used concordance and dictionary of Bible words from the King James Version of the Bible **The Trouble with the Trinity**
Carlos A. Pinkham, 2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God s Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author s Facebook page https://www.facebook.com/TTWTTrinity/view_public_for_100820838002256 **Understanding His Story** Steven E. Sprague, 2023-12-22 Our Father tells us that if we want to know about the end times with understanding then ask Him He will inundate every person who asks with this knowledge explaining His truths as recorded in His Word All the events leading up to the end of this dispensation of time this second world age in which humankind has inhabited the earth have been presented by our Father in His written letter to us the Bible This book explains the who what where when and why of these events as written straight from the Bible in witness to the world events of today When necessary copies of the original manuscripts of the earliest Hebrew and Greek languages in which the Bible was first written are utilized preserving God s truths apart from any of man s influencing academia religions denominations doctrines tenants traditions interpretations philosophies theologies commentaries or fables just the Bible The end of this age centers on two tribulations Satan s originating first followed by Christ s Second Advent His return To fully understand them and their purpose one must be cognizant of the whole story fundamental to understanding the mysteries of God s master plan established from the beginning from the very first earth and heaven age Sadly most people are unlearned therefore oblivious to God s realities as we go about our daily lives today Knowledge of these events is brought forth in

biblical teachings This book explains these teachings and will provide a comprehensive understanding of God's whole story Besides the subjects as indexed you will learn of many other things such as the simplicity in purpose of God's plan of salvation through His Son Jesus Christ the documenting of this generation as the last and understanding in witness to the four dynasties bringing about the establishment of globalism today the one world order and how these and many other things work together in culminating the end to this earth age and more It is His Story and as His children it is imperative that we understand our Father's final plea as we approach the end to this dispensation of time This is Humanity's Eleventh Hour

The Intention of It All T.C. Ray, 2010-11-24 Within the reader is provided with enlightened versions of selected and some even beloved segments of the Bible that have been previously either translated based on Semite legends due to the fact that at the time of translation those were the only historical references available or considered unknowable The creation of the universe earth and humanity are presented in a manner that falls closer in line with the historical and archeological record as known today instead of being based on ancient legends and fairy tales Elements of the Book of Exodus with passages concerning the 10 commandments and the role of Jethro in the establishment of a democratic form of government provide the reader with new origins for the judicial and representational branches within our own form of government The unknowable elements of the Book of Job concerning the Lords reply to Job in the last few chapters of the book are presented in a manner that not only suggests that it is indeed knowable but also reasonable and logical as well providing a description of the universe and earth that belies the level of knowledge available to humanity at its inception Certain controversial passages of the New Testament are addressed such as the Magi the intent behind the Feast at Cana and Mary Magdalenes true role in Jesus life and ministry and this is followed with an interpretation of the symbolism found within the Book of Revelations All in all the author provides the reader with a new and different take on certain elements of old scriptures

A Frayed World Enoch Elijah, 2022-03-22 Life as we know it has changed drastically in the last five years In the next few years there will be even more social change These changes will bring external pressures that will cause many to examine their beliefs This book provides answers for preparation What ancient beliefs are still present today Who are the menstealers what is their purpose What steps to take as the end time approaches What event triggers the return of Christ What role will iniquity play in the last days What's the key to surviving

the last days What time of year will Christ return Is there a second return for Israel before the final judgement *The Church Secrets* Todd Futhey, 2004-09 Traditions run deep and are powerful Futhey offers an interactive in depth study of God's word that is geared toward both the young and old in Christ Charting the Supernatural Judgements of Planet Earth Jeremiah Asher, 2010-08-10 Chapter 3 The First Judgment The World Prior To Adam There may have been many judgments upon the earth since its beginning millions or billions of years ago however the present commentary will deal only with the last tens of thousands of years of earth's existence In Genesis 1:2 the verses written by Moses as author of the Genesis account portray an earth that was veiled in darkness so that its form could not be discerned The earth at that time was covered with water ice high above the mountain tops so that it gave the appearance of being a dark revolving sphere of frozen water Table 2 God's spirit is described as hovering over this revolving ball of water and brooding over the sad condition of this dark void planet God did not create a dark and dismal planet at the beginning because God does not create darkness in fact darkness is incompatible with His existence and presence So what had happened that God viewed Gen 1:2 such a decrepit state of the world Does scripture attempt to explain this phenomenon or does the inspired word of God remain silent on this issue It was first proposed as a theory by the Scotsman Thomas Chalmers in the early 19th century that a gap in time existed between Genesis 1:1 and Genesis 1:2 This gap in time would encompass a ruin reconstruction theme and the existence of pre Adamic living beings Obviously a huge catastrophic event would have had to occur to produce this decadent state of the world The gap concept was later popularized by mention in the margin notes of the Scofield Reference Bible A Biography of the Holy Trinity and Man Markus E. Adams, 2009 If you're like most people you have questions about God that are difficult to find answers for But there are answers to some of these and other intriguing and sometimes troubling questions about life inside this book in easy to understand language This book is designed to lessen some of the mystery of God God wants us to know more about Him and His plans for us God wants us to know about His Son Christ Jesus and exactly what He did for us then and what He does for us now God wants us to know about His power the Holy Spirit and what He does God wants us to understand how we are viewed by Him and how we fit into His overall plans He wants us to see ourselves the condition that we have and the position that we are in God wants us to understand that there must be a faithful and productive relationship between Him and us if we are to please Him And we must have a solid understanding of how that relationship itself works It is extremely important that we know what sin is and how it affects our relationship with Him He wants and expects us to know all these things God has never wanted to remain a total mystery to us because we cannot serve Him if He is a total mystery Therefore this book explains to the undecided enlightens the newly converted and reinforces for those already born again the necessity of understanding the relationship between God and themselves Also you will come to know that there are choices that must be made that only you can make But they will not be as difficult to make once you have a better understanding of the relationship between God and man **Strong Daughters** Dr. Charmane

Gayle-Peart,2025-04-28 Strong Daughters The Tunnel Journey is a quick read intended to simplify the process for young ladies to become the strong daughters God intends them to be It is also a quick guide to help redeem those who have fallen short of the plans God has for their lives The foundation of this book is built on principles from scriptures and contains guidelines that will help shape young ladies for a more promising future Since the fall of man in the garden of Eden our society has become increasingly unconventional and judgmental of sanctified living The few who make an effort to do the right thing are labeled as abnormal and strange and it becomes more challenging if there are young ladies who decide to wait until marriage to have sex when everyone else is engaged in such behavior This book is filled with the promise that you can be different in a society where so much seems to be going wrong and you can be a strong daughter **Angels of the**
