Mr. New York Seymour P. Lachman,2014-01-01 The life and times of an instrumental figure in New York City s recovery from the fiscal and social crises of the 1970s and 1980s and in the general revitalization of the city over two generations Lew Rudin was one of New York City s most influential power brokers in the latter part of the twentieth century but he was also one of its most indefatigable boosters Born in the Throgs Neck section of the Bronx on April 4 1927

Rudin rose to become cochairman with his brother Jack of one of New York's oldest real estate dynasties Rudin Management. It is for his civic involvement however that he is best remembered. Whether helping to get the New York City Marathon off the ground or rallying corporate and labor leaders to come to the city's aid during the fiscal crises of the 1970s, Rudin worked tirelessly on behalf of the city he loved. The Association for a Better New York, which he founded in 1971 in response to growing concerns about the city's decline, continues to play a vital role in virtually every area of municipal life from transportation to education.

In *Mr New York*, Seymour P. Lachman chronicles Rudin's life and interesting times and his love affair with the city he never ceased to believe in. Drawing on published materials as well as personal interviews with family members, business associates and federal, state and city officials, Lachman paints a portrait of a man who by the time of his death in 2001 had truly earned the nickname Mr New York. Lew Rudin's life is a gift that keeps on giving through the work, generosity and friendships of his family and through the inspirational example he set for other successful people. If you do well, you must also do good. Because of Lew, New York is stronger, safer and cleaner. And because of Lew, my life and the lives of countless others are richer.

Foreword by President Bill Clinton

Presidents, governors and mayors knew Lew by his first name and US senators and representatives always returned his calls. There are families in every city that have nobility attached to them. The Wagner family is one of them and the Rudin family is one also. They take the position that the city is bigger than all of us and needs all of us to attend to its needs.

Mayor Ed Koch

Some people put on airs. Some people are condescending in their positions in life but not Lew. Lew could be with a queen with a king; it didn't matter; it was always Lew. Lew was himself and that is a remarkable trait.

Matilda Cuomo

Lew Rudin was a wonderful man. I never had any reservation about doing business with the Rudins. They were elegant. The family has integrity, character and whatever they did was ethical.

Kenneth Langone

Lew Rudin in good times and bad times stood out for the good things of New York. He dropped everything to fight the good fight for the city. He was a remarkable person.

Howard Rubenstein

Lew Rudin was a patriotic, dedicated person and a great public servant.

Rust Belt Chicago Martha Bayne, 2017-08-10

A lively grab bag of essays, fiction and poetry that reads at times like a who's who of contemporary Chicago writers' residents.

Chicago Tribune

Chicago is a city built on meat, railroads and steel on opportunity and exploitation. But its identity has long involved so much more than manufacturing. Today the city continues to lure new residents from around the world and from across a region rocked by recession and deindustrialization.

Rust Belt Chicago collects essays, fiction and poetry from more than fifty writers who speak directly to the concerns the city shares with the Midwest at large and the elements that set it apart. With contributions from writers like Aleksandar Hemon, Kathleen Rooney and Zoe Zolbrod, here you'll find stories about Buying Bread on Devon Street, The Cantinas of Pilsen, Bike commutes through the North Side, Adventures
