their lives L Elisabeth Beattie explores this influence in twenty intimate interviews Conversations with Kentucky Writers was more than three years in the making as Beattie traveled across the state and beyond to capture oral histories on tape Her exhaustive knowledge of these authors helped her draw out personal revelations about their work their lives and the nature of writing When Still concludes his interview with I believe I ve told you more than anybody he could be speaking for any of Beattie s subjects Aspiring writers will learn that Mason submitted twenty stories to the New Yorker before one was accepted and that Still wrote articles for Sunday school magazines There s plenty of advice Dorris tells budding authors to get real jobs keep journals and read everything even cereal boxes and Marsha Norman reminds playwrights that it is not the business of the theater to provide writers with a living Kingsolver advises Read good stuff and write bad stuff until eventually what you re writing begins to approximate what you re reading Beattie s collection includes striking self portraits of such writers as Sue Grafton Leon Driskell James Baker Hall Fenton Johnson George Ella Lyon Taylor McCafferty Ed McClanahan Sena Naslund Chris Offutt Lee Pennington and Betty Layman Receveur What most distinguishes these moving conversations from other author interviews is their focus on creativity on the teaching of writing and on the authors strong sense of place As Wade Hall writes in his foreword all twenty writers recognize that their works have been significantly influenced by their Kentucky experience This collection offers insights into Kentucky s rich and flowering literary heritage **The Book Buyer's Guide** ,1958 **Library Journal** ,1959 **A Basic Book Collection for Elementary Grades** American Library Association.
