Revelation Exegetical Commentary - 2 volume set Robert L. Thomas, 2016-08-15 Get back to the roots on Revelation Through the centuries since its writing the book of Revelation has captured the fascination of the Christian church The earliest Christians were unanimous in understanding it along a premillennial view of Jesus second coming but other hermeneutical approaches began to emerge in the third century These clouded and added complexity to the task of explaining the book s meaning For most of the Christian era consequently many readers have viewed this last of the NT writings as though it were hopelessly embedded in an aura of deep mystery An avalanche of interpretive literature has evidenced remarkable interest in the book s contents but along with the interest has come widespread bewilderment Written especially for the informed layman student and scholar this commentary seeks to clear the air The book is interpreted according to a historical and grammatical hermeneutic and propounds a conservative evangelical theology but the reader will not get a narrow view on areas of disagreement This commentary interacts with a range of major views both evangelical and nonevangelical It reaffirms the

basic framework of eschatology espoused by ancient Christianity but with added help from centuries of maturing thought and doctrinal progress in the Body of Christ All exegesis and exposition in this 2 volume commentary are based on the original language of the text Translations used are those of the author and textual criticism and word study are included where appropriate This in depth commentary also includes extended excursions on important topics of theological and historical interest

Jensen Survey-2 Volume Set -Old and New Testaments Irving Jensen,1982-06-01 This package includes the complete two volume set of Jensen s Survey of the Testaments Jensen s Survey of the Old Testament and Jensen s Survey of the New Testament In Jensen s Survey of the Old Testament the author provides a useful survey of the Old Testament that will aid in understanding difficult passages This one volume contains all of Irving Jensen s Bible self study guides to the Old Testament In Jensen s Survey of the New Testament Jensen leads the reader to study and personal reflection considering the practical implications of Scripture This one volume contains all of Irving Jensen s Bible self study guides to the New

History of New Testament Research, Vol. 2 William Baird,2002-11-01 Stressing the historical and theological significance of pivotal figures and movements William Baird guides the reader through intriguing developments and critical interpretation of the New Testament from its beginnings in Deism through the watershed of the Tubingen school Familiar figures appear in a new light and important previously forgotten stages of the journey emerge

Baird gives attention to the biographical and cultural setting of persons and approaches affording both beginning student and seasoned scholar an authoritative account that is useful for orientation as well as research *Jesus Left Loose Ends* William R. G. Loader, 2021-11-10 Bill Loader has been one of the leading New Testament scholars not just in Australia but globally for half a century What is immediately apparent is that the clarity of communication and the exceptional precision in analyzing the details of ancient texts which are the hallmarks of his scholarship were present even in the earliest essays Without exception every essay in this volume is a contribution of exceptional insight for all who seek to learn from an exemplary scholar *History of New Testament Research, Vol. 1* William Baird, Stressing the historical and theological significance of pivotal figures and movements William Baird guides the reader through intriguing developments and critical interpretation of the New Testament from its beginnings in Deism through the watershed of the Tübingen school Familiar figures appear in a new light and important previously forgotten stages of the journey emerge Baird gives attention to the biographical and cultural setting of persons and approaches affording both beginning student and seasoned scholar an authoritative account that is useful for orientation as well as research **The Doctrines of Grace from the Lips of Our Lord** Dr. J. D. Watson, 2012-07-18 The doctrine of salvation is the watershed doctrine of Scripture Flowing from that doctrine will be not only all other doctrine but also personal practice and Christian ministry The major controversy concerning salvation is whether it is a result of the sovereign grace of God alone or a mixture of God's part and man's part Addressing that issue is absolutely critical to the very foundations of Christianity itself Whichever one of those premises is correct we should expect to find it everywhere we look in Scripture and that is precisely what we find There is no truth that permeates the Bible more than the doctrines of God's sovereign grace From Genesis to Revelation in literally hundreds of verses these doctrines call capture and command our attention Of the many books of the Bible we could choose the Gospel of John is among the most compelling because of its foundational nature It is there we find some of the most profound teaching on the Doctrines of Grace in all Scripture Examining more than one hundred verses in John this small volume presents these great biblical and historical doctrines directly from the lips of our Lord **The Nation**, 1890 **The American** Robert Ellis Thompson, Wharton Barker, 1888 The Cambridge Dictionary of Christianity, Two Volume Set Daniel Patte, 2019-11-20 The Cambridge Dictionary of Christianity is an authoritative reference guide that enables students their teachers Christian clergy and general readers alike to reflect critically upon all aspects of Christianity from its origins to the present day Written by a team of 828 scholars and practitioners from around the world the volume reflects the plurality of Christianity throughout its history Key features of The Cambridge Dictionary of Christianity Provides a survey of the history of Christianity in the world on each continent and in each nation Offers a presentation of the Christian beliefs and practices of all major Christian traditions Highlights the different understandings of Christian beliefs and practices in different historical cultural religious denominational and secular contexts Includes entries on methodology and the plurality of approaches that are used in the

study of Christianity Respects each Christian tradition by providing self presentations of Christianity in each country or Christian tradition Includes clusters of entries on beliefs and practices each examining the understanding of a given Christian belief or practice in different historical and contemporary contexts Presents the relationship and interaction of Christianity with other religious traditions in the world Provides on a Web site <http://hdl.handle.net/1803/3906> a full bibliography covering all topics discussed in the signed articles of this volume
