Releasing The Ability Of God Through Prayer:

Releasing the Ability of God Through Prayer Charles Capps, Norvel Hayes, 2004-05 Prayer is governed by spiritual laws and is designed to work for you It is more powerful than the laws of nature that rule the universe today When you learn to pray faithfilled words you release God s ability and bring Him on the scene on your behalf **Prayerfully Yours** Benjamin Vima, 2012-01-05 The truth on the Power of Prayer is Biblical historical and experiential Every religion recognizes it every human that needs support to rise up and walk to think positively and live fruitfully will testify to the usefulness of prayer The Biblical testimony on the efficacy of prayer is As God s Word will not return to Him void but shall achieve the end for which He sent it Is 55 11 so the prayer of the lowly does not rest till it reaches its goal Sir 35 17 18 The author of this book having been a prey of such powerful tool in the Vineyard of the Lord shares his personal and experiential thoughts and convictions about prayer According to him only through prayer humans can build up and manage a quality life as the disciples of Jesus Through this book he shares with readers some of his findings of the method of quality prayer which is simple but productive containing little nuance but with admiration of existing Traditions and exclusive with its unique approach to prayer but inclusive of all possible saints efforts over the centuries in praying fruitfully The author compares quality prayer process to the walking through inside portions of a Catholic Church building He tries to walk with us through the four phases of quality prayer and make us perceive clearly our actions and God s own as well at each phase The book asserts that though prayer is not a resource and support in the natural process of human development it is by all means an indispensable source and basis for developing a matured Christian personality However mere formal or traditional prayer would do no good in this regard It would help keeping up our status quo It will not contribute much to our growth of Christian personality Even the prayer of the intellect namely prayerful meditation or reflection would not do that much help as it should This kind of prayer would meet its immature death as I had gone through sometime back Once the intellect gets more truths and facts about life God religion and universe it would surely put a full stop to any kind of prayer But if the same prayer is experiential and personal the author writes if it is intensively connecting the soul to its God the Ground of being the Beyond of everything if it accelerates the process of intimacy between the human and the Divine then surely prayer becomes the primary source of change growth and development in human personality and through him her influences the entire universe This is what happened in Jesus and so in His disciples and godly people of today I dare to name this kind of prayer as Quality Prayer

Charting the Supernatural Judgements of Planet Earth Jerimiah Asher, 2010-08-10 Chapter 3 The First Judgment The World Prior To Adam There may have been many judgments upon the earth since its beginning millions or billions of years ago however the present commentary will deal only with the last tens of thousands of years of earth s existence In Genesis 1 2 the verses written by Moses as author of the Genesis account portray an earth that was veiled in darkness so that its form could not be discerned The earth at that time was covered with water ice high above the mountain tops so that it

gave the appearance of being a dark revolving sphere of frozen water Table 2 God's spirit is described as hovering over this revolving ball of water and brooding over the sad condition of this dark void planet God did not create a dark and dismal planet at the beginning because God does not create darkness in fact darkness is incompatible with His existence and presence So what had happened that God viewed Gen 1:2 such a decrepit state of the world Does scripture attempt to explain this phenomenon or does the inspired word of God remain silent on this issue It was first proposed as a theory by the Scotsman Thomas Chalmers in the early 19th century that a gap in time existed between Genesis 1:1 and Genesis 1:2 This gap in time would encompass a ruin reconstruction theme and the existence of pre-Adamic living beings Obviously a huge catastrophic event would have had to occur to produce this decadent state of the world The gap concept was later popularized by mention in the margin notes of the Scofield Reference Bible

Self Care Through Prayer and Forgiveness Dr. Helen Orme,2011-03-29 Forgiveness is a channel God has made for the flow of fresh water The scripture state out of your belly shall flow rivers of living waters John 7 38 KJV Rivers of life rivers of fresh ideas and rivers of fresh creative energy spring from the belly to refresh the heart mind and soul bringing greater reasons and passion to love and give again This depth of self care stimulates you to the core with a new surge of the Holy Spirit and creates a divine release of laughter joy and peace This invigorating state of being is nurtured by the Holy Spirit Prayer is one of the vehicles God uses to talk to you Forgiveness is one of His commandments We routinely use both of these disciplines to nurture and minister to others It s vital to use them when caring for yourself too Those who do experience spiritual depth and wholeness because they are renewed in their spirit every day and abide in a fresh place The act of letting go is another action you can take toward self care It is essential to self care to release and to let go You can t receive anything when you re fullfull of caring and attending to others full of unsettled concerns emotions or thoughts Your ability to let go allows you to move to a place of wholeness It creates the space you need to receive more It is impossible to pour more into a full cup By letting go of past experiences you create room for something new to emerge Behold the former things are come to pass and new things do I declare before they spring forth I tell you of them Isa 42 9 KJV
