If you're drawn to the healing art of Reiki you might be a highly sensitive person with high levels of empathy, intuition and latent psychic abilities, a combination of intuition and inner knowing plus the ability to connect with higher wisdom. And since Reiki is a form of energy healing, many new practitioners may experience what's called a psychic opening as they learn or practice. For this reason it's important that every Reiki practitioner master the ability to navigate their empathic and psychic sensitivities while engaged in this work, and this book can help. Whether you're new to Reiki or you're a practitioner seeking to deepen your knowledge and enhance your skills with this guide, you'll learn how to use Reiki to heal yourself and others, cultivate and trust your natural intuition, develop your empathic and psychic abilities, work with your spirit guides and ground and protect yourself as a practitioner of this sacred healing art.
