**Rehabilitation Issues, Problems, and Prospects in Boot Camp** Brent Benda, Nathaniel J. Pallone, 2013-04-03 Boot camps what are their effects on criminal behavior Public and political support for boot camps as alternative correctional facilities has rarely faltered since their inception decades ago though their efficacy remains uncertain Rehabilitation Issues Problems and Prospects in Boot Camp explores all facets of the controversial issue from the attitudes and perceptions of the public to the political motivations in maintaining them on to the latest research on the camps and their graduates Respected authorities discuss boot camps effectiveness on diverse groups according to age gender race and correctional facility Cost factors between boot camps and other correctional institutions are compared along with the latest criminal recidivism data Boot camps provide inmates with an uncomfortable paramilitary style environment with an eye toward shorter incarceration time lower costs and more positive effects on criminal behavior Does this correctional model work as anticipated Rehabilitation Issues Problems and Prospects in Boot Camp gives you the facts revealing the public and political arguments for and against boot camps as well as the research on the theoretical predictors of criminal recidivism and the differing attitudes of attendees toward the facilities according to gender and race Critical policy issues are identified and discussed in depth with particular emphasis given to the positive and negative aspects of rehabilitation possibilities of boot camps Helpful tables clearly illustrate statistics while extensive references provide opportunities for further insight Rehabilitation Issues Problems and Prospects in Boot Camp explores questions such as criminal recidivism what are the theoretical predictors what effect does gender have on criminal recidivism what is the effect of this hypermasculine paramilitary prison environment have on males and females what are the differences between Native American and non Native American perceptions of boot camp is the perceived severity of boot camp different for gender what is the process for policymaking in creating and maintaining boot camps what role does politics play in the continuation of boot camps what corrections to boot camp facilities should be made based upon evidence and research Rehabilitation Issues Problems and Prospects in Boot Camp is a thorough examination of the social and political issues about boot camps that makes essential reading for educators students sociologists criminologists psychologists counselors and criminal justice professionals

**Rehabilitation Issues, Problems, and Prospects in Boot Camp**, 2011 **Routledge Handbook of Corrections in the United States** O. Hayden Griffin III, Vanessa H. Woodward, 2017-09-01 The Routledge Handbook of Corrections in the United States brings together original contributions from leading scholars in criminology and criminal justice that provide an in depth state of the art look at the most important topics in corrections The book discusses the foundations of corrections in the United States philosophical issues that have guided historical movements in corrections different types of punishment and supervision trends in incarceration issues affecting race ethnicity and special populations in corrections and a variety of other emerging issues This book scrutinizes innovative community programs as well as more traditional sanctions and exposes the key issues

and debates surrounding the correctional process in the United States Among other important topics selections address the inherent discrimination within the system special issues surrounding certain populations and the utilization of the death penalty as the ultimate punishment This book serves as an essential reference for academicians and practitioners working in corrections and related agencies as well as for students taking courses in criminal justice criminology and related subjects

*Battleground: Criminal Justice* Gregg Barak,2007-10-30 There are many controversial aspects of our criminal justice system and this encyclopedia examines the most significant controversies throughout American history with emphasis on current debates trends and issues Arranged alphabetically approximately 100 entries cover background explanations notable cases and events various sides of an issue and what to expect in the future Entries are objective and factual allowing readers to formulate their own conclusions Sidebars and case examples help to illustrate each entry and sources for further reading point readers to other important materials Given the prevalence of controversial criminal justice topics in the news this timely reference is an important resource for anyone interested in crime and justice Entries include Boot Camps Corporal Punishment DNA Evidence Domestic Violence Expert Testimony Eye Witness Identifications Gun Control Homeland Security International Criminal Court Legalization of Marijuana Mental Health and Insanity Police Brutality Prison Violence Racial Profiling School Violence Sex Offender Laws Stalking Laws Supermax Prisons Three Strikes Treating Juveniles as Adults War on Drugs and more

The Punitive Turn in American Life Michael S. Sherry,2020-10-29 In 1965 President Lyndon Johnson insisted that the policeman is the frontline soldier in our war against crime and police forces arms makers policy makers and crime experts heeded this call to arms bringing weapons and practices from the arena of war back home The Punitive Turn in American Life offers a political and cultural history of the ways in which punishment and surveillance have moved to the center of American life and become imbued with militarized language and policies Michael S Sherry argues that by the 1990s the war on crime had been successfully broadcast to millions of Americans at an enormous cost to those arrested imprisoned or killed and to the social fabric of the nation and that the currents of vengeance that ran through the punitive turn underwriting torture at home and abroad found a new voice with the election of Donald J Trump By 2020 the connections between war fighting and crime fighting remained powerful evident in campaigns against undocumented immigrants and the militarized police response to the nationwide uprisings after George Floyd s murder Stoked by forever war the punitive turn endured even as it met fiercer resistance From the racist system of mass incarceration and the militarization of criminal justice to gated communities public schools patrolled by police and armies of private security Sherry chronicles the United States slide into becoming a meaner punishment obsessed nation

**Encyclopedia of Social Problems** Vincent N. Parrillo, 2008-05-22 Social problems affect everyone Because so many actual and potential problems confront us it is often difficult to decide which ones affect us most severely Is it the threat of death or injury during a terrorist attack Is it the threat caused by industrial pollution that may poison us or destroy our physical environment Or does quiet but viciously damaging gender age class racial or ethnic discrimination have the most far reaching effect Do the problems of cities affect us if we live in the suburbs Do poorer nations problems with overpopulation affect our quality of life The Encyclopedia of Social Problems

offers an interdisciplinary perspective into many social issues that are a continuing concern in our lives whether we confront them on a personal local regional national or global level With more than 600 entries these two volumes cover all of the major theories approaches and contemporary issues in social problems and also provide insight into how social conditions get defined as social problems and the ways different people and organizations view and try to solve them Key Features Provides as comprehensive an approach as possible to this multifaceted field by using experts and scholars from 19 disciplines anthropology biology business chemistry communications criminal justice demography economics education environmental studies geography health history languages political science psychology social work sociology and women s studies Presents a truly international effort with contributors from 17 countries Argentina Australia Canada England France Germany Greece Hong Kong India Ireland Italy Kenya New Zealand Romania Scotland Turkey and the United States Addresses social problems that are fairly new such as computer crimes and identity theft and others that are centuries old such as poverty and prostitution Examines social problems differently from place to place and from one era to another Explains the perspectives and foundations of various social theories and offers different lenses to view the same reality Key Themes Aging and the Life Course Community Culture and Change Crime and Deviance Economics and Work Education Family Gender Inequality and Sexual Orientation Health Housing and Urbanization Politics Power and War Population and Environment Poverty and Social Class Race and Ethnic Relations Social Movements Social Theory Substance Abuse Readers investigating virtually any social problem will find a rich treasure of information and insights in this reference work making it a must have resource for any academic library

Imprisoning Communities Todd R. Clear, 2009-03-27 In the first detailed empirical exploration of the effects of mass incarceration on poor places Imprisoning Communities demonstrates that in high doses incarceration contributes to the very social problems it is intended to solve it breaks up family and social networks deprives siblings spouses and parents of emotional and financial support and threatens the economic and political infrastructure of already struggling neighborhoods Especially at risk are children who research shows are more likely to commit a crime if a father or brother has been to prison Clear makes the counterintuitive point that when incarceration concentrates at high levels crime rates will go up Removal in other words has exactly the opposite of its intended effect it destabilizes the community thus further reducing public safety

Abel,2016-03-07 This is a comprehensive up to date and evidence based review of women s mental health It starts by considering the social and cultural contexts of women s lives today before addressing how developmental aspects pertain to mental health exploring biological evolutionary and psychosocial parameters The heart of the book contains a series of chapters with a clinical emphasis These aim to elucidate causal mechanisms for gender differences in mental disorder considering hormonal and environmental influences The therapeutic implications of gender are then addressed in some detail with a focus on inter partner and other forms of violence substance misuse personality disorder and post traumatic stress disorder The book concludes with a detailed section considering psychosis and its sequelae in women and their families The book s scope is intended to be broad and it is aimed at a clinical audience including psychiatrists and general physicians as well as mental health nurses psychologists social workers and occupational therapists **Criminal Mental Health and Disability Law, Evidence and Testimony** John Parry,2009 *Corrections: A Text/Reader* Mary K. Stohr,Anthony Walsh,Craig Hemmens,2012-03-20 Corrections A Text Reader Second Edition is designed for undergraduate and or graduate corrections courses Organized like a traditional corrections text it offers brief authored introductions in a mini chapter format for each key Section followed by carefully

selected and edited original articles by leading scholars This hybrid format ensuring coverage of important material while emphasizing the significance of contemporary research offers an excellent alternative which recognizes the impact and importance of new directions and policy in this field and how these advances are determined by research     The Evidence Enigma Tiffany Bergin, 2016-03-03 Why do policymakers sometimes adopt policies that are not supported by evidence How can scholars and practitioners encourage policymakers to listen to research This book explores these questions presenting a fascinating case study of a policy that did not work yet spread rapidly to almost every state in the United States the policy of correctional boot camps Examining the claims on which the implementation of the policy were based including the assertions that such boot camps would reduce reoffending save public money and ease overcrowding none of which proved to be universally accurate The Evidence Enigma also investigates the political economic cultural and other factors which encouraged the spread of this policy Both qualitative and quantitative methods are used to test hypotheses as the author draws rich comparisons with other policies including Drug Abuse Resistance Education DARE abstinence only sex education programs and the electronic monitoring or tagging of offenders in England and Wales Presenting important lessons for guarding against the proliferation of policies that don't work in future this ground breaking and accessible book will be of interest to those working in the fields of criminology sociology and social and public policy     Mental Disability Law, Evidence, and Testimony John Parry, Eric York Drogin, 2007 This new book written by ABA Commission on Mental and Physical Disability Law Director John Parry J D and forensic psychologist Eric Y Drogin J D Ph D Manual has been formatted and written to guide lawyers judges law students and forensic and other mental disability professionals through the maze of civil and criminal laws standards and evidentiary pitfalls and forensic practices that characterize this area of the law Moreover it summarizes what empirical evidence exists to support or raise concerns about these legal standards and forensic practices when they are introduced in the courtroom     **Correctional Boot Camps** Doris L. MacKenzie, Gaylene S. Armstrong, 2004-02-20 Boot camps have developed over the past two decades into a program that incorporates a military regimen to create a structured environment While some critics of this method of corrections suggest that the confrontational nature of the program is antithetical to treatment authors Doris Layton MacKenzie and Gaylene Styve Armstrong present research knowledge and personal discussions with community leaders that offer insight into both the strengths and weaknesses of this controversial form of corrections Correctional Boot Camps Military Basic Training or a Model for Corrections provides the most up to date assessment of the major perspectives and issues related to the current state of boot camps The book goes beyond cursory examinations of the effectiveness of boot camps presenting an in depth view of a greater variety of issues Correctional Boot Camps examines empirical evidence on boot camps drawn from diverse sources including male female juvenile and adult programs from across the nation The book explores empirical research on both the punitive and rehabilitative components of the boot camp model and the effectiveness of the tough on crime aspects of the

programs that are often thought of as punishment or retribution in lieu of a longer sentence in a traditional facility. Thus, offenders earn their way back to the general public more quickly because they have paid their debt to society by being punished in a short-term but strict boot camp. *Correctional Boot Camps* is a comprehensive textbook for undergraduate and graduate students studying corrections and juvenile justice. The book is also a valuable resource for correctional professionals interacting with offenders.
