**The Root of Christianity** Michael Helfrich,2013-02-06 Words mean things and how you use them either maintains there meaning or belittles it and destroys its total value Such is the word awesome When our

youth use the word awesome for cars Androids or even their girlfriend they are belittling the words characterization The word awesome should only be used for the greatness of the Lord God or His works for mankind It can be used for something that is greater than itself and stands out above all others This book cover represents the awesomeness of God and His creation As the Scripture declares the universe fits between the span of Gods hand This is awesome and it is unfathomable in mans contemplating of it If this is awesome how can you compare anything to it Our universe is billions of light years across and we have no knowledge as to its size for we have nothing to compare it too however what does this say about the awesomeness of God God does not have hands or legs but uses them as idioms for our comprehension Even with idioms it is incomprehensible to realize just how awesome God really is Scripture speaks of God as omniscient all knowing omnipotent all powerful and omnipresent everywhere and with this in mind He is wisdom and is sovereign ruler over all His creation He is maintaining everything by His character and for His glory and His ways are above our ways and His thoughts are above our thoughts

*The Art of Saving Your Soul* James Schreiner, 2022-08-23 Hello fellow morning prayer and meditation enthusiast This book brings you a blueprint to follow in helping you to get closer to a God of your understanding I see myself as a spiritual person I do not intend to tell you who your God has to be I give you the opportunity to find your God My goal is to open your mind to the benefits of seeking God first thing in the morning It is imperative that each individual spend a chosen amount of time talking to God Equally important is your time spent listening to God How do you know if the voice you are listening to is God s He is the soft gentle voice that you hear during the course of the day that says things like I do not think that is a good idea You know the one you did not listen to and later on when the crisis is over you wish you had You asked yourself why did I do that The other voice the loud chatty one that can only offer you stuff is constantly leading you down the wrong path My main objective is to help you to make better choices To understand that Karma is real Getting together for an hour each week is nice What about the other 167 hours that the Darkside spends getting you to do things that are detrimental to your moral well being God will never tell you to throw a brick through someone s window Evil tells you that prayer is not required or to be taught in schools I was the Evil narcissistic pathological liar who followed Satan s game plan of looking for my happiness out there My contentment was based on the just as soon as I get into the perfect relationship Buy the most expensive car Belonging to the right country club in the perfect neighborhood Getting the impeccable outfit to wear to church on Sunday My life had to be flawless at all times I am here to tell you that nothing from out there will bring you the satisfaction and kindness that you crave until you surrender to God He is the true source of Hope and wisdom When I was at the lowest separation from God suffering from loneliness I took no responsibility for my actions My rage was turned inward which in

turn caused me to suffer 22 years of depression I happened upon the prayer of Saint Francis and changed my life forever The Darkside is still wondering what happened He thought he had a convert for life As I put the prayer into action in my life and live by its principles I immediately acquired peace and serenity That can only be achieved by finding God and introducing him into my life It is my intention to help you to find that same peace of mind with the morning prayer and meditations that I am presenting in this book It is intended to give spiritual advisors daily material to help others cope with their everyday routine You cannot do this alone Hopefully I can inspire you to find a Power greater than yourself Thank You Jesus June of 2022 Yours truly James P Schreiner      *My Window Prayer* Catherine Florel,2013-02-07 How do you know love if you have never experienced it This is a story of how you can come to know love and be healed of your past There is no quick fix and there are peaks and valleys but above all there is hope I encourage you to always hope in the Lord      **God's Answers to Life's Difficult Questions** Rick Warren,2008-09-09 When we have difficult questions the Bible has answers Join Rick Warren pastor and New York Times bestselling author as he invites us to take a closer look at key biblical figures and the ways in which they faced difficult questions and challenges in their daily lives In God s Answers to Life s Difficult Questions Warren uses stories from scripture to teach us that the Bible is filled with examples of real people who faced the same dilemmas we re facing today By demonstrating the ways in which God chooses to use ordinary people to accomplish his plans despite their weaknesses and failures Warren gives us hope as we take on life s countless challenges Better yet Warren provides us with realistic solutions that we can start putting into practice today Taking us inside the lives of biblical characters including Moses Paul and Jesus himself Warren gives us a chance to see the up close and personal ways they navigated their own circumstances Although God s Answers to Life s Difficult Questions is anchored in timeless stories from scripture Warren also weaves in modern examples that address the twelve questions he s asked the most as a spiritual leader including How can I learn to handle discouragement How can I respond better in a crisis How do I become more resilient when I feel like a failure How can I fight my loneliness How is change possible for me How can I lead a more peaceful life The concrete practical insights that Warren shares in God s Answers to Life s Difficult Questions will give you the tools you need to build up your resilience strengthen your relationship with God and finally enjoy a life full of lasting purpose peace and significance      **Believe!!** Carlene T. Glasgow,2017-07-14 There is an atmosphere that has consumed the hearts souls and joy of some women due to the stress of everyday lives It is so sad to view the burden hurts and walking time bomb waiting to explode just by a prick of a mean word This book positions its arm around women who have the desire to make an impact in society but just need that inspiration empowerment spiritual fulfillment encouragement and confidence that nothing is impossible with God It challenges women and encourages them to discover their strength gift talent and hidden ability It tickles womens minds reminding them they can be a voice in society not an echo Provoking the brain of their uniqueness and the assurance that they are beautiful excellent queens who has not yet completed their assignment Allowing

their fragrance of kindness and love to pave the way for the younger generation coming afterwards God is a restorer who can establish the works of your anointed hands along with your voices that leaves a legacy well sown into lives while imparting wisdom to great minds Take a minute women and selah pause you will definitely prove your gift is not constipated Just believe mighty women of God Step forward and blaze in Jesus mighty name Amen
