer an alternative to the extant neoliberal order are misplaced for the BRICS have a stake in maintaining the current global inequality Africa must therefore fashion its own independent path while the emerging economies will be important relying on external actors may simply reproduce anew the current state of underdevelopment Ian Taylor is Professor in International Relations and African Politics University of St Andrews Chair Professor Renmin University of China Professor Extraordinary University of Stellenbosch South Africa Honorary Professor Institute of African Studies Zhejiang Normal University China and a Visiting Scholar at Mbarara University of Science and Technology Uganda

Palgrave Advances in Development Studies J. Haynes, 2005-04-21 Palgrave Advances in Development Studies aims to provide readers with an understanding of the disparate theories concerning development their assumptions and the intellectual forces underpinning them In thirteen specially commissioned essays leading contributors from the field of Development Studies present the relevant material to

analyze and evaluate current debates about development together with the intellectual tools to judge contemporary arguments concerning development across the world and the ability to relate theories of development to contemporary policy issues *The Commonwealth Brand* Victoria te Velde, 2016-03-23 te Velde examines Commonwealth identity through the lens of its membership criteria its recent enlargement and its constant reincarnation Far from being an old relic of the past the Commonwealth is a growing vibrant modern international organisation and despite its traditional image Commonwealth membership is shown to be a rather fluid concept that evolves with the times This book identifies and discusses the different theoretical approaches to analysing the Commonwealth In so doing it exposes various shortcomings in current thinking about international relations and the Commonwealth Furthermore it reveals how a number of turning points in the Commonwealth's history have shaped its membership rules and illustrates how the official Commonwealth still has the potential to expand and develop to best reflect an organisation that represents a third of the world's population In terms of further growth of the organisation this book examines the cases of a number of eligible states to assess their likelihood of achieving membership It also incorporates a handful of non eligible states that notwithstanding the new rules are still bent on joining **Capital**

Cities around the World Roman Adrian Cybriwsky, 2013-05-23 This informative resource is a fascinating compilation of the history politics and culture of every capital city from around the world making this the only singular reference on the subject of its kind Every country even the world's youngest nations has a capital city a centralized location which houses the seat of government and acts as the hub of culture and history But what role do capital cities play in the global arena Which factors have influenced the selection of a municipal center for each nation This interesting encyclopedia explores the topic in great depth providing an overview of each country's capital its history and early inhabitants ascension to prominence infrastructure within the government and influence on the world around them The author considers the culture and society of the area discussing the ethnic and religious groups among those who live there the major issues the residents face and other interesting cultural facts *Capital Cities around the World An Encyclopedia of Geography History and Culture* features the capital cities of 200 countries across the globe Organized in alphabetical order by country each profile combines social studies geography anthropology world history and political science to offer a fascinating survey of each location

Practicing Strategy - A South African Steel Industry Context Andretta Tsebe, 2021-10-28 Discussion on strategic management practices that have been applied in the South African steel industry including theory on business rescue that was applied to turn around the industry **The Commonwealth Brand** Dr Victoria te Velde, 2013-04-28 te Velde examines Commonwealth identity through the lens of its membership criteria its recent enlargement and its constant reincarnation Far from being an old relic of the past the Commonwealth is a growing vibrant modern international organisation and despite its traditional image Commonwealth membership is shown to be a rather fluid concept that evolves with the times This book identifies and discusses the different theoretical approaches to analysing the Commonwealth In so doing it exposes various

shortcomings in current thinking about international relations and the Commonwealth Furthermore it reveals how a number of turning points in the Commonwealth s history have shaped its membership rules and illustrates how the official Commonwealth still has the potential to expand and develop to best reflect an organisation that represents a third of the world s population In terms of further growth of the organisation this book examines the cases of a number of eligible states to assess their likelihood of achieving membership It also incorporates a handful of non eligible states that notwithstanding the new rules are still bent on joining

Explaining Global Poverty Branwen Gruffydd Jones,2007-01-24 The twenty first century is characterized by extremes of poverty and wealth of scarcity and abundance The vast inequalities of wealth distribution between the developed west and the impoverished developing world is a complex problem This book recognises that Africa in particular has manifested this global disgrace and symbolizes the nature of poverty to the western world In order to truly emancipate the poverty stricken around the world we must necessarily understand the reasons for its existence In a departure from traditional critical realist theory Gruffydd Jones argues the benefits of reassessing the relevance of objective inquiry and emphasizes its primacy over normative theory in the battle to truly understand the reasons for the African crisis This approach brings us a book of real relevance for inequality in the modern world and gives us an important platform from which to move forwards in the fight against poverty

Annual Report United Nations University,2003

Regionalizing Oman Steffen Wippel,2013-08-16 This volume addresses the historical structures and current dynamics of Oman s regionalization processes and their political economic and social dimensions It is based on an interdisciplinary and trans regional dialogue between scholars from different social sciences and area studies such as political science economics management economic and social geography history social anthropology and linguistics as well as Middle East West Asian gulf and African studies and develops four major axes of research Oman s integration into global and regional flows of goods capital people and ideas The multi scaled political negotiation of such integration or disintegration processes Consequences of suchlike processes and forms of regionalization for translocal actors Ideas and strategic communication of regional belonging and the constitution of regions Each chapter deals with one or more of these issues Part I deals with concepts of regionalisation and region building and presents different approaches that accentuate certain dimensions of these processes and come from different disciplinary backgrounds Part II focuses on the translocal transnational and trans regional movement of people their practices and imaginations be they contemporary labour in and out migrants returnees from Eastern Africa or nomadic tribal members Part III takes a closer look particularly at economic issues and regionalisation processes that are mainly based on multiple trade links regional development policies or politics of regionalism Part IV analyses political and socio cultural issues in regional and global perspectives

Planning and Housing in the Rapidly Urbanising World Paul Jenkins,Harry Smith,Ya Ping Wang,2006-11-21 Written specifically as a teaching text and authored by a team of leading academics in the field this is the first book to bring together the key issues of rapid urbanisation with

approaches to planning and housing Outlining and explaining core concepts from informal settlements to sustainability it focuses on the rapid urbanization of developing countries with case studies from Latin America Asia and Sub Saharan Africa The impact of rapid urbanization and associated globalization on land use and housing is described and analyzed with reference to the particular issues of poverty health and the environment of these areas Providing an accessible introduction to the key issues as well as enhancing current theoretical debates and exploring practical applications this book is an essential resource for students and researchers in this area

While this might not be the Regionalism And Uneven Development In Southern Africa full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Regionalism And Uneven Development In Southern Africa eBooks, including some popular titles.

FAQs About Regionalism And Uneven Development In Southern Africa Books

What is a Regionalism And Uneven Development In Southern Africa PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Regionalism And Uneven Development In Southern Africa PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Regionalism And Uneven Development In Southern Africa PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Regionalism And Uneven Development In Southern Africa PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Regionalism And Uneven Development In Southern Africa PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
