McLeay, Angelo Riccaboni, 2012-12-06 Contemporary Issues in Accounting Regulation looks at accounting regulation in a

different way The opening chapters explore the tension between the power of the state and the forces of the market and

other aspects of the political dimension to accounting regulation The book also examines the process of setting accounting

standards highlighting the crucial role of standard setters in assessing the level of public support for an issue in the face of

opposing positions taken by powerful interest groups In addition the book provides an introduction to the theoretical

framework of accounting regulation looking at choices between controversial accounting methods and at markets that are

characterized by asymmetry of information and beliefs The final chapters of the book are concerned with creative accounting

deregulation of financial reporting by smaller companies and the link between price regulation and accounting policy choices

**Transnational Policy Innovation** Fabrizio De Francesco, 2024-10-31 This book analyses the role of the OECD in

diffusing policy innovations Through the study of regulatory impact analysis RIA it shows how transnational networks affect

national policy process De Francesco s analytical framework encompasses the institutional features as well as internal and

international determinants of a policy innovation such as RIA Drawing on original data sets three empirical analyses assess to

what extent government decisions to adopt implement and evaluate RIA were driven by the OECD Transnational Policy

Innovation argues that concepts of policy innovation diffusion provide a useful framework for understanding the dynamics of

transnational governance It shows that the OECD has been successful in framing and diffusing a template of evidence based

decision making However downplaying RIA as an instrument of political control has limited the influence of the OECD's peer review and comparative indicators on the administrative and institutional setting      **Books in Series**, 1985 Vols for 1980 issued in three parts Series Authors and Titles      *Bibliographic Guide to Business and Economics* New York Public Library.
