The Purpose Driven Church Rick Warren, 2007-09-04 The issue is church health not church growth if your church is healthy growth will occur naturally So how do we make healthy churches driven by purpose In order for any church to thrive it must be built around the five New Testament purposes given to the church by Jesus Christ In this classic of Christian church stability pastor and bestselling author of The Purpose Driven Life Rick Warren unpacks this proven five part strategy that will enable your church to grow Warmer through fellowship Deeper through discipleship Stronger through

worship Broader through ministry Larger through evangelism Every church is driven by something Tradition finances programs personalities events seekers and even buildings can each be the controlling force in a church But Warren will show you how to concentrate on building people and let God build the church In other words healthy consistent growth is the result of balancing the five biblical purposes of the church And The Purpose Driven Church will show you how to do that The Purpose Driven Church has brought focus and direction to more pastors and church leaders than you can count What a gift John Ortberg bestselling author *Becoming Conversant with the Emerging Church* D. A. Carson, 2009-05-26 A careful and informed assessment of the emerging church by a respected author and scholar The emerging church movement has generated a lot of excitement and exerts an astonishingly broad influence Is it the wave of the future or a passing fancy Who are the leaders and what are they saying The time has come for a mature assessment D A Carson not only gives those who may be unfamiliar with it a perceptive introduction to the emerging church movement but also includes a skillful assessment of its theological views Carson addresses some troubling weaknesses of the movement frankly and thoughtfully while at the same time recognizing that it has important things to say to the rest of Christianity The author strives to provide a perspective that is both honest and fair Anyone interested in the future of the church in a rapidly changing world will find this an informative and stimulating read D A Carson Ph D University of Cambridge is research professor of New Testament at Trinity Evangelical Divinity School in Deerfield Illinois He is the author of over 45 books including the Gold Medallion Award winning book *The Gagging of God* and is general editor of *Telling the Truth and Worship by the Book* He has served as a pastor and is an active guest lecturer in church and academic settings around the world *The Church on the Other Side* Brian D. McLaren, 2009-12-15 If you are a sincere church leader or a committed church member you re probably tired of easy steps easy answers and facile formulas for church health growth and renewal You know it s not that easy In *The Church on the Other Side* you ll find something different honest clear and creative thinking about our churches along with a passionate challenge to thoughtful action and profound liberating change In understandable language with an energetic and engaging writing style and drawing from daily down to earth pastoral experience Brian McLaren offers thirteen strategies for navigating the modern postmodern transition You ll learn the critical distinctions between renewed restored and reinvented churches You ll discover the importance of redefining your mission of finding fresh ways to conceive of and communicate the Gospel and of entering the postmodern world by understanding it engaging it and debugging your faith from modern viruses McLaren believes we are in an epochal sea change perhaps even more significant than the last great cultural transition about 500 years ago when the world crossed over from the medieval to the modern era He believes that today s breakthroughs in communications education travel cultural diversity science economics politics and philosophy are combining to create a new matrix in which Christians will live worship work and pursue our mission We are exploring off the map writes Brian McLaren looking into mysterious territory beyond our familiar world on this side of the boundary between modern and postmodern

worlds Even if you've read this book's first edition *Reinventing Your Church* you'll find enough new and revised material here to warrant a second purchase And if you're encountering these concepts for the first time you'll find wise guidance to help you and your church begin the journey toward the other side of the postmodern divide You'll learn to think differently see church life and these revolutionary times in a new way and act with courage hope and an adventurous spirit *THE CHURCH COMMUNITY IN CONTEMPORARY CULTURE* Kieran Beville, 2016-02-12 Once upon a time Postmodernism was a buzz word It pronounced Modernism dead or at least in the throes of death It was a wave that swept over Christendom promising to wash away sterile dogmatic and outmoded forms of church But whatever happened to postmodernism It was regarded as the start of a major historical transition to something new and promising and hailed as a major paradigm shift Is it a philosophy that has passed its sell by date No The radical fringe has become the dominant view and has been integrated into all aspects of life including the Christian church With the emergence of multicultural societies comes interaction with different belief systems and religions Values like tolerance and a dislike of dogmatism have become key operating concepts which reflect a change in worldview This change is affecting every area of life including the way we believe and what we believe The effects are far reaching Postmodernism presents new challenges and opportunities for Christians In this book Kieran Beville presents Postmodernism as a quest for significance meaning and belonging and outlines evangelistic strategies for reaching Postmodern people with the abiding good news of the gospel *Emerging Churches* Eddie Gibbs, Ryan K. Bolger, 2005-12-01 The emerging church movement is perhaps the most significant church trend of our day The emerging church offers and encourages a new way of doing and being the church While it largely resonates with an eighteen to thirty four year old audience the first fully postmodern generation it is also gaining popularity with older Christians and encompasses a broad array of traditional and contemporary churches *Emerging Churches* explores this movement and provides insight into its success Filled with the latest research and interesting anecdotal testimonies from those on the cutting edge of ministry this book provides pastors church leaders and interested readers with an insightful glimpse into the thriving churches of today and tomorrow **Church Planting from the Ground Up** Tom Jones, 2004 *Church Planting from the Ground Up* is a visionary guide for the critical task of new church multiplication Share in the wisdom of these field tested veterans as you gain insight from their stories practical ideas and real world experiences Book jacket **Nine Marks of a Healthy Church** Mark Dever, 2004 Did you know that FROGS drink through their skin Instead of swallowing water with their mouths frogs absorb moisture through their skin Frogs can also take in oxygen through their skin which helps them breathe better in the water FROGS eat with their eyes closed The eyes help the frog swallow by lowering into its head and pushing the food down its throat FROGS can jump 20 times their own length That's like a human jumping past four school buses in one leap FROGS have sticky tongues Frogs don't use their hands to catch food they just stick out their tongues Flies mosquitoes and other yummy bugs stick to the tip and get pulled into the frog's mouth for dinner

SOME FROGS wear camouflage Stripes and spots help frogs blend into their natural surroundings Some frogs can even change color depending on their location or the weather FROGS recycle Frogs shed their skin about once a week Then they eat the old skin to reuse the nutrients stored inside FROGS can live to be 40 years old Most frogs live from 4 to 15 years A FROG wasn't always a frog Every frog starts as a tiny egg that hatches into a tadpole A tadpole has a round head and a tail and lives in the water like a fish The tadpole eats a lot as its body changes and grows new parts After three to four months the tadpole has four legs and no tail and can live on land it has become a frog AWESOME Did you know that you can become a new creature too You may not have a tail and live in the water but God can give you a new life Do you sometimes do things that make you feel bad inside Maybe you were mean to someone at school or told a lie to your parents God calls those bad things sin Everyone is born knowing how to sin and everyone who sins must be punished But God who loves us doesn't want us to sin He wants us to be like Him loving kind and good Just as a tadpole changes into a frog God can help you become more like Him God sent His only Son Jesus to earth to be a human just like us except Jesus never sinned Even so He chose to die so that He could pay the death penalty for our sins Three days after He died God raised Him back to life again Do you want to have a clean new life Then just believe in what Jesus did for you Tell God that you are sorry for your sins and thank Him for sending Jesus to save you The Bible says If anyone is in Christ he is a new creation the old has gone the new has come 2 Corinthians 5:17 God will change you on the inside to make you a totally new creature just like a tadpole changes into a frog To do this you can pray something like this Dear God I am sorry for the bad things I do Thank You for sending Jesus to pay the penalty for my sins Please change me on the inside and help keep me from sin so I can live a clean new life for You Amen If you have just prayed to ask God to change you write your name and address on the lines below and send it to us We will send you a free booklet to help you grow in your new life with Christ *Spes Christiana* 2021-01 Reinder

Hundley Ph.D., 2019-12-11 What is Radical Emergent Theology Who leads it What does it teach What are its goals Why is it so revered by some and so reviled by others How do evangelical theologians evaluate it Cambridge scholar Dr Raymond C Hundley after three years of painstaking research has published a work that clearly and truthfully answers those questions Hundley has brought to bear his fifty years of experience studying and teaching theology and world religions to the

meticulous study of Radical Emergent Theology founder and spokesman Brian D McLaren's prolific writings. The result is a readable work that will inform laypeople, students, seminarians, pastors, church leaders, and theologians about McLaren's radical views on inspiration, conversion, evangelism, missions, heaven and hell, homosexuality, atonement, miracles, evolution, eschatology, his famous pick and choose exegesis, and much more. This book is destined to become the classic revelation of the methods, beliefs, and goals of Radical Emergent Theology. It will make the choice between this theological revolution and evangelical biblical doctrine crystal clear so that informed readers can make their own decision. **The Theology of Dallas Willard**

Gary Black, 2013-08-06. Evangelical Christianity in the United States is currently in a dramatic state of change. Yet amidst this sometimes tumultuous religious environment, a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians. *The Theology of Dallas Willard* both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ. Blending both a prophetic critique with pastoral encouragement, Willard's unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith. Families and Faith Vern L. Bengtson, 2017-06. In *Families and Faith*, Vern Bengtson examines how religion is or is not passed down from one generation to the next. Armed with unprecedented data collected over more than four decades from more than 2400 individuals, Bengtson offers remarkable insight into American religion over the course of several decades.

Soultsunami Leonard Sweet, 2009-10-14. Road rage, animal rights, cyberporn, crystal healing, doctor-assisted suicide: everywhere we look, the signs all tell us we're living in a post-Christian culture. Or are we? Leonard Sweet, cultural historian, preacher, futurist, creatologist, and preeminent thinker, firmly believes we live today in a pre-Christian society fraught with challenges, dangers, critical choices, and above all, tremendous potential for the church. The outcome will depend on our response to today's flood of religious pluralism that threatens to sweep us away. What will we do? Deny the reality of the incoming surge? Hunker in the bunker, hermetically sealing ourselves in an increasingly out-of-touch church counterculture? Or will we boldly hoist our sails and, looking to God for guidance and strength, move with confidence and purpose over the waves? *SoulTsunami* is a fascinating, even mind-numbing look at the implications of our changing world for the church in the 21st century. With uncanny wisdom and trademark wit, Leonard Sweet explores ten key futuribles, precision guesses that fall short of predictions, expanding on and relating topics ranging from the reentry of theism and spiritual longing in contemporary society to the impact of modern technology to the global renaissance to models for the church to reach people caught in the cultural maelstrom. Here are eye-opening perspectives on the church from within and from without, from its surrounding society. Lively, well-written, and provocative, *SoulTsunami* is a clarion call for Christians to remove their tunnel-vision glasses and take a good look at the swelling postmodern flood. It also is a voice of encouragement affirming the church in its role as God's lifeboat. And it is a passionate prophetic guide pointing the way to reach a world swept out to sea. Salt, Light, and a

In this thoroughly updated edition, he interacts with sixteen major theologians from the Western world. This edition includes five new chapters and an expanded treatment on the key convictions of global missional theology. It also offers a new study guide that has been uploaded on an innovative website linked to this book. This expanded edition now becomes volume 1 in a series on missional ecclesiology. Known for his groundbreaking approach to theology, Hill shows how God is releasing his global church to mission across all cultures and Christian traditions. This extensive update to Hill's influential work offers pioneering theology and practices that will continue to shape the global missional church for generations.

JOHN BEVERE International bestselling author, *The Bait of Satan* Co-Founder, Messenger International. On my most recent visit, one of my band was so wowed by the environment of the visual video tech room where he saw not just one operator at each station but three. This was so impressive there was one operator, one trainer, and one trainee. These were people in their mid to high teens, some as young as 12 or 13. Considering the amount of responsibility a video visual team carries in a large service and how much specialised technical skill there is to learn, he was amazed. There was a beautiful trust being placed in these young people, and ultimately it's the Jesus model of discipleship.
