Ambiguity in English Dallin D. Oaks, 2010-05-27 Structural Ambiguity in English is a major new scholarly work that provides an innovative and accessible linguistic description of those features of the language that can be exploited to generate structural ambiguities. Most ambiguity scholarship is concerned with disambiguation, the process of making what is ambiguous clear. This book takes the opposite approach as it focuses on describing the features in the English language that may contribute towards the creation of structural ambiguities which form the core of some of the best word plays found in advertising, comedy, and marketing. Oaks utilizes a systematic and comprehensive inventory approach that identifies individual elements in the language and their distinctive behaviors that can be manipulated in the deliberate creation of structural ambiguities. In doing so, he also provides authentic examples to illustrate the concepts he presents. This book will appeal to researchers and academics interested in the structure of the English language, usage, pragmatics, communication, natural language processing, editing, and humor studies, as well as those in marketing, advertising, or humor writing. *Crazy English*

Richard Lederer, 2010-05-11 In what other language asks Lederer, do people drive on a parkway and park in a driveway and your nose can run and your feet can smell. In *CRAZY ENGLISH*, Lederer frolics through the logic-boggling byways of our language, discovering the names for phobias you didn't know you could have, the longest words in our dictionaries, and the shortest sentence containing every letter in the alphabet. You'll take a bird's-eye view of our beastly language, feast on a banquet of mushrooming food metaphors, and meet the self-reflecting Doctor Rotcod, destined to speak only in palindromes. Get Thee to a Punnery

Richard Lederer, 2014-02-06 Get Thee to a Punnery proves that the pun is mightier than the sword, and here are sidesplitting puns of every color, stripe, and persuasion to suit every whim. Even if you don't know that your humerus is your funny bone, this is the book for you. The Time of the Signs: On a diaper service truck, Rock a dry baby. On a plumber's service truck, A flush is better than a full house. Show me where Stalin is buried, and I'll show you a communist plot. Edgar Bergen: Quiche me, I'm French. Hangover: the wrath of grapes. Work is the ruin of the drinking classes. Oscar Wilde. **Word Wizard**
