Isabella Lancaster s oppressive rule has plunged the vibrant metropolis into a dark age of fear and despair Her opulent palace a symbol of her tyrannical dominance casts a shadow over the city with its once thriving streets now silent and desolate Isabella s regal presence marked by extravagant gowns and a cold gaze instills dread in her subjects whose lives are marred by economic devastation and stifling fear of her iron fisted control Within the palace walls a treacherous atmosphere prevails as alliances shift and betrayals loom leaving the once united citizens fractured and isolated trapped in a city held captive by her malevolent ambitions Beneath the fa ade of elegance lies Isabella s ruthless pursuit of power manifested through calculated manipulations and merciless taxation that have driven families into poverty The metropolis once a beacon of hope now stands as a testament to her unyielding grip with citizens living in constant fear of retribution Isabella s reign has transformed bustling markets into ghost towns and transformed the palace into a symbol of fear turning the once beautiful cityscape into a landscape of broken spirits under the weight of her despotic rule *Reign of Shadows* Melissa Wright,2014
