Committee on the Judiciary. Subcommittee on Civil and Constitutional Rights, 1975 *The Warren Commission Report: The Official Report on the Assassination of President Kennedy* President's Commission on the Assassination of President Kennedy, U.S. Government, 2020-12-17 Warren Commission Report is the result of the investigation regarding the assassination of United States President John F Kennedy The U S Congress passed Senate Joint Resolution 137 authorizing the Presidential appointed Commission to report on the assassination of President John F Kennedy mandating the attendance and testimony of witnesses and the production of evidence After eleven months of the investigation the Commission presented its findings in 888 page final report The key findings presented in this report were that President Kennedy was assassinated by Lee Harvey Oswald that Oswald acted entirely alone and that Jack Ruby also acted alone when he killed Oswald two days later The Commission s findings have proven controversial and have been both challenged and supported by later studies *Murder from Within* Fred T. Newcomb, Perry Adams, 2011-11-03 Written in 1974 *Murder From Within* will show what actually happened to President Kennedy the consequences of his murder and what action Americans can take to protect their institutions from further internal assault The problem of usurpation from within and illegitimate and bloody transfer of power is as old as political history itself Betrayal from within from the leaders own inner circle dates all the way back to Julius Caesar and Jesus Christ Centuries ago several Roman Emperors were killed by their own Praetorian guards This plot which involved only a handful of high officials and a few Secret Service Agents called for President Kennedy to be maneuvered to

Dallas and executed in public His body was then forcibly removed from the control of the Dallas Coroner and flown to Washington D C to a military hospital There autopsy findings were supervised to foil a later investigation and implicate a scapegoat The plot required a high probability of success Therefore it was self contained carefully recruited members of the Secret Service the Presidents guards murdered him The portability of a motorcade allowed the assassins to escape and the evidence to remain under their control With their obvious cover as guards the Secret Service could ensure that the planning would result in the replacement of one chief executive with another who now had the power to cover the crime up The scapegoat for the crime was placed near the motorcade by being told to look for work at locations on one of two likely parade routes Once he had a job the motorcade was planned to pass in front of where he worked In this way it would appear that he had found his position by accident To plan the route first and then place the scapegoat in position would raise serious questions in an investigation about his prior knowledge Seven years in the making Murder From Within shows exactly and in detail how a small high level group within Kennedys own Cabinet betrayed him and killed him to benefit an ambitious Vice President determined to become President no matter what
