Divine Meditation Thomas White, 2013-08-15 Westminster Divine Edmund Calamy said of this work by Thomas White it is one of the best books we have on the subject So many professing Christians in both his day and ours neglect the Scriptural duty of divine meditation White uses Psalm 12 as his primary text and on his law doth he meditate day and night He gives an explanation of the words together with some short observations and shows the nature kinds and differences of solemn divine meditation He clearly demonstrates that meditation is a duty and then lays out directions rules and preparations for meditation He then gives the reader forty six meditations to read and then discusses rules given for meditating on scriptural passages He ends the work with seven meditations on key doctrinal subjects like the mercies of God sin death and the excellencies of Christ This is a sanctifying and humbling work to teach God's people how divine meditation is our duty This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions 'Through the way of the wilderness' (meditations). Pierce, Rebecca Wagner Sytsema, 2004-08-10 Although Christians often feel defeated and victimized by Satan and his minions Scripture says that we are more than conquerors through Christ Jesus and that it's possible to live without giving Satan any ground So why don't more Christians experience spiritual victory and power Chuck Pierce says it's because we spend more time licking our wounds than we do studying Satan's sniper strategies so that we can find the shooter The key to overcoming our enemy is to become more shrewd in recognizing his strategies to pray in specific ways that help us to overcome Satan's attacks and to wear the armor described in Ephesians 6 As we learn to pray with power and authority prayers of submission confrontation faith wisdom breakthrough and more we can learn to outwit the enemy of our souls A companion to the Psalter, brief intr., notes and meditations James Gurnhill, 1888
