Men in Place Miriam J. Abelson, 2019-03-19 Daring new theories of masculinity built from a large and geographically diverse interview study of transgender men American masculinity is being critiqued questioned and reinterpreted for a new era In Men in Place Miriam J Abelson makes an original contribution to this conversation through in depth interviews with trans men in the U S West Southeast and Midwest showing how the places and spaces men inhabit are fundamental to their experiences of race sexuality and gender Men in Place explores the shifting meanings of being a man across cities and in rural areas Here Abelson develops the insight that individual men do not have one way to be masculine rather their ways of being men shift between different spaces and places She reveals a widespread version of masculinity that might be summed up as strong when I need to be soft when I need to be using the experiences of trans men to highlight the fundamental construction of manhood for all men With an eye to how societal institutions promote homophobia transphobia and racism Men in Place argues that race and sexuality fundamentally shape safety for men particularly in rural spaces and helps us to better understand the ways that gender is created and enforced

The Beginner's Guide to Underwater Digital Photography Larry Gates, 2010-03-01 Simplifying the seemingly difficult and expensive art of underwater photography this accessible investigation outlines the four elements of success focus exposure composition and subject Beginning with an overview of

necessary diving skills this survey reviews these four categories in detail depicting how to obtain superior results even without the latest and greatest equipment Maintenance and first aid tactics are presented as well reducing the chance of disappointing malfunctions during a dive Also covered is the importance of developing a photography plan beforehand both for the safety of the divers and the protection of the underwater environment Concluding with post shoot techniques for choosing the best frames cropping photos for printing and the top methods of presentation this examination demonstrates how underwater images can be used to share the world of diving while promoting important conservation efforts *New Man Journey* Steve Silver,2013-02-01 While retirement can be liberating it can also feel daunting For decades a man focuses on building his career providing for his family and being a father to his children But once the career has faded and the children have grown what s the his next step What s his next great challenge Himself *New Man Journey* offers a practical game plan for men seeking purpose fulfillment and spiritual growth Drawing from years of senior men s ministry and his own journey Steve Silver encourages readers to examine their priorities and plan for the adventure of a lifetime Warm in tone conversational in style *New Man Journey* is ideal for any retiree who s ready for the next challenge and chapter of his life

Striking Steel Jack Metzgar, 2011-01-19 Having come of age during a period of vibrant union centered activism Jack Metzgar begins this book wondering how his father a U S Steel shop steward in the 1950s and 60s and so many contemporary historians could forget what this country owes to the union movement Combining personal memoir and historical narrative Striking Steel argues for reassessment of unionism in American life during the second half of the twentieth century and a recasting of official memory As he traces the history of union steelworkers after World War II Metzgar draws on his father's powerful stories about the publishing work in the mills stories in which time is divided between before the union and since His father Johnny Metzgar fought ardently for workplace rules as a means of giving the

men some control over their working conditions and protection from venal foremen He pursued grievances until he eroded management's authority and he badgered foremen until he established shop floor practices that would become part of the next negotiated contract As a passionate advocate of solidarity he urged coworkers to stick together so that the rules were upheld and everyone could earn a decent wage Striking Steel's pivotal event is the four month nationwide steel strike of 1959 a landmark union victory that has been all but erased from public memory With remarkable tenacity union members held out for the shop floor rules that gave them dignity in the workplace and raised their standard of living Their victory underscored the value of sticking together and reinforced their sense that they were contributing to a general improvement in American working and living conditions The Metzgar family's story vividly illustrates the larger narrative of how unionism lifted the fortunes and prospects of working class families It also offers an account of how the broad social changes of the period helped to shift the balance of power in a conflict ridden patriarchal household Even if the optimism of his generation faded in the upheavals of the 1960s Johnny Metzgar's commitment to his union and the strike itself stands as an honorable example of what a collective action can and did achieve Jack Metzgar's Striking Steel is a stirring call to remember and renew the struggle

Rehabilitation of the Chronic Alcoholic Benjamin Kissin, 2012-12-06 The present volume contains a large variety of treatment approaches to the long term rehabilitation of the alcoholic ranging from the biological to the physiological to the psychological to the social The multiplicity of proposed therapies each of which has its strong proponents suggests that alcoholism is either a complex medical social disease syndrome requiring a multipronged treatment approach or a very simple illness for which we have not yet discovered the remedy The latter may indeed be true but we cannot use what we do not know and must use what we do know We do however have the obligation to be responsible in our treatment to provide the best that is known at this time and to be discriminating in our prescription of appropriate treatment for individual patients If there is one conclusion we would like to offer in our preface it is that alcoholics constitute a markedly

heterogeneous population with widely disparate needs for whom at least at our present level of knowledge a broad spectrum of treatment modalities is necessary If this is true then probably most of this book has validity With this volume on the treatment and rehabilitation of the chronic alcoholic we bring to completion our five volume series The Biology of Alcoholism As the title of the present volume indicates we have departed from our original intention to deal solely with biological aspects of the syndrome and have attempted rather to produce a more comprehensive work **George Mills Stanley**

Elkin,2010-10-26 An age old family curse fuels this National Book Critics Circle Award winner Elkin s imagination should be declared a national landmark Paul Auster Since the time of the First Crusade every generation of the Mills family has been consigned by fate to an unfulfilling servile existence And each successive Mills has had a son George to perpetuate the family plight through history Whether a stable hand in feudal Europe or a prisoner in an Ottoman harem each George Mills falls prey to his hereditary misfortune until the modern George Mills threatens to reverse this fate once and for all Written with penetrating insight and wit George Mills is an engrossing story of one man s salvation and an unforgettable defense of free will in even the most overwhelming of circumstances This ebook features rare photos and never before seen documents from the author s estate and from the Stanley Elkin archives at Washington University in St Louis **Guy's Hospital Gazette**
