Burning Island Suzanne Goldring,2020-01-22 They were not her children But she would protect them with her life Greece 1944 Though they don t know it five year old Matilde and three year old Anna have kissed their mother for the last time The Nazis have reached their sun scorched home and they are being taken to a place of safety on the north eastern tip of the rocky island of Corfu to be hidden at great risk by kindly Agata and her husband until the terrible war is over Matilde and Anna s tears are soothed by Agata s bedtime stories but she is always alert So far no soldiers have ventured down the steep rocky hillside to their secret haven but Agata knows they are constantly scouring the island for missing Jews And then on a day when Agata s husband is away a German soldier appears 2006 Under a baking June sun Amber and her husband arrive in Corfu from England hoping for a fresh start But not everyone is pleased by their arrival and with the pressures of pregnancy the couple grow further apart Desperate to find a sense of belonging for herself and her unborn child Amber finds herself drawn to the local story of two little girls left by their parents and hidden for their own protection But there are some who would rather Amber left Corfu s terrible history well in the past Can Amber uncover the heart breaking truth about the two little girls and what happened after a German soldier took a swim in the bay by their house If she does can the secrets of the past help her find happiness or will they send her running from the island alone A gripping heart wrenching and compelling read about the shadows at the heart of the sun drenched island of Corfu and survival against all odds Fans of Victoria Hislop The Nightingale and The Tattooist of Auschwitz will fall in love with Burning Island Readers are hooked on Burning Island Two tragic stories both equally well told I couldn t put the book down The book will keep you reading until the end It is exciting and tragic at the same time It will keep you on the edge of your seat waiting to find out what happens next This is one book you will not want to miss I recommend it Goodreads Reviewer Told in two different time periods this is a story that will leave you in tears as humanity is exposed at its very worst but also its very best Cayo Costa The way this author writes I could feel what the Jewish people were going through this story will make you cry in some spots so beware when you take up this book You ll not want to put it down you might want a box of tissues too I highly recommend this book Red Headed Book

Lady Beautifully written story with a dual storyline Tragic and sad but filled with strong women this story will have you crying and reaching for that ray of hope I had never read any book on Hitler s reach in Greece Wonderful book Definitely recommend Goodreads Reviewer Wow where to start with this one both stories are gripping in themselves and as both storylines continue you are gripped with each of them willing them on Goodreads Reviewer Have to admit to shedding a few tears at the end and will be keeping an eye out for more of this author s work this book won t disappoint and it highlights the journey of the Corfu Jews and how they were treated by the Germans Goodreads Reviewer A captivating novel You will not regret reading this book Suzanne Goldring did a fantastic job of writing this Goodreads Reviewer This was a heart wrenching story and it was told well Having no idea there were Jews on Corfu even though I know Greece suffered horribly at the hands of the Germans during WWII A dual timeline novel made it even more interesting These stories are difficult to read but authors such as Suzanne Goldring bring you the reality capturing the history and the humanity that can t help but draw you in Goodreads Reviewer This was a beautiful story though heartbreaking and tragic The writing flowed perfectly and made even a sad story such as this a joy to read I felt the emotions in every character to the point that I was in tears I especially liked seeing a WWII story focusing on strong women I look forward to reading more from this author Goodreads Reviewer Two storylines come together beautifully in this historical fiction story They cross over in ways that I didn t see coming and both stories show us strong women in different situations I really loved the flow of this story and I would love to see what else this author has out there The characters are all written wonderfully and I couldn t put this down Crossroad Reviews I really enjoyed this book I found the juxtaposition between the two story lines very interesting and captivating Both storylines cross in a beautiful and unexpected way drawing Amber Anna and Matilde closer and giving them an even deeper appreciation for their lives Goodreads Reviewer *Eurasian Names for Boys and Girls* Hseham Amrahs,2023-12-30

Volume 2** R. R. Dale,2017-05-18 Originally published in 1971 This second volume in this three part set examines specific aspects of social relationships within the school and demonstrates that co educational and single sex schools are fundamentally different communities These volumes examine in detail the social and psychosocial differences between co educational and single sex schools This volume provides a wealth of evidence from pupils and ex pupils about such aspects as discipline bullying happiness anxiety and attitudes to sex **Restaging the Past** Angela Bartie,Linda Fleming,Mark Freeman,Alexander Hutton,Paul Readman,2020-08-17 Restaging the Past is the first edited collection devoted to the study of historical pageants in Britain ranging from their Edwardian origins to the present day Across Britain in the twentieth century people succumbed to pageant fever Thousands dressed up in historical costumes and performed scenes from the history of the places where they lived and hundreds of thousands more watched them These pageants were one of the most significant aspects of popular engagement with the past between the 1900s and the 1970s they took place in large cities small towns and tiny villages and engaged a whole range of different organised groups including Women s Institutes political parties schools churches and youth organisations Pageants were community events bringing large numbers of people together in a shared celebration and performance of the past they also involved many prominent novelists professional historians and other writers as well as featuring repeatedly in popular and highbrow literature Although the pageant tradition has largely died out it deserves to be acknowledged as a key aspect of community history during a period of great social and political change Indeed as this book shows some traces of pageant fever remain in evidence today **Safe Space** Alyssa Huynh,2024-06-05 A searingly honest and impassioned account of being an advocate in the social media era Alyssa s voice is fierce urgent and brave and filled with deep familial love This book burns with an urgency and clarion call to action Alice Pung author of One Hundred Days This is a book for anyone who believes that racism has no place in Australia s future and is ready to take action I ve played the role of the quiet and embarrassed Asian girl who shyly laughs along more than I should have in my lifetime Enough is enough Growing up Alyssa Huynh heard stories from her family about their journey from Vietnam to Australia following the fall of Saigon and the racism they experienced upon arrival While the discrimination she faced was different she never quite felt like she belonged either Longing for a safe space she turned to the internet Through sharing her writing online she created a supportive community for fellow Asians and people of colour with similar experiences as well as for allies When some of her views went viral important conversations were sparked but there was also racist backlash showing her that the work was necessary and her voice had impact Honest and heartfelt Safe Space is unapologetically angry and sincerely hopeful Alyssa explores the challenges she has faced as an Asian

Australian and those that made her the advocate she is today She also offers practical advice both to those who are victims of racism and wish to add their voice to the discourse or deepen their connection to their cultural identities and to allies who want to learn more about how they can meaningfully show their support
