Second Chance (large Print). Elizabeth Wrenn, The Second Chance Morgan Utley, 2021-02-25 It's less than a year after the accident when Peyton meets the therapist's nephew Noah. Peyton has already endured more than anyone should. A widow at twenty-four, she's constantly fighting an inner battle with her emotions, convinced that she's never going to be loved and that she herself would never feel it again. After one of her dreadful therapy appointments, Peyton is introduced to a man that changes everything. Out of bounds, gorgeous, and with a beautiful smile, he looks at her with a twinkle in his eye that makes her heart skip beats. Despite Peyton's desire to learn more about Noah, she can't help feeling as if she's betraying her one true love. Will she allow herself to love again? This is the large print edition of *The Second Chance* with a larger font typeface for easier reading.

The Cowboy's Second Chance Large Print Edition Jessie Gussman, 2021-09-12

The Library of Second Chances Ronald Hudkins, 2025-04-12 In the quiet town of Ironhollow, where the hills echo with the past and the streets move at the pace of memory, one library holds more than books; it holds the key to transformation. At the center of it all is Elise Langdon, a soft-spoken librarian with a gift for seeing what others cannot. Without fanfare or recognition, she tucks handpicked novels, poems, and memoirs into patrons' borrowed stacks, stories chosen not for entertainment but for healing. Stories they didn't know they needed. A soldier broken by war. A widow afraid to feel again. A runaway teen hiding behind a false name. Each visitor steps into the library carrying a quiet ache and leaves with a piece of themselves restored. Through sixteen tender, interwoven chapters, *The Library of Second Chances* tells the stories of ordinary lives touched by the right book at the right moment. With emotional depth, vivid settings, and heartfelt truths, these pages celebrate the redemptive power of the story, the quiet strength of community, and the belief that second chances often begin between the lines.
