Zealand Bush Rei Hamon,1971 **Rei Hamon, Artist of the New Zealand Bush** Rei Hamon,1971 Strangers Arrive
Leonard Bell,2017-11-17 None of us had the faintest idea where we were going but during 1938 39 the town Christchurch
was made strangely interesting for anyone like myself with the scattered arrival of the refugees All at once there were people
among us who were actually from Vienna or Chemnitz or Berlin who knew the work of Schoenberg and Gropius Anthony
Alpers 1985 From the 1930s through the 1950s a substantial number of forced migrants refugees from Nazism displaced
people after World War II and escapees from Communist countries arrived in New Zealand from Europe Among them were
an extraordinary group of artists and writers photographers and architects whose European modernism radically reshaped
the arts in this country In words and pictures Strangers Arrive tells their story Ranging across the arts from photographer
Irene Koppel to art dealer and printmaker Kees Hos architect Imric Porsolt to writer Antigone Kefala Leonard Bell takes us
inside New Zealand s bookstores and coffeehouses studios and galleries to introduce us to a compelling body of artistic work
He asks key questions How were migrants received by New Zealanders How did displacement and settlement in New
Zealand transform their work How did the arrival of European modernists intersect with the burgeoning nationalist
movement in the arts in New Zealand Strangers Arrive introduces us to a talented group of aliens who were critical catalysts
for change in New Zealand culture The Loving Stitch Heather Nicholson,2013-11-01 The Loving Stitch is an engaging
history of a subject never before explored but familiar to many New Zealanders Heather Nicholson s knowledge of knitting
and spinning is formidable but she also knows how to tell a good story and has a keen sense of humor The Loving Stitch
presents a chronological account of antipodean knitting which is also a history of the domestic lives of women of their
resourcefulness their talent and sociability She follows the growth of pattern books the role of knitting for troops in the two
world wars knitting in the Depression and the recent interest in art knitting She also explores the different items produced
by the skilled knitter from jerseys and guernseys to counterpanes socks and stockings and a scarf that stretched right round
Parliament Buildings The book also includes material on spinning and on local wool mills as well as general good advice
drawn from the personal experience of hundreds of knitters and spinners The Loving Stitch is impeccably researched it is full
of characters memories and advice and it is superbly illustrated Forest and Bird ,1977 New Zealand Ray Grover,1980
Elderflora Jared Farmer,2022-10-18 The epic story of the planet s oldest trees and the making of the modern world
Humans have always revered long lived trees But as historian Jared Farmer reveals in Elderflora our veneration took a
modern turn in the eighteenth century when naturalists embarked on a quest to locate and precisely date the oldest living
things on earth The new science of tree time prompted travelers to visit ancient specimens and conservationists to protect

sacred groves Exploitation accompanied sanctification as old growth forests succumbed to imperial expansion and the industrial revolution Taking us from Lebanon to New Zealand to California Farmer surveys the complex history of the world's oldest trees including voices of Indigenous peoples religious figures and contemporary scientists who study elderflora in crisis In a changing climate a long future is still possible Farmer shows but only if we give care to young things that might grow old Winner of the 2023 Jacques Barzun Prize in Cultural History **The New Zealand Official Year-book** New Zealand.
