The Whinburg Township Amish Books 4-6: Three heartwarming Amish romance novels in one collection in which a young widow finds love again Adina Senft, 2023-01-25 While a young widowed Dokterfraa learns to heal the body the Great Physician heals the heart. In Herb of Grace Sarah Yoder, an Amish widow in Pennsylvania's Whinburg Township, is doing her best to provide a home for her young family. But it's difficult to pay the bills until the local Dokterfraa or herbal healer makes a startling suggestion: Could she be a healer? As Sarah learns to compile her cures, she waits for God to do his healing work. In a man who rues a harsh decision. In a lonely prodigal who has lost everything. And maybe even in a herbalist in training who firmly believes she will never love again. In Keys of Heaven Sarah Yoder is learning to use the herbs in her garden and fields. But Sarah's relatives can't resist doing some matchmaking between her and a prosperous visitor to their community. She should be willing for God to show her His choice of partner and not allow her friendship with her neighbor Henry Byler to grow into anything more. The plant Sarah calls keys of heaven may grow in impossible places, but it's not easy for people to find the place where they belong. So it's quite a temptation to take matters into her own hands. In Balm of Gilead, with Henry Byler now engaged to an English woman, Sarah Yoder is doing her best to find peace. But when Henry comes to her for a cure to heal his sensitive hands before his success as a potter is jeopardized, Sarah must stifle the longing in her heart. She must also be painfully honest about his new plan to be filmed for a reality show called Shunning Amish. Will the cost to the church be too high? Only the Great Physician has the power to change an impossible situation and bring people back to Himself. But Sarah has to wonder whether it might already be too late. Adina Senft's latest novel provides a wonderfully entertaining read while imparting wisdom that will feed the soul. Christian Fiction Addiction. This is a heartwarming e-book collection of nearly 250,000 words, hours of comfort reading.

Romantic Readers H. J. Jackson, 2008-10-01 When readers jot down notes in their books, they reveal something of themselves: what they believe, what amuses or annoys them, what they have read before. But a close examination of marginalia also discloses diverse and fascinating details about the time in which they are written. This book explores reading practices in the Romantic Age through an analysis of some 2,000 books annotated by British readers between 1790 and 1830. This period experienced a great increase in readership and a boom in publishing. H. J. Jackson shows how readers used their books for work, for socializing, and for leaving messages to posterity. She draws on the annotations of Blake, Coleridge, Keats, and other celebrities, as well as those of little-known and unknown writers, to discover how people were reading and what this can tell us about literature, social history, and the history of the book.
