The Wicca Handbook Eileen Holland, 2008-10-01 The Wicca Handbook is both a tutorial for new witches and an exceptionally well organized reference book for experienced practitioners It guides us through the first steps in becoming a witch and explores many Wiccan traditions initiations and magical practices The Wiccan year the eight Sabbats along with many of its rituals and ceremonies are examined Holland also provides the background of every facet of witchcraft such as spells for every occasion psychic protection numerology basic astrology and the lore of stones metals candles animals and much more High Priestess Eileen Holland s helpful guide is rooted in practicality and intended as a working handbook not a simple beginner s guide The information is rich clear directions are

given and its range of content is extensive Spells circles crystals and color magic herbs health and healing are all covered with abundant direction on how to do it when to do it and suggestions for seeking guidance from the deities Those who have been on their path for a few years will find this a great reference book to refer to time and again **A Handbook of the Christian Faith** John Schwarz,2004-08-01 A Handbook of the Christian Faith is a one volume overview of the Bible church history Christian beliefs and practices other religions and other issues of Christianity written in an easy to understand style Organized in ten thematic chapters the book is designed for use by individuals or study groups I cannot think of a more helpful resource for adults who are serious about their faith and the desire to understand it better says Dr W Ward Gasque President Pacific Association for Theological Studies **Liberating Incarnations** Elmdea Bean,2009-04 Have you ever wondered what a past life session is like or how you might benefit from doing one Liberating Incarnations explores adventures of past lives from swimming through the earth to a sailor dying in a stormy sea to a pregnant woman in the late 1800s Discover a startling view of time and how it really works Share experiences of self realization and the end of the search for who we really are One with God In their own voices twenty five people speak of their past life adventures and the personal healing that their journeys to the past brought about Channeling Into the New Age Henry Gordon,2011-04-29 What exactly is the New Age movement Why has it become the dominant force of the Zeitgeist invading nearly every aspect of American life After years of researching this burgeoning movement columnist author and magician Henry Gordon is one of the world s foremost experts on every aspect of the New Age its derivations and content the people most involved in it the forces that motivate and prolong it and the enormous amount of money changing hands as the me generation takes on astrology crystals runes channeling mysticism yoga acupuncture herbal medicine telepathy precognition clairvoyance biofeedback biorhythms reincarnation and every sort of psychological technique for heightened awareness At the forefront of the brouhaha is high profile actress lecturer and free spirit Shirley MacLaine This book is strictly unauthorized a freewheeling and spirited roast of the New Age including a history of trends leading to the movement rooted in 19th century occultism and observations on the vast amount of coverage given to the movement and to New Age celebrities by the print and broadcast media Although Gordon delights in skewering the absurdities of the New Age there s a serious emphasis to his research and his message While the gurus are busy channeling into new realities they are becoming phenomenally rich without contributing in any significant way to the alleviation of human unhappiness and very often without making any sense at all Sharp wit and common sense Wise and often hilarious Rocky Mountain News The Way Back to Paradise Joseph M. Felser,2005-01-05 Paradise is not the state of being in harmony but the process of harmonizing It is not a garden of bliss but the bliss of gardening Paradise is about mending the self restoring the balance getting back into tune bringing all our discarded and forgotten parts into the whole That means paying attention to and honoring synchronicities precognitive dreams telepathic communications visions and all manner of experiences of psychic sensitivity Philosophy professor Joe

Felser realized that what he calls the decrepit decaying cultural ideologies in exclusively favoring reason and logic were excluding the equally real world of magic and psychic activities. He began to investigate and the closer he looked the more he found. But he wasn't ready to abandon the world of reason and logic. Instead he wanted to see if he could find a way to blend the two. He did. The result is this book. In *The Way Back to Paradise* Felser takes you through his day showing what everyday life looks like when you live that blend. His stories both magical and reasonable point the way toward a new kind of paradise one suited to the 21st century.

The Re-Enchantment of the West Christopher Partridge, 2005-01-04. As a book about emergent spirituality in the contemporary West, this book focuses on the nature, evolution, and significance of new forms of religion and alternative spiritualities. Part One of the book provides the theoretical background and guides the reader through some of the principal debates. After an overview of the secularization thesis which argues that the West is becoming increasingly disenchanted, the second chapter turns to the sociological analysis of new religions and alternative spiritualities. Particular attention is given to the ideas of the sociologist of religion Ernst Troeltsch, especially his enigmatic analysis of the emergence of mystical religion which presciently provides helpful insights into understanding the contemporary alternative religious milieu. Against sociologists such as Bryan Wilson and Steve Bruce, this and the subsequent chapter argues that rather than being insignificant, new forms of spirituality are actually proving to be a significant part of Western re-enchantment. Chapter 3 constructs a general theory of the re-enchantment of the West.

The Buddhist Handbook John Snelling, 1991. This is the first definitive guide to the complete panorama of Buddhist teaching, practice, schools, and history. One of the fastest growing religions in the world, Buddhism includes within its scope numerous traditions. The *Buddhist Handbook* provides a comprehensive and nonsectarian survey of these traditions and their contemporary exponents throughout the world, providing necessary information for those who wish to explore the various options thoroughly and find one that is suited to their needs. For those already practicing in a particular school of Buddhism, it offers illuminating insight into the teachings of other schools for a more holistic view.
