Regionalist Parties In Western Europe:

Regionalist Parties in Western Europe Oscar Mazzoleni, Sean Mueller, 2016-08-25 Regionalist parties matter Over the past 40 years they have played an ever larger role in West European democracies Because of their relevance and temporal persistence their achievements have increasingly become visible not only in electoral arena but also as regards holding office and policy making Enhancing our understanding of these different dimensions of success this book analyses various types of regionalist party success Beyond conventional perspectives the focus of this book is also on how the dimensions of success are related to each other and in particular to what extent electoral and office success jointly or alternatively contribute to policy success Adopting a common theoretical framework and combining the in depth knowledge of country experts each chapter explores the evolution and impact of regionalist parties in regional or federal states that is the UK Germany Italy Spain Belgium and Switzerland This allows for a comprehensive and comparative analysis of one of the main political challenges within West European democracies Regionalist Parties in Western Europe Lieven De Winter, Huri

Tursan, 2003-08-29 Ethnoregionalist parties are an increasingly influential political phenomenon in many Western European countries Despite this there has been little systematic study of these important political parties This volume fills the gap with an exploration of the successes and failures experienced by ethnoregionalist parties in post war Europe *Regionalist Parties in Western Europe* looks in detail at the fortunes of twelve regionalist parties in the Basque country Corsica French speaking Belgium Scotland Wales Catalonia Flanders Italy and South Tyrol Regionalist Parties in Western Europe OSCAR

MAZZOLENI, Sean Mueller, 2016-08-25 Regionalist parties matter Over the past 40 years they have played an ever larger role in West European democracies Because of their relevance and temporal persistence their achievements have increasingly become visible not only in electoral arena but also as regards holding office and policy making Enhancing our understanding of these different dimensions of success this book analyses various types of regionalist party success Beyond conventional perspectives the focus of this book is also on how the dimensions of success are related to each other and in particular to what extent electoral and office success jointly or alternatively contribute to policy success Adopting a common theoretical framework and combining the in depth knowledge of country experts each chapter explores the evolution and impact of regionalist parties in regional or federal states that is the UK Germany Italy Spain Belgium and Switzerland This allows for a comprehensive and comparative analysis of one of the main political challenges within West European democracies **The**

European Union and the Rise of Regionalist Parties Seth Kincaid Jolly, 2015-08-27 Rather than weakening the forces of nationalism among member states the expanding power of the European Union actually fosters conditions favorable to regionalist movements within traditional nation states Using a cross national quantitative study of the advent of regionalist political parties and their success in national parliamentary elections since the 1960s along with a detailed case study of the fortunes of the pro independence Scottish National Party Seth K Jolly demonstrates that supranational integration and

subnational fragmentation are not merely coincidental but related in a theoretical and predictable way. At the core of his argument Jolly posits the Viability Theory, the theory that the EU makes smaller states more viable and more politically attractive by diminishing the relative economic and political advantages of larger sized states. European integration allows regionalist groups to make credible claims that they do not need the state to survive because their regions are part of the EU which provides access to markets, financial institutions, foreign policy and other benefits. Ultimately Jolly emphasizes that scholars and policy makers must recognize that the benefits of European integration come with the challenge of increased regionalist mobilization that has the potential to reshape the national boundaries of Europe.

New Challenges for Stateless

Nationalist and Regionalist Parties Eve Hepburn, 2013-10-18 Throughout Europe stateless nationalist and regionalist parties have moved from niche actors in party systems to mainstream political players. No longer the outsider in party politics, these parties have successfully entered government at the regional and state levels and many have been responsible for pushing the agenda for radical constitutional change in the United Kingdom, Spain, Italy, Belgium, Germany and France. However, the transformation of these parties from peripheral movements to established parties of government does not come without its problems. Whilst these parties were once able to focus on the single issue of self-determination, they have been forced to change their strategies, alter their behaviour and compromise on their principles in order to succeed in an era of electoral volatility, partisan dealignment and multi-level governance. This book explores how stateless nationalist and regionalist parties across Western Europe have responded to the twin challenges of multi-level politics, i.e. operating at the regional, state and European levels and a multi-dimensional policy space whereby they must articulate policy proposals alongside their territorial demands. Written by leading experts in the field, this is a cutting-edge collection of theoretical, analytical and empirical work on the challenges currently facing nationalist and regionalist parties in Europe. This book was previously published as a special issue of *Regional and Federal Studies*.

New Challenger Parties in Western Europe Airo Hino, 2012-06-12 This book provides a systematic and comparative account of the rise of new challenger parties across Western Europe. It analyses how parties that challenge the conventional party system by addressing issues neglected by existing parties can succeed and fail. Systematically comparing 229 elections since 1950 across 15 European democracies, including the United Kingdom, France, Germany, Italy, the Benelux and Scandinavian countries, this book questions why new challenger parties are more successful in some countries than others and analyses the conditions that determine their emergence and subsequent success or failure. As one of the first systematic and comparative examinations of new challenger parties, this book looks at both new politics parties and extreme right parties and the structures to aid their emergence at the time of an election. Identifying two distinctive stages of party development, the author adopts a double hurdle model involving first the chances of emergence and second sustained success. This framework, in combination with a wide range of empirical data, provides for an innovative and insightful analysis of a neglected topic. *New Challenger Parties in Western Europe* will be

of interest to students and scholars of government comparative politics and political parties **Why Regional Parties?**

Adam Ziegfeld, 2016-02-19 The first major study of India's regional parties which discusses why when and where they are electorally successful Origin, Ideology and Transformation of Political Parties Vít Hloušek, Lubomír Kopeček, 2010 In this book Vít Hloušek and Lubomír Kopeček critically apply the party families approach to political parties in the Czech Republic Hungary Poland Slovakia and Slovenia By examining the political relevance of different party families Hloušek and Kopeček are able to assess the validity of this typology in the analysis of the transformation of political parties in this region

Regionalism and Regional Self-Government in South-East Europe Vedran Đulabić, 2024-11-15 The book analyses state of play regarding regional level of government in the countries of South East Europe particularly countries succeeding former Yugoslavia Slovenia Croatia Bosnia and Herzegovina Serbia Montenegro Kosovo and North Macedonia using the research methods from the fields of Law Public Administration and Political Science The book offers fresh analytical perspective of the regional self government issues in these countries out of which every country has particular issues to deal with Be it controversial territorial restructuring debate Croatia complex institutional system B H dealing with territorial concentrated ethnic minorities Serbia Kosovo North Macedonia or the issue of small size and non existence of regional forces Slovenia Montenegro Besides the introductory methodological and concluding synthesis trends and issues for further research chapters the book contains country chapters written by experts from a particular country in the region who follow the same chapter structure which allows further comparisons Besides that the book contains three chapters on several cross cutting issues such as position of ethnic minorities and their territorial regional concentration and institutional representation in the overall system of local and regional self government analysis of regional political parties and movements that influence the debate in these countries and the analysis of position and interplay of deconcentrated state administration and regional self government in analysed countries **Party Families in Western Europe** Peter Egge

Langsæther, 2023-07-21 This comprehensive and comparative book makes clear what party families are and in doing so helps categorise and make sense of parties in different countries It describes the ideology of the families in Western Europe as well as classifying political parties accordingly Furthermore the book examines who the party families supporters are in terms of their social background and political values What role do class education and religion play in the 21st century Finally the book provides a discussion of the degree to which the concept of party families is still meaningful in the 21st century and how it needs to be studied comparatively and comprehensively Is party family still valid as a conceptual device to classify and compare parties across countries in Western Europe This text will be of key interest to scholars students and practitioners working in the field of political behaviour political parties and party politics policy studies and more broadly comparative and European politics *Non-state Wide Parties in Europe* Daniel-Louis Seiler, 1994 **The Impact of European Integration**

on Ethnoregionalist Parties Lieven de Winter, 2001 ECPR News , 1997 **Autonomist Parties in Europe** Beatriz

Acha,2006 Political Strategy and Ideological Adaptation in Regionalist Parties in Western Europe Emanuele Massetti,2010 The aim of the thesis is contribute to the growing comparative literature on regionalist parties in Western Europe focusing on strategy and ideology The research questions correspond to the three ideological dimensions domains which are taken into consideration centre periphery leftright and European integration as well as to the links amongst such dimensions domains why are some regionalist parties more moderate i e autonomists while other are more radical i e secessionists why do some regionalist parties position themselves to the left while others position themselves to the right why are some regionalist parties pro integration while others are against are there relationships between regionalist parties positions across the diverse ideological dimensions The analytical framework brings together sociological theories of political alignments with theories of party competition and theories of party change The empirical section is made up of a comparison of four case studies LN PC SVP and SNP which are analysed in depth plus a final chapter that includes the most important regionalist parties in Western Europe Data are gathered through interviews with prominent party members party documents primarily manifestos election studies and secondary sources In brief in the conclusions it is argued that regions that have been independent states in the past and regions with concentrated ethno linguistic minorities tend to produce more radical parties on the centre periphery dimension Competition between regionalist parties acting in the same region also increases radicalism working class regions tend to produce leftist regionalist parties while bourgeois regions tend to produce rightist regionalist parties positioning on European integration depends mainly on the compatibility of the selfgovernment project with the process of European integration and on parties satisfaction with the policy output of the state vis a vis that of the EU only weak relationships can be discerned between centre periphery and left right positioning and between centre periphery and European integration A stronger relationship is apparent between left right and European integration positioning

Small Parties in Western Europe Ferdinand Müller-Rommel,Geoffrey Pridham,1991-02 An analysis of small parties in Western Europe this book examines the subject in various ways The increasing impact of small parties has begun to mean that their political and social functions can be out of proportion to their size Case studies of Greece Italy UK and Denmark are included **Representative Government in Western Europe** Michael Gallagher,Michael Laver,Peter Mair,1992

Regional Institutions and Governance in the European Union José María Magone,2003-08-30 Highlights some of the problems involved in the integration of regional national and supranational levels of governance in the European Union

Contentious Regions in the European Union Álvaro Morcillo Laiz,2009 This dissertation gauges the influence of regions from EU decentralized member states on European policies The ability of regions to shape EU decisions has been at the center of discussions on European integration theory and of EU politics for fifteen years now By combining evidence from German Italian and Spanish federalism and from two EU policy areas audiovisual and cohesion the author shows why and when understanding EU policies requires taking regional lobbying of the European Parliament and the Commission into

consideration This first attempt to combine the literature on The Europe of the Regions and on multi level governance with policy analysis will be illuminating for scholars and practitioners interested in the EU decision making process as well as for those concerned with Europeanization Dissertation **Western European Government and Politics** Michael Curtis, Giuseppe Ammendola, 1997 Providing comprehensive and up to date information about each country and Western Europe as a whole the text includes a unique chapter on the European Union that discusses the latest developments and studies the drive towards a European Union

Regionalist Parties In Western Europe Introduction

In the digital age, access to information has become easier than ever before. The ability to download Regionalist Parties In Western Europe has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Regionalist Parties In Western Europe has opened up a world of possibilities. Downloading Regionalist Parties In Western Europe provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Regionalist Parties In Western Europe has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Regionalist Parties In Western Europe. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Regionalist Parties In Western Europe. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Regionalist Parties In Western Europe, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Regionalist Parties In Western Europe has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and

prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Regionalist Parties In Western Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Regionalist Parties In Western Europe is one of the best book in our library for free trial. We provide copy of Regionalist Parties In Western Europe in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Regionalist Parties In Western Europe. Where to download Regionalist Parties In Western Europe online for free? Are you looking for Regionalist Parties In Western Europe PDF? This is definitely going to save you time and cash in something you should think about.
