The Changing World of Contemporary South Asian Poetry in English Mitali P. Wong,M. Yousuf Saeed,2019-07-02 This collection uses a transnational approach to study contemporary English language poetry composed by poets of South Asian origin The poetry contains themes motifs and critiques of social changes and the contributors seek to encapsulate the continually changing environments that these contemporary poets write about The contributors show that English language poetry in South Asia is hybridized with imagery and figurative language adapted from the vernacular languages of South Asia The chapters examine women s issues concerns of marginalized groups such as the Dalit community and the people of Northeastern India social changes in Sri Lanka the changing society of Pakistan and the formation of the identity in the several nation states that resulted from the British colony of India

Environments in a Changing World John Huckle,Adrian Martin,2014-09-19 While there is no shortage of of books on the environment there are few introductory texts that outline the social theory that informs human geographical approaches to the interactions between ecology and society Students arriving at university often lack the understanding of history economics politics sociology and philosophy that contemporary human geography requires Environments in a Changing World addresses this deficit providing foundation knowledge in a form that is accessible to first year students and applied to the understanding of both contemporary environmental issues and the challenge of sustainability Students are challenged to develop and defend their own ethical and political positions on sustainability and respond to the need for new forms of ecological citizenship

African Cultural Personalities in a World of Change Ikechukwu Anthony Kanu,Ejikemeuwa J. O. Ndubisi,Kanayo Nwadiakor,2018-08-16 This notwithstanding over the years the African culture in all its manifestations became the bulls eye for attack especially during the Atlantic Slave Trade Colonialism Racism During these periods Europe dealt coup de grace to the African personality to his is ness by destroying the African cultural values They disrespected African peculiarities languages enriched with traditions of centuries parables many of them the quintessence of family and national histories modes of thought influenced more or less by local circumstances local poetry which reveals the profundity of African literary wizardry A lot of these were altered against the

background that the African in all his susceptibilities is an inferior race and that it is needful to give him a foreign model beacon to emulate and follow In our time of globalization bringing about a new sweep of changes on the African cultural values a more careful historically grounded interpretation of the cultural changes occurring on the continent is therefore needed and for it to be useful it should enable us to transcend the narrow and narrowing parameters that currently dominate the discourse on the processes and structures of change occurring in contemporary Africa This piece is a great accomplishment by African scholars to do a grounded hermeneutics of the structures of changes taking place in Africa The different chapters are the fruits of the 2018 International Conference of the Association for the Promotion of African Studies APAS The authors like artists combine originality with insightful imagination They have carefully treated the historical conceptual basic and substantive issues in cultural change in Africa Their coherent systematic and encyclopedic approaches have the capacity to expand the intellectual and professional horizon of its readers **Establishing Child Centred**

Practice in a Changing World, Part B Sam Frankel,2023-06-09 Furthering dialogues around the applied relevance of key principles in childhood studies this diverse edited collection is an important contribution to the fields of education sociology childcare and youth policy and practice *Farmers in a Changing World* ,1940 *Establishing Child Centred Practice in a Changing World, Part A* Sam Frankel,2022-11-14 This edited collection explores advancing understandings of child centred practice through the lens of childhood studies Contributions from around the world offer a foundation to acknowledge and support the place that children s voices must play in creating effective practice as we respond to seismic social change

Foundational sociology: Sociological thinkers, perspectives and imagination Sikha Nayak,2022-07-29 The book offers a deep dive into the range of societal issues ranging from government and gender identity to inequalities globalisation and even the Disneyfication of today s world The book is an academic type and provides self guide to final year BA students as well as for civil services and other competitive examinations The book covers fundamental aspects perspectives and outlook to sociology readers may find it very helpful in understanding the fundamentals of sociology
