Secret World Sexuality And The Search For Celibacy

Thomas G. Plante Ph.D.

Secret World Sexuality And The Search For Celibacy:

A Secret World A. W. Richard Sipe, 1990 First Published in 1991 Routledge is an imprint of Taylor Francis an informa company
Celibacy in Crisis A. W. Richard Sipe, 2003 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company
A Secret World A.W. Richard Sipe, 2013-05-24 A Secret World is a valuable contribution to the field of Family Therapy Looks at the history and origins of celibacy discusses its role in the priesthood and considers the psychological aspects of celibacy
Sex, Priests, and Secret Codes Thomas P. Doyle, A. W. Richard Sipe, Patrick J. Wall, 2006 Sexual abuse of minors and vulnerable adults by Catholic clergy is not a new phenomenon Sex Priests and Secret Codes reveals in shocking detail a deep seated problem that spans the Church's history
Sex, Priests, and Power A. W. Richard Sipe, 1995 First published in 1995 Routledge is an imprint of Taylor Francis an informa company
Sex and Reason Richard A. Posner, 2009-07-01 Sexual drives are rooted in biology but we don't act on them blindly Indeed as the eminently readable judge and legal scholar Richard Posner shows we make quite rational choices about sex based on the costs and benefits perceived Drawing on the fields of biology law history religion and economics this sweeping study examines societies from ancient Greece to today's Sweden and issues from masturbation incest taboos date rape and gay marriage to Baby M The first comprehensive approach to sexuality and its social controls Posner's rational choice theory surprises explains predicts and totally absorbs
International Perspectives on the Assessment and Treatment of Sexual Offenders Douglas P. Boer, Dr Reinhard Eher, Leam A. Craig, Michael H. Miner, Friedemann Pfäfflin, 2015-06-22 International Perspectives on the Assessment and Treatment of Sexual Offenders Theory Practice and Research provides the first truly global perspective on the assessment and treatment of sex offenders Presents a comprehensive overview of current theories and practices relating to the assessment and treatment of sex offenders throughout the world including the US Europe and Australasia Covers all the major developments in the areas of risk assessment treatment and management Includes chapters written by internationally respected practitioners and researchers experienced in working with sexual offenders such as Bill Marshall Ruth Mann Karl Hanson and Jayson Ware
Mortal Sins Michael D'Antonio, 2013-04-09 A Publishers Weekly Best Nonfiction Book of 2013 A Kirkus Reviews Best Book of 2013 An Edgar Award for Best Fact Crime Nominee An explosive sweeping account of the scandal that has sent the Catholic Church into a tailspin and the brave few who fought for justice In the mid 1980s a dynamic young monsignor assigned to the Vatican's embassy in Washington set out to investigate the problem of sexually abusive priests He found a scandal in the making confirmed by secret files revealing complaints that had been hidden from police and covered up by the Church hierarchy He also understood that the United States judicial system was eager to punish offenders and those who aided them He presented all of this to the American bishops warning that the Church could be devastated by negative publicity and bankrupted by its legal liability They ignored him Meanwhile a young lawyer listened to a new client describe an abusive sexual history with a priest that began when he was ten years old His

parents complaints were downplayed by Church officials who offered them money to go away The lawyer saw a claim that any defendant would want to settle Then he began to suspect he was onto something bigger involving thousands of priests who had abused countless children while the Church had done almost nothing about it The lawsuit he filed would touch off a legal war of historic and global proportions Part history part journalism and part true crime thriller Michael D Antonio s *Mortal Sins* brings to mind landmark books such as *All the President s Men* And the Band Played On and *The Informant* as it reveals a long and ferocious battle for the soul of the largest and oldest organization in the world *Saint Benedict's Wisdom* Luigi Gioia, OSB, Translated by Barry M. Hudock, 2020-09-15 Monastic spirituality has much to offer Christians who live far beyond monastery walls In *Saint Benedict s Wisdom* Luigi Gioia OSB demonstrates that monastic spirituality is a gift for the whole Church Because monastic vows are fundamentally a deep dive into one s baptismal commitments monastic experience speaks to all the faithful who wish to do the same within different lifestyles As an expression of divine wisdom monasticism offers a way of deeply integrating spirituality with the rest of life teaching us to seek holiness not only in prayer but also through work sharing of food sleep and life in community Written by one of the most insightful commentators on monastic life today *Saint Benedict s Wisdom* shines the light of monasticism on many aspects of contemporary Christian living including evangelization leadership suffering authentic chastity the experience of God reform of structures and the practice of theology It will appeal to anyone seeking to live a more authentic Christian life in addition to vowed monastics monastic oblates and associates *Bless Me Father for I Have Sinned* Thomas G. Plante Ph.D., 1999-09-30 A tremendous amount of media attention has been devoted to revealing sexual abuse perpetrated by Roman Catholic priests These essays outline a clinical and research agenda for professionals dealing with clergy sexual abuse They should enable research clinical professionals and clergy to identify the relevant issues in the identification diagnosis treatment and prevention of child and adolescent sexual abuse committed by Roman Catholic priests Leading experts in the field from the United States and Canada have offered their different perspectives on this compelling problem including victim profiles for determining who is at risk *Predatory Priests, Silenced Victims* Mary Gail Frawley-O'Dea, Virginia Goldner, 2016-05-06 The sexual abuse scandal in the Catholic Church captured headlines and mobilized public outrage in January 2002 But much of the commentary that immediately followed was reductionistic focusing on single causes of clerical abuse such as mandatory celibacy homosexuality sexual repressiveness or sexual permissiveness anti Catholicism and a decadent secular culture *Predatory Priests Silenced Victims The Sexual Abuse Crisis and the Catholic Church* a collection of groundbreaking articles edited by Mary Gail Frawley O Dea and Virginia Goldner eschews such one size fits all theorizing In its place the abuse situation is explored in all its troubling complexity as contributors take into account the experiences respectively of the victim survivor the abuser perpetrator and the bystander whether family member professional clergy or the community at large Setting polemics to the side *Predatory Priests Silenced Victims* provides a sober and sobering analysis of the interlacing

historical doctrinal and psychological issues that came together in the sexual abuse scandal It is mandatory reading for all who seek thoughtful informed commentary on a crisis long in the making and yet to be resolved **The Sex Offender:**

Theoretical advances, treating special populations, and legal developments Barbara K. Schwartz, Henry R.

Cellini, 1995 **Will Pope Francis or a Successor Call a Vatican III Council?** John Raymaker, Gerald

Grudzen, 2020-06-30 In 2008 the authors wrote Steps toward Vatican III which explored developments occurring in the Catholic Church including its teachings on social justice interreligious dialogue and Small Christian Communities This update of Steps explores how Pope Francis has developed such themes in original ways in his encyclicals and in his use of synodal consultations For example in his Encyclical Laudato Si the pope seeks to lead us into the mysteries of the universe of creatures and the harmony of creation It helps us reflect on the universal communion of nature Calling for a global ecological policy and a cooperative approach the pope warns us that unless we respect nature the entire planet and humanity will face drastic consequences In his meetings with economists and entrepreneurs the pope has proposed a pact for renewing the economy to counteract the asocial aspects of modern business practices He has discussed some of the most complex problems in today s world from safeguarding the environment to courageously committing oneself to rethink the economic paradigms of our time Young people in particular have responded with enthusiasm to Pope Francis initiatives The book notes how some traditional Catholics have opposed the pope but it argues that in fact the pope is more traditional than his critics for he insists on going back to Jesus own teachings The new ongoing crises such as the breakdown and rise of new ideologies terrorism massive advances in the sciences and in technology as well as fundamental shifts in gender relations are further factors considered in the book Indeed the world is now radically different from the world of the early 1960 s when Vatican II Council was held Due to these many radical changes the book suggests the need for a Vatican III which would consolidate the Church s global outreach on every continent *Impressively Free* Higgins, Michael W., Burns, Kevin, 2019 Explores the genesis and evolution of Nouwen s multi layered understanding of priestly ministry

Encyclopedia of Sex and Gender Carol R. Ember, Melvin Ember, 2003-12-31 The central aim of this encyclopedia is to give the reader a comparative perspective on issues involving conceptions of gender gender differences gender roles relationships between the genders and sexuality The encyclopedia is divided into two volumes Topics and Cultures The combination of topical overviews and varying cultural portraits is what makes this encyclopedia a unique reference work for students researchers and teachers interested in gender studies and cross cultural variation in sex and gender It deserves a place in the library of every university and every social science and health department Contents Glossary Cultural Conceptions of Gender Gender Roles Status and Institutions Sexuality and Male Female Interaction Sex and Gender in the World s Cultures Culture Name Index Subject Index

Priests in Love Jane Anderson, 2006-02-27 Deals with the moral psychological and social challenges faced by Roman Catholic priests who left the active ministry in the 1960s and 1970s to get married men who chose responsible sexual

relationships over a life of obligatory celibacy **Pastoral Misconduct** Janelle M. Eliasson-Nannini, 2017-09-08 In the past clergy malfeasance was mentioned only in passing by group members or adherents The subject was invisible and those who studied it were often stigmatized as hostile to religion itself Today clergy misconduct is acknowledged as a social problem with growing conceptual and theoretical implications In *Pastoral Misconduct* Anson Shupe and Janelle M Eliasson Nannini argue that the history and traditions of black pastoral leadership coupled with the close identity of many black congregants with their pastor congregation and racial subculture creates opportunity structures that facilitate predatory behavior Familiarity and mutual identity frequently leads victims to drop their normal levels of wariness Major denominations and minor sects have been studied but this unique study by Shupe and Eliasson Nannini pursues nuances of pastoral bad behavior in a new context This book is not a tabloid treatment of the American black church In fact the black church becomes the vehicle for a major new sociological development a theory of clergy misconduct in any minority religion *Roman Catholicism in America* Chester Gillis, 2020-03-24 Who are American Catholics and what do they believe and practice How has American Catholicism influenced and been influenced by American culture and society This book examines the history of American Catholics from the colonial era to the present with an emphasis on changes and challenges in the contemporary church Chester Gillis chronicles America Catholics where they have come from how they have integrated into American society and how the church has influenced their lives He highlights key events and people examines data on Catholics and their relationship to the church and considers the church's positions and actions on politics education and gender and sexuality in the context of its history and doctrines This second edition of *Roman Catholicism in America* pays particular attention to the tumultuous past twenty years and points toward the future of the religion in the United States It examines the unprecedented crisis of sexual abuse by priests the legal moral financial and institutional repercussions of which continue to this day and the bishops role in it Gillis also discusses the election of Pope Francis and the controversial role Catholic leadership has played in American politics *The Changing Face Of The Priesthood* Donald B. Cozzens, 2017-06-15 Few today would contest that the priesthood is in a state of crisis The nature and implications of that crisis however remain the subject of considerable discussion and debate In *The Changing Face of the Priesthood* Fr Donald Cozzens offers insight into the crisis by reflecting on the issues challenges concerns and realities of the priesthood today The same year that Pope John XXIII surprised the Catholic world with his call for an ecumenical council Cozzens began his formal study of theology As a seminarian he felt the shaking of the priesthood's foundations The very face of the priesthood was evolving even as he arrived at his first parish assignment A generation later the face of the priesthood continues to reveal new contours fascinating features and sadly some tragic blemishes In *The Changing Face of the Priesthood* Cozzens takes a long honest look at the present state of the priesthood He provides this examination not merely from an empirical scientific perspective but also from a personal pastoral perspective Drawing on clinical data church documents and his nearly forty years of

pastoral experience Cozzens gives shape and form to the changing face of the priesthood Through his reflections he leads readers to both concern and hope for the priesthood of the twenty first century Chapters are Discovering an Identity Guarding One s Integrity Loving as a Celibate Facing the Unconscious Becoming a Man Tending the Word Considering Orientation Betraying Our Young and The Changing Face of the Priesthood Donald Cozzens PhD a priest and writer is author of two award winning titles Sacred Silence and The Changing Face of the Priesthood and editor of The Spirituality of the Diocesan Priest all published by Liturgical Press He is writer in residence at John Carroll University where he teaches in the religious studies department **San Diego Magazine** ,2005-06 San Diego Magazine gives readers the insider information they need to experience San Diego from the best places to dine and travel to the politics and people that shape the region This is the magazine for San Diegans with a need to know
