

WHAT IS REIKI ATTUNEMENT?

The Reiki attunement is a powerful, highly spiritual experience. The process allows a master healer to open the crown, heart, and palm chakras to create a special connection between the student and Reiki source.

The process of energy transfer can be transferred from person to person and a single attunement is all it takes to begin healing with Reiki. Once you have the energy passed to you from a master, it cannot and never will leave you.

Since there are multiple levels of Reiki, you'll need another attunement each time you move up. While you only need one attunement for each level, more than one attunement can however provide additional benefit.

Reiki Healing : Reiki Attunement for Beginners and Advanced Anthony Blundetto, 2012-12-01 Reiki is a Japanese healing technique that is used for relaxation reduction of stress and healing Its foundation is in the belief that there is an unseen energy flowing in living organisms This energy is generally called ki or life force energy and it is everywhere and the mind has the ability to harness it Rei means universal or present in all places Reiki basically operates by breaking up negative energy and restoring it with healing and positive energy that is passed through the hands of the teacher or practitioner whose hands become hot during

the treatment process The Reiki technique is easy to learn even though it is not taught in the usual way and the student is taught by the Reiki Master as to how use the method There is no special intellectual capacity or specific state of spiritual development that is needed to learn and to perform Reiki healing and this therefore renders it available to persons of various ages and backgrounds all over the world It is deemed to be a kind of alternative treatment that has the basic task of positively healing individuals through the transfer of energy The basic tenet of Reiki healing is that we all have an energy life force which flows up and down through our bodies and this energy life force can be used by Reiki practitioners and by self after you have learnt how to utilize Reiki to heal yourself as well as others

universal gift for our time The healing stories are too numerous to count but she does include specific testimonials within her manual that speak for the thousands of others who have been healed through the doorway of Reiki In this way Eileen s Advanced and Master Level Training Manual becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner and teacher Written with inspiration and clarity Eileen takes the reader on an amazing journey into the dynamic world of the inner self Like a fresh current of air she presents her material in an appealing and easily digestible manner The uniqueness of Eileen s Reiki training manual lies in her ability to weave the Christ conscious healing dimension into it just as an alchemist would when producing gold In this way Eileen shows how the revered eastern practice of Reiki discovered by Dr Mikao Usui a Japanese Buddhist in the early 20th century can blend perfectly with a Christian heritage of healing where the one enhances the other At the same time she shows how this simple profound method of hands on healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone Often people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully Others go away from the treatment or training feeling restored refreshed and renewed Reiki the universal Life Force Energy of God is not a new invention or modern day fad Its roots are planted deep in ancient history In the Old Testament Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time Even science and the world of medicine are looking at this complementary form of healing called Reiki with fresh new eyes Its worldwide impact can no longer go unnoticed About the Author Eileen Curteis a Sister of Saint Ann is a Reiki Master teacher and practitioner who has taught and treated thousands of people over the last eighteen years at Queenswood a former retreat and spirituality centre in Victoria BC Preceding this Eileen was a teacher principal and educator for twenty seven years Her greatest passion lies in her healing ministry and in the literary arts She has authored eleven books to date and through the years has become an accomplished poet artist writer as well as being a producer of six CDs and three films Planetary Ray Attunements Chris Comish,2022-11-09 The twelve rays are the twelve Planetary Rays that exist on this planet Each is a stepped down version of the original Cosmic Rays at the Creator levels This does not mean they are not powerful on the contrary they are perfectly powerful for all of us here on Earth Each human being is created from many of these rays which give us our attributes Each of us is stronger in some rays and weaker in others That is why it is important to call on the rays to balance oneself If you want personal power call on the red ray If you want cleansing call on the eighth ray If you are doing scientific work call on the fifth ray If you want devotion call on the sixth ray If you want transmutation call on the seventh ray If you want pure Christ consciousness call on the twelfth ray If you want to attract your body of light call on the ninth ray Each of the Ascended Masters is a Chohan or Master of a particular ray This book provides you the tools to call upon the Planetary Rays for healing Reviews Chris is an amazing person with a strong will and unlimited talent He can do anything that he puts his mind to Neal Parks founder Parks
