Winner of a second place award for popular presentation of the faith by the Catholic Media Association Mallory Smyth has been where many young Catholics are today But the difference between her and other fallen away Catholics is that she figured out that when she overlooked the shortcomings of the Church as an institution she fell in love with Jesus and rediscovered the beauty and truth of her faith In *Rekindled* Smyth s raw relatable account of her own disillusionment and departure is sure to resonate with anyone who has struggled to feel at home in the Church For anyone who has left the faith or has one foot out the door this powerful book just might illuminate a path back home to a Church that is both holy and in need of perfection Shallow homilies Hypocritical authority figures Trite answers to pressing questions These and other shortcomings of the Church have led plenty of Catholics to question their faith or to abandon it entirely *Rekindled* is for those who have left the Church and those with one foot out the door Smyth s account of her own disillusionment and departure is relatable and honest She understands and validates the pain and doubt that many Catholics and former Catholics feel Smyth also provides you with practical guidance for keeping your faith even when what you encounter in the Church falls short How to recognize Christ s presence even in the most mediocre Mass experiences Strategies for finding faithful role models when authority figures let you down Where to turn when the answers and pastoral guidance you receive don t reach the heart of the issue How to find fulfillment in Christ and in the community of the saints even when joy seems to be in short supply in the Church

**Rekindling the Mainline** Stephen C. Compton,2003-06-01 Not only do new church starts in significant numbers bring systemic change and renewal to mainline denominations but new church development brings similar change to individual aging congregations in their vicinity Author Stephen Compton argues that a decline in new church starts in the last half of the 20th century was the major contributor to the decline of mainline church groups not liberalism or lack of faith as is often cited He shows in this book how introducing considerable numbers of new congregations into these old denominations can cause these venerable institutions to revisit the meaning of church and congregation develop a clearer vision of their collective mission and grow in their ability to bring about positive change in the world In effect he contends new churches in an aging organization do not merely make it grow They make it change in ways that make it more effective

in its mission and ministries This book will appeal to leaders across denominational lines including those not ordinarily called mainline and especially to pastors and leaders of older congregations      **Renewing Your Ministry** Joe Paprocki,2000 As a person with an active role in ministry for Christ readers are called to be passionate At times however the flame within flickers and goes weak It is no coincidence that this experience is referred to as ministry burnout It is impossible to minister to others without reclaiming the passion In *Renewing Your Ministry* Walking with Jesus in All That You Do Joe Paprocki helps readers add fuel to the fire of their faith as they seek out ways to rejuvenate their call to ministry With the disciples from Emmaus return to the Jerusalem of your own ministry accompanied by the Risen Christ and with more passion than ever to share his good news      Southern Sounds From The North Richard L. Doran,2008-11-06 Historically the state of Ohio has maintained an active role in the promotion of southern gospel music Many gospel artists including some of the Nation s finest were either born or lived a portion of their life in Ohio Development of these ministries and the events that have taken place along the way has become a valuable part of Ohio s history Over the past two years desiring to preserve a portion of this history I have completed extensive research interviewing gospel artists throughout the state I then compiled this information into a unique collection of history to be shared with everyone To help the reader more fully appreciate life on the road the stories of these gospel artists are presented within the context of eight road tours covering the entire state of Ohio Travelling along on each tour we will experience a variety of emotions from laughter to frustration At each stop we will learn some fascinating facts about the town and while in town we ll stop by and visit with a few of those southern gospel artists and or groups who claim the town as part of their heritage Each tour will end with a short walk down memory lane as we view photos of those gospel artists whom we have just visited So come on Open the book climb on board and prepare yourself for eight exciting tours across the great state of Ohio where we ll meet some truly inspiring people Hope you enjoy the book
