Reincarnation in Simple, Easy to Understand Terms, Yesterday's Bestsellers Brian M. Stableford, 1998-01-01 A study of the popluar fiction of the past The Theosophical Path Katherine Augusta Westcott Tingley,1922 The Message Beyond Words: The Illusion of Death and the Reality of Living: Talks on the Kathopanishad Osho, 2025-04-10 The Message beyond Words is an invitation to understand what death really is and thus transform the way you live These talks are based on the ancient Kathopanishad which tells the story of a small boy Nachiketa who is sent by his father to face the Lord of Death This Upanishad is traditionally read as someone is dying to inspire the people they love the people who are present to begin their search for a conscious life By exploring the methods described in this book a person frozen in their fear of death can melt flow and really begin to live for the first time Once you really face your fears about death says Osho your life will automatically transform and become conscious joyful and silent Osho defies all categorization As he says I am not much of a religious person I am not a saint I have nothing to do with spirituality All those categories are irrelevant about me You cannot categorize me you cannot pigeonhole me But one thing can be said that my whole effort is to help you release the energy called love intelligence If love intelligence is released you are healed Mindful Spirituality Duncan S. Ferguson, 2018-02-28 The world contrary to popular Century Path ,1902 ,1893 understanding is not less religious but in many ways more religious than ever Two issues seem to be emerging in this resurgence One is the need for a spiritual center that gives integration a sense of inner peace ethical guidance and meaning and direction in life It is present in most of the world's great religious traditions and present elsewhere as humans seek to find their way in a confusing conflicted and rapidly changing world Accompanying this quest for a deeper spirituality is the God question and a desire to understand the divine in new ways that match a contemporary worldview This book Mindful Spirituality invites the reader to find a thoughtful credible and satisfying way to address these two major concerns While starting within a Christian frame of reference the book is not exclusive but ecumenical and interfaith in spirit It is especially helpful to those with no set spiritual pathway and those disenchanted with traditional approaches that seem out of date and for another era In a deep and sacred way it invites the reader to reach upward for a thoughtful way of understanding transcendence to open inward for a mature and gratifying spirituality and to expand outward in responsible and loving Bhagavad Gita for Modern Times Sada Shiva Tirtha, Swami Sadashiva Tirtha, 2007 Offers a modern interpretation service of the Bhagavad Gita and provides suggestions on how its teachings can be applied to everyday life **What Christians** Can Learn from Other Religions J. Philip Wogaman, 2014-03-24 Examining other religions provides Christians the opportunity to more deeply understand their own beliefs Learning about other religions is not the same as learning from other religions which can have great value to Christians who wish to strengthen their faith In this book s ten easy to read chapters Wogaman shows readers what Christians can learn from different religions such as Judaism Islam Hinduism

Buddhism and even from atheism From these religions Christians can achieve insight into love sin ritual the importance of myth to convey truth the foundational roots of Christianity the dark side of Christian history and many other important ways to see and interpret the world and to understand God The book concludes with a chapter on what other religions can learn from Christianity Perfect for church study groups each chapter ends with questions for discussion Dale Moody, 1981-01-16 Bringing together the insights of several disciplines biblical theology modern science biblical criticism textual source form redaction historical theology and the history of doctrine Moody develops a systematic theology that is biblically grounded and ecumenically oriented Thoroughly indexed The Field of Philosophy Joseph Alexander Weekly World News ,1995-01-17 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www weeklyworldnews com is a leading entertainment news site Book Review Digest ,1919 Awake and Ready Hriman McGilloway, 2023-10-01 Once and Future Christ When East Meets West There is a great need in these times for a deeper and more universal understanding of the teachings of Jesus Christ No mere intellectual analysis possesses the spiritual power and grace to transform the divisive dogma that separates sincere Christians from other faiths The yogis of India both ancient and modern have gifted to the world a revelation of universality for the healing of the nations Paramhansa Yogananda came to America in 1920 to focus the light of India's timeless and timely wisdom upon the teachings of Jesus Christ In Once and Future Christ Nayaswami Hriman McGilloway expands upon that message with the inclusion of modern scientific discoveries and an exploration of the similarities and relationships between Christianity and Yoga This book describes the inevitable evolution of Christian dogma towards greater inclusivity The pathway of this future evolution leads to an understanding that the individual soul's relationship to God is the goal of the spiritual life. The beauty harmony and sacredness of individual spiritual traditions need not be sacrificed but may someday be understood in a deeper and more personally meaningful light
